

perished on United Flight 93, Richard J. Guadagno. Rich was the manager of the Humboldt Bay National Wildlife Refuge and devoted his life to the preservation of wildlife. This legislation will designate the Headquarters and Visitors Center of the Humboldt Bay National Wildlife Refuge as the Richard J. Guadagno Headquarters and Visitors Center.

As we know, the passengers aboard Flight 93 undoubtedly saved hundreds, if not thousands, of lives by thwarting the disastrous intent of the terrorists. Rich had a law enforcement background that would have aided him in his convictions and his desire to prevent an even greater tragedy. All Americans, especially those of us who work at the U.S. Capitol, have these brave individuals to thank for preventing further terror on September 11th, 2001.

Rich was also a hero to all those who care about wildlife and the environment. Rich began a career in public service as a biologist at the New Jersey Fish and Game Department and the Great Swamp National Wildlife Refuge. Before joining the Humboldt Bay National Wildlife Refuge, he worked at the Prime Hook National Wildlife Refuge in Delaware, Supawna Meadows National Refuge in New Jersey, and the Baskett Slough and Ankeny National Wildlife Refuges in Oregon.

Colleagues in the Fish and Wildlife Service consistently commended his courage and dedication to conservation and protecting biological diversity. As refuge manager at the Humboldt Bay National Wildlife Refuge, he led with a vision that his colleagues embraced and admired. He always kept the best interests of the refuge at heart, and he enthusiastically worked to improve the condition of the refuge.

When Rich boarded Flight 93, he was leaving Newark, New Jersey after visiting his family and his grandmother on her 100th birthday. His memory will live on in the proud hearts and minds of his family and friends. All Americans will join his girlfriend, Diqui LaPenta, his sister Lori Guadagno, his parents Jerry and Beatrice Guadagno in remembering Rich as a true hero.

Mr. Speaker, Richard Guadagno worked his entire life to make the better place for all of us. He was truly a great American. Please join me in passing this legislation, so that Rich Guadagno and his tremendous successes in life will always be remembered.

HONORING NATALIE AND
RAYMOND MYERSON

HON. LOIS CAPPS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, November 16, 2001

Mrs. CAPPS. Mr. Speaker, today I would like to pay tribute to two extraordinary citizens of the Santa Barbara community, Natalie and Raymond Myerson. On November 18, 2001, the Anti-Defamation League will honor this district couple with the "Distinguished Community Service Award".

I cannot think of another couple that would be more deserving recipients of this honored award than the Myersons. Individually, they have each contributed so much to the Santa Barbara community, and as a couple it is almost inconceivable how much they have accomplished.

Since moving to Santa Barbara in 1973, the Myerson immediately became involved with the community. For the past 27 years, Mrs. Myerson has been a member of the Distinguished Member Award of the Santa Barbara Music Club, which she is presently the chair of. In addition, she is extremely active in Hillel, AIPAC, Hadassah and the American Jewish Committee, and has served as the co-president of the Santa Barbara County Arts Commission for the last three years. Mrs. Myerson is also a member of the League of Women Voters and the Santa Barbara Museum of Natural History League, and is an honorary member of the Santa Barbara Symphony Board.

Raymond Myerson has also demonstrated his leadership characteristics in various organizations throughout Santa Barbara. Having served as a board member and treasurer of the Santa Barbara Museum of Natural History for the past 20 years, he has subsequently become an honorary trustee. He has also dedicated 15 years to being the treasurer and a board member for the Recording for the Blind and Dyslexic. Additionally, he has been the treasurer and a board member for the University of California, Santa Barbara Affiliates for 12 years, and is currently chairman of the Affiliates "Economic Forum Funding Fellowship" in the Graduate School of Economics. He is a member of the Chancellor's Council at UCSB, the President's Council at Santa Barbara City College, and the Ventura County and Santa Barbara County Committees on Foreign Relations.

In addition, Mr. Myerson is a past board member of UCSB Hillel, an active member of AIPAC, a member of the President's Council of the American Jewish Committee, a member of B'nai Brith, and an active supporter of the Santa Barbara Jewish Federation.

The Myersons have been invaluable to the Santa Barbara community, and I would like to acknowledge them for their outstanding accomplishments. It is my greatest pleasure to honor this extraordinary couple, and I am so pleased to represent citizens of their caliber in Washington, D.C.

INTRODUCTION OF LEGISLATION
TO CLARIFY THE ELIGIBILITY
OF CERTAIN EXPENSES FOR THE
LOW-INCOME HOUSING TAX
CREDIT

HON. NANCY L. JOHNSON

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Friday, November 16, 2001

Mrs. JOHNSON of Connecticut. Mr. Speaker, I am introducing legislation to clarify the standards for determining basis of property for purposes of calculating the amount of low-income housing tax credits for which that property may be eligible. I am proud to be joined in this effort by Reps. CHARLES RANGEL, MARK FOLEY, and GARY MILLER.

A year ago, I called my colleagues' attention to the fact that the Internal Revenue Service, in a series of technical advice memoranda, had taken a very restrictive view of what items were includable in basis for purposes of allocating low-income housing tax credits. At that time, I noted that this would have an adverse impact on the ability of states to target affordable housing to those who need it the most.

It was also troubling to me that after 16 years during which the Treasury Department had failed to issue regulations or provide any other guidance on this issue, the first pronouncement was in a series of technical advice memoranda. TAMs are not official guidance, reviewed by the Treasury Department, but merely IRS legal opinions provided to an IRS agent during an audit. They are not citable in court proceedings because they are not official guidance. However, in absence of official guidance, I was concerned that these TAMs would be taken as an official government position. In fact, that is exactly what has happened, as investors in tax credit properties
