SENATE WORK

Mr. DASCHLE. Madam President, this is the end of the week. I thank my colleagues for the effort that has been made to get as much accomplished as we were able to achieve. We passed the energy and water appropriations bill. We passed the legislative branch appropriations bill. We just now passed the supplemental appropriations conference report. We appointed conferees to the bankruptcy reform legislation. We confirmed 23 nominations, including 3 judicial nominees this week. And we began consideration of the Transportation appropriations bill.

While I wish we could have gone further with regard to our work on the Transportation bill, I am pleased that as a result of a bipartisan effort to

achieve this success at the end of the week I think we have accomplished a good deal.

I thank the distinguished Republican leader for his efforts in allowing this kind of accomplishment to be noted. I appreciate very much the hard work of the Appropriations Committee and the appropriations subcommittees that were very involved in the work of this week; that of Senator DOMENICI, the ranking member of the energy and water appropriations subcommittee, and Senator REID in particular for his outstanding leadership in bringing about the successful conclusion of his bill. Senator DURBIN has done an outstanding job with his legislative branch appropriations bill.

As my colleague just noted, so much work went into the supplemental appropriations bill. I am very pleased that Senator BYRD and Senator STEVENS once again were able to complete their work as expeditiously as they did. I was contacted earlier today by the Vice President who asked if we could move this bill today. It was originally my intention to hold the bill over the weekend in order to give Senators more of a chance to examine the results. The bill was just presented to us this morning. But in order to accommodate a request by the administration, we chose to take up the bill, given the fact that no one had made a request for a rollcall vote. I thank my colleagues for their cooperation in not asking for a rollcall on this particular bill so we could move it ahead to accommodate the administration's request.

I am also very pleased with the success we have had in confirming 23 additional nominations; as I said, including 3 judicial nominees. That means that in the last 2 weeks we have now confirmed 77 nominations. I don't know what kind of a record that is, but it has to be one of the largest numbers of appointments confirmed in the shortest period of time. And we will continue to work at achieving just as impressive results in the coming weeks.

Madam President, we have had a good week. I look forward to a very successful week again next week working on, first, the Transportation appropriations bill, and, secondly, other available appropriations bills, in addition, of course, to other nominations.

ORDERS FOR MONDAY, JULY 23, 2001

Mr. DASCHLE. Madam President, I ask unanimous consent that when the

Senate completes its business today, it adjourn until the hour of 2 o'clock on Monday, July 23. I further ask unanimous consent that on Monday, immediately following the prayer and the pledge, the Journal of proceedings be approved to date, the morning hour be deemed expired, the time for the two leaders be reserved for their use later in the day, and the Senate be in a period for morning business until 4 p.m. with Senators permitted to speak for up to 10 minutes each, with the following exceptions: Senator KYL, or his designee, from 2 p.m. until 3 p.m.; and Senator BYRD, from 3 p.m. until 4 p.m.; and, further, that at 4 p.m. the Senate resume consideration of H.R. 2299, the Transportation Appropriations Act.

The PRESIDING OFFICER. Without objection, it is so ordered.

PROGRAM

Mr. DASCHLE. Madam President, Members of the Senate, on Monday the Senate will convene under this request at 2 p.m. with 2 hours of morning business. At 4 p.m. we will resume consideration of the Transportation Appropriations Act. There will be no rollcall votes until 5:45 p.m. on Monday. There will be a rollcall vote at that time. I expect there could be additional rollcall votes on Monday evening.

ADJOURNMENT UNTIL 2 P.M. MONDAY, JULY 23, 2001

Mr. DASCHLE. Madam President, if there is no further business to come before the Senate, I ask that the Senate stand in adjournment under the previous order.

Thereupon, the Senate, at 2:30 p.m., adjourned until Monday, July 23, 2001, at 2 p.m.
