COUNTY OF HAWAII,
Hilo, HI, May 16, 2001.

Hon. DANIEL AKAKA,
U.S. Senate, Hart Senate Office Building,
Washington, DC.

DEAR SENATOR AKAKA: The purpose of this letter is to request that you seek Congressional authorization to expand the boundaries of Pu'u Honua O Hōnaunau National Park.

As I am sure you know, our local media have given a good deal of attention to a development proposed on 800 acres adjacent to Pu'u Honua O Hōnaunau. The community, particularly the Hawaiian community, has been outspoken in its desire to see this acreage preserved and the park enhanced. Numerous historic sites have been identified on this acreage, some or all related to the ancient Hawaiian village of Ki'īlae.

My staff has spoken with Ms. Geri Bell, Park Superintendent, and she has said that at least 238 acres (out of the 800) are closely linked to the park and associated with the village of Ki'īlae. Moreover, she has indicated that the owner of the land would willingly sell the 238 acres to the National Park. The next step is Congressional authorization.

The acquisition could be 238 acres, 800 acres, or something in between, and I would leave that determination to the experts to decide. However, your support for acquisition of at least the smaller portion would allow for a valuable addition to the park and assure preservation of an important part of our ancient Hawaiian heritage.

I fully support the expansion of the park by acquisition of this acreage, and hope you

will let me know if there is any way in which I can be of assistance.

A similar letter has been sent to the other members of our Congressional delegation.

Aloha,

HARRY KIM,
Mayor.
