So (two-thirds having voted in favor thereof) the rules were suspended and the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PERSONAL EXPLANATION

Mr. GARY MILLER of California. Mr. Speaker, yesterday on rollcall vote 127 I was electronically recorded as voting "yes" on H.R. 1885. I intended to vote "no."

CONGRATULATING DETROIT AND ITS RESIDENTS ON THE TRICENTENNIAL OF THE CITY'S FOUNDING

Mr. LATOURETTE. Mr. Speaker, I ask unanimous consent that the Committee on Government Reform be discharged from further consideration of the concurrent resolution (H. Con. Res. 80) congratulating the city of Detroit and its residents on the occasion of the tricentennial of the city's founding, and ask for its immediate consideration in the House.

The Clerk read the title of the concurrent resolution.

The SPEAKER pro tempore (Mr. SIMPSON). Is there objection to the request of the gentleman from Ohio?

Mr. DAVIS of Illinois. Mr. Speaker, reserving the right to object, I yield to the gentleman from Ohio (Mr. LATOURETTE) to explain the bill.

Mr. LATOURETTE. Mr. Speaker, I thank the gentleman for yielding to me.

Mr. Speaker, this resolution congratulates the city of Detroit and its residents on the city's tricentennial. It

is fitting that the Congress chooses to honor Detroit's three centuries, rich in culture, ethnic diversity, natural resources, commerce, and industry.

Detroit, which began in 1701 as a French community known for its fur trade, is now the tenth most populous city in the United States. Throughout its history, Detroit has served as a strategic staging area during the French and Indian War, an important stop for the Underground Railroad, and as the city that made automobiles affordable for people of all walks of life.

Detroit also has a rich sports tradition and unique cultural attractions. Several centers of cultural excellence are located in Detroit, including the Lewis College of Business, the only institution in Michigan designated as an historically black college.

Throughout its history, Detroit has provided America with many great artists, including Berry Gordy, who created the musical genre known as the Motown Sound.

Mr. Speaker, on behalf of Congress, I would like to congratulate the city of Detroit and its residents for their important contributions to the economic, social, and cultural developments of the United States. This year Detroit is 300 years old.

Mr. DAVIS of Illinois. Mr. Speaker, continuing to reserve the right to object, I would say that the gentlewoman from Michigan (Ms. KILPATRICK) introduced this resolution to congratulate Detroit and its residents on the 300th anniversary of the city's founding.

The city of Detroit, founded in 1701, incorporated as a city in 1815, has many great attributes, but none greater than the people who contribute to the cultural and economic diversity of the city.

During the 19th century, it took brave and courageous people to make Detroit a vocal center of antislavery advocacy, and for more than 40,000 individuals seeking freedom in Canada, it was an important stop on the Underground Railroad.

Detroit is known as the automotive capital of the Nation, and an international leader in automobile manufacturing and trade because of the workers and laborers who worked on the assembly line, and continue to do so.

It is fitting that the Detroit Historical Museum, in recognition of Detroit's 300th anniversary, honor 30 Detroiters who dared to make a difference. The exhibit features the biographies of Detroiters who have made a difference in various ways over three centuries. It is not meant to choose or display the most important people. Rather, the names selected illustrate the diversity of Detroit's history by telling lesser-known stories.

I certainly want to congratulate the city of Detroit.

Mr. Speaker, I withdraw my reservation of objection.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Ohio?
