

the increased enforcement of existing gun laws and more vigorous prosecution of crimes committed with handguns. The President plans to devote \$550 million in funding to this initiative over the next 2 years. The majority of the funding will be dedicated to hiring new Federal and State prosecutors to focus on gun crimes, updating State criminal record systems, improving Federal ballistics testing that trace illegal guns and developing regional task forces of Federal, State and local law enforcement agencies to catch and prosecute criminals in gun cases.

Although there is often disagreement about the best approach to ending gun violence, we can all agree that enforcement of our gun laws and prosecution of people who use guns illegally are essential elements to any successful approach. Since 1993, increased law enforcement and prosecution efforts have resulted in a 16 percent increase in the number of gun cases filed and a 41 percent increase in the number of offenders sentenced to more than 5 years in prison. These increases in enforcement efforts enjoy broad bipartisan support. I commend the President for building upon this consensus by taking another step toward ensuring that gun crimi-

nals are prosecuted to the fullest extent of the law.

While I agree with the aims of the President's initiative, I believe that it is not enough. We must also make it harder for criminals to get guns in the first place, by closing the gun show loophole that allows the purchase of handguns without a background check. Although he stated during the presidential campaign that he supported closing the gun show loophole, President Bush did not mention it in his speech on Monday. The President expressed that "Project Safe Neighborhoods is one step, an important step" toward making domestic tranquility a reality. I hope that the President will take the next, necessary step toward protecting the citizens of this country by supporting efforts to close the gun show loophole.

SUBMITTING CHANGES TO COMMITTEE ALLOCATIONS, FUNCTIONAL LEVELS, AND BUDGETARY AGGREGATES

Mr. DOMENICI. Mr. President, section 310(c)(2) of the Congressional Budget Act, as amended, provides the Chairman of the Senate Budget Committee with authority to revise com-

mittee allocations, functional levels, and budgetary aggregates for a reconciliation bill which fulfills an instruction with respect to both outlays and revenues. The Chairman's authority under 310(c) may be exercised if the following conditions have been satisfied:

1. The Committee on Finance reports a bill which changes the mix of the instructed revenue and outlay changes by not more than 20 percent of the sum of the components of the instruction, and

2. The Committee on Finance still complies with the overall reconciliation instruction.

I find that S. 896, as reported, satisfies the two conditions above and, pursuant to my authority under section 310(c), I hereby submit revisions to H. Con. Res. 83, the 2002 Budget Resolution. The attached tables show the current 2002 Budget Resolution figures as well as the revised committee allocations, functional levels, and budgetary aggregates, and I ask unanimous consent to have them printed in the RECORD.

There being no objection, the material was ordered to be printed in the RECORD, as follows:
