

school seniors regardless of whether they played ball or not. This problem has been worked out, however, by allowing the Rangers to wear a different color beret to distinguish their unique contribution.

Even though I believe the Army is spending too much money on berets, \$30 million and climbing, and even though I have problems with where they are made, particularly in China, although that contract has been canceled, I believe Congress does not have the time or the charter to meddle with what the Army does or does not wear. If we can trust the chief of staff of the Army to command our young Americans in wartime, certainly we can trust him to determine what kind of uniform they will wear.

CONGRATULATING DENISE QUINONES AND TITO TRINIDAD

(Mr. ACEVEDO-VILÁ asked and was given permission to address the House for 1 minute.)

Mr. ACEVEDO-VILÁ. Mr. Speaker, I would like to congratulate two Puerto Ricans that in the past weekend made all of us very proud. I am talking about Denise Quinones, who won the Miss Universe contest held in Puerto Rico last Friday, and Felix "Tito" Trinidad who on Saturday added the middle-weight championship to his already amazing resume.

Denise and Tito, as we call him down there, make us proud because they represent some of the best qualities of the Puerto Rican people. Denise is much more than a beautiful face. She is extremely bright, well educated, fully bilingual and ready to meet the challenges of the future. Denise is a true role model for our youth.

We also celebrate the triumph of our champion Felix "Tito" Trinidad who is the best pound-for-pound boxer in the world. Tito embodies the talent and discipline of Puerto Rican youth. His unbreakable will in the ring reflects the strength of the Puerto Rican people.

Today, Puerto Rico celebrates two real stars. Denise and Tito remind us that we can accomplish anything through dedication and perseverance. Felicidades a ambos. (Congratulations to both of you.)

SUSPENSION OF UNLAWFUL AND UNNECESSARY REGULATIONS

(Mr. GIBBONS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GIBBONS. Mr. Speaker, industries around this Nation continually are burdened by unfair and unnecessary regulations. However, last year the mining industry faced an additional and unnecessary burden, an unlawful regulation.

Previously, Congress called for the National Academy of Sciences to study and assess the effectiveness of the ex-

isting 3809 regulations that affect the mining industry. That study, authorized by Congress, concluded that the existing laws were effective in protecting the environment. Yet the Clinton administration last year promulgated new 3809 regulations in spite of the National Academy's findings and in direct violation of Federal law.

□ 1415

In fiscal year 2000, the Interior appropriations bill clearly prohibited the promulgation of any new 3809 rules except those "which are not inconsistent with the National Academy of Science studies."

Thankfully, President Bush realized the error of President Clinton's ways, and now we have only to roll back the unnecessary and unlawful 3809 regulations proposed by the previous administration, which do not protect the environment or the American people.

PERIODIC REPORT ON NATIONAL EMERGENCY WITH RESPECT TO BURMA—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 107-70)

The SPEAKER pro tempore (Mr. GIBBONS) laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, without objection, referred to the Committee on International Relations and ordered to be printed:

To the Congress of the United States:

As required by section 401(c) of the National Emergencies Act, 50 U.S.C. 1641(c), and section 204(c) of the International Emergency Economic Powers Act (IEEPA), 50 U.S.C. 1703(c), I transmit herewith a 6-month periodic report on the national emergency with respect to Burma that was declared in Executive Order 13047 of May 20, 1997.

GEORGE W. BUSH.
THE WHITE HOUSE, May 15, 2001.

CONTINUATION OF EMERGENCY WITH RESPECT TO BURMA—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 107-71)

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, without objection, referred to the Committee on International Relations and ordered to be printed:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this pro-

vision, I have sent the enclosed notice to the *Federal Register* for publication, stating that the emergency declared with respect to Burma is to continue in effect beyond May 20, 2001. The most recent notice continuing this emergency was published in the *Federal Register* on May 19, 2000.

As long as the Government of Burma continues its policies of committing large-scale repression of the democratic opposition in Burma, this situation continues to pose an unusual and extraordinary threat to the national security and foreign policy of the United States. For this reason, I have determined that it is necessary to maintain in force these emergency authorities beyond May 20, 2001.

GEORGE W. BUSH.
THE WHITE HOUSE, May 15, 2001.
