

The beneficial effects of these projects are endless. I could not be more pleased with the outcome of this conference report and remain grateful for the unwavering support of this committee.

CONDEMNATION OF HUMAN
CLONING

HON. BOB SCHAFFER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 4, 2001

Mr. SCHAFFER. Mr. Speaker, I rise today to express in the most serious terms my opposition to the recent acts of Advanced Cell Technology in Massachusetts to create the first cloned human embryo. Most scientific discoveries are a step forward for human kind, but ACT's announcement over the Thanksgiving holiday does not pose such promise. Instead, it signifies a sick and perverted experiment that will result in the destruction of hundreds of lives and the devaluing of all human life.

We all remember Dolly the sheep, the first cloned animal in the world. Well, Mr. Speaker, Dolly was the result of 277 attempts at creating a cloned sheep. Sheep numbers 1–276 didn't make it. They all died in different stages of development and were discarded. Do we want to allow such experimentation to be conducted on the human race? If we allow such a mad science to occur, we will be permitting the same kind of immoral practices as the human eugenics experiments in Nazi Germany.

Mr. Speaker, Congress must act now to ban human cloning before America becomes host to another holocaust. In July of this year, our colleagues in House acted in a timely and responsible manner to pass legislation banning human cloning. The bill passed in a bipartisan manner by more than 100 votes.

Since that time, Majority Leader of the opposing house has demonstrated an utter disregard for human life by preventing the bill from going forward at the other end of the Capitol. I now urge the majority leader of the other body to follow this House, the President and the will of the American people to bring H.R. 2505 to an immediate vote. The time is short as groups like ACT are pushing forward to create the first cloned human being. We must stop these crimes against humanity before it is too late.

IN HONOR OF TAMMY BLANCHARD

HON. ROBERT MENEDEZ

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 4, 2001

Mr. MENEDEZ. Mr. Speaker, I rise today to honor and pay tribute to Tammy Blanchard for winning an Emmy in her portrayal of the young Judy Garland in "Me and My Shadow: Life with Judy Garland." The Bayonne Public School System will recognize her outstanding accomplishments by declaring Wednesday, December 5, 2001, as "Tammy Blanchard Day." On December 5th, Ms. Blanchard will be honored during a fundraising party at Chandelier Restaurant in Bayonne, New Jer-

sey. Proceeds from this event will benefit the Bayonne High School Vocal Music Program.

Tammy Blanchard has enjoyed an extensive and successful acting and modeling career that has included many awards and acclamations. She has appeared in numerous television commercials and has modeled for several teen magazines and catalogues. In addition to her acting role in "Me and My Shadow: Life with Judy Garland," Tammy Blanchard has also appeared in episodes of "Guiding Light" and "Law and Order." Future projects include acting parts in "The Promise," scheduled to be in movie theaters April, 2002, and the upcoming Lifetime television movie, "We Were the Mulvaney's."

A native of Bayonne, New Jersey, Tammy Blanchard is a 1994 graduate of Bayonne High School. She continues to reside in Bayonne, sharing a house with her mother, Ms. Patricia Rettig, and her brothers, William Blanchard III and Thomas Walters.

In light of her many accomplishments, I would like to extend my personal congratulations and my warmest regards to Tammy Blanchard for her many achievements.

Today, I ask my colleagues to join me in honoring Tammy Blanchard for her magnificent acting career and commitment to helping assist students in the Bayonne Public School System.

TRIBUTE TO DR. GENNARO J.
DIMASO "2001 MAN OF THE
YEAR" COLUMBUS DAY CELEBRATION

HON. DAVID E. BONIOR

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 4, 2001

Mr. BONIOR. Mr. Speaker, each year the Italian American community celebrates Columbus Day, with festivities including a weekend of food, music, and fun, as well as an annual Columbus Day Parade and Banquet. With organizations and committees dedicated to promoting and preserving the Italian-American heritage through language, culture, music, and social events, the Columbus Day Committee is no exception. Honoring distinguished Italian-Americans who have shown outstanding service in their local communities, each year the Columbus Day Committee selects individuals who demonstrate these qualities. On Sunday, October 7, as the families and friends gathered together at their annual Columbus Day Banquet, they recognized Dr. Gennaro J. DiMaso as their "2001 Man of the Year".

As past president of the St. John Guild and recipient of the Guild's Lifetime Achievement Award, Dr. Gennaro J. DiMaso has demonstrated outstanding dedication and commitment to both the Italian and American communities. Dr. DiMaso has truly dedicated his time and efforts to the care of generations of children. With an unconventional, but warm-hearted approach, Dr. DiMaso, "the doctor in blue jeans" has devoted his life and profession to providing patients with the highest standards of quality health care. Understanding that the "only treasure on Earth we have are kids", he has worked tirelessly for 44 years to meet the needs of his young patients, and never refused care to an impoverished child.

Dr. DiMaso instilled in his young eastside patients the importance of hard work and commitment to the community. As a young boy, he dreamed of becoming a doctor and helping others while he worked with his father to sell vegetables in their Brooklyn neighborhood, growing up in an area where going to high school, let alone medical school, was unheard of. He has passed along this tradition of perseverance and community service to his four children and six grandchildren.

I applaud the 2001 Columbus Day Committee and Dr. DiMaso for their leadership, commitment, and service, and I urge my colleagues to join me in saluting them for their exemplary years of leadership and service.

TRIBUTE TO SUE ELLEN PANITCH

HON. JOHN W. OLVER

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 4, 2001

Mr. OLVER. Mr. Speaker, I rise to pay tribute to Sue Ellen Panitch of Holyoke, Massachusetts for her outstanding contributions to her community. Since 1965, Ms. Panitch has been somewhat of a "super-volunteer" in Holyoke, having served on numerous boards and commissions, including the Conservation Commission, the Holyoke Community College Foundation, The Therapeutic Equestrian Center, The Future Begins Here, the Council of Human Understanding and the Holyoke Taxpayers Association.

Sue Ellen began her long career as a volunteer at the gift shop at Providence Hospital, and continues to this day to be one of Holyoke's greatest civic champions. Just last month, through Sue Ellen's efforts, the "911 Fund," created by the Holyoke Firefighters union—Local 1693, became eligible to receive a portion of the proceeds raised at the 2002 The Future Begins Here charity event. The 911 Fund benefits victims of the September 11 terrorist attacks and their families.

Ms. Panitch's dedication to creating a better community has been so remarkable that the Holyoke Rotary Club recently honored her with its prestigious William G. Dwight Award. I can't think of a more deserving recipient of this award, and I hope that Sue Ellen will continue to contribute so selflessly to her city. Holyoke is a much better place due to her life's work. Thank you Sue Ellen Panitch.

INTRODUCTION OF THE CALI-
FORNIA FIVE MILE REGIONAL
LEARNING CENTER TRANSFER
ACT

HON. GEORGE RADANOVICH

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 4, 2001

Mr. RADANOVICH. Mr. Speaker, today I am pleased to introduce legislation to transfer 27.1 acres of National Forest Service property from the Stanislaus Forest to the Clovis Unified School District. By so doing, this legislation will permit the school district to continue to operate the Five Mile Regional Learning Center on this National Forest land and, more to the point, it will now allow the school district

to fund vitally necessary capital improvements to the Learning Center facilities. Without this legislation, these improvements and non-federal expenditures would not be allowed and the Learning Center could not continue due to dilapidation.

This legislation, therefore, should be considered non-controversial and an exercise in cooperative and effective local, state and federal government relations.

The Five Mile Regional Learning Center is an Outdoor Environmental Education School that benefits youth from all over the state of California. Classes range from forest to raptor studies with an emphasis on natural resource conservation. In addition to the environmental education program the school district offers course work on character development, team building, and individualized challenge activities such as high ropes. During the summer the site is used by a variety of groups, including Educators, DeMolay, Girl Scouts, basketball camps and school leadership students. In addition, a number of counties in conjunction with local and state agencies bring "At risk kids" to the program's Life's Alternatives Involving Risks (LAIR) Adventure Academy.

The Regional Learning Center serves 138 schools from approximately 60 school districts in California. Approximately 14,000 students participated in this educational program last year. Counties served include: Contra Costa, El Dorado, Fresno, Madera, Marin, Merced, Sacramento, San Francisco, San Joaquin, San Luis Obispo, Stanislaus, Toulumne, and Tulare. It operated three basketball camps that reached nearly 1,000 boys and girls. DeMolay, Fresno North LDS, and Four Square Church account for another 400 people using the facility. A project is in development that would utilize the LAIR area as an Elderhostel site focusing on living during the Gold Rush days.

The Five Mile Regional Learning Center is a Forest Service Administrative site located in the Mi Wok Ranger District, Stanislaus Forest. The site includes bartacks, a mess hall, classrooms, a gymnasium and shop buildings. This site is 27.1 acres.

Approximately 100 additional acres adjacent to the National Forest are used as part of the comprehensive conservation/education program for trails, campsites, ballfields, bird mew sites, bird blinds, and a tree nursery.

The 120 acre Five Mile Regional Learning Center has been operated by the Clovis Unified School District since 1989. Prior to that the Fresno County Office of Education starting in 1969 operated the project.

While the Five Mile Regional Learning Center is located on National Forest Land, the federal government plays no role in the operation or maintenance of the facilities used by the program or in delivery of the educational program. The National Forest Service merely permits the use of these facilities and lands to the Clovis Unified School District, and monitors the program to ensure that permit requirements are adhered to.

The buildings and structures that are located on the 27.1 acres of main property have been in existence since the early 1960's. However, the Forest Service has not funded or appropriated monies to maintain or operate these buildings. According to Forest Service documents the "Regional Learning Center facility has outlived its life by years and if it were not for the efforts of the Clovis Unified School District, the buildings would be in a state of disrepair useable to no one."

In addition, Stanislaus National Forest Supervisor Ben Del Villar has stated to the Clovis Unified School District, in correspondence, "We believe that your acquisition of the learning center would be in the best interest of the public and the Forest Service."

Without transfer of ownership the Clovis Unified School District is prohibited from spending its money on capital improvements to ensure that these facilities do not fall into disrepair to the extent that they would be unusable.

The Clovis Unified School District has on average spent more than \$1 million per year over the last 12 years on operation and maintenance.

In addition to the ongoing commitment of more than \$1 million per year in operation costs, the Clovis Unified School District is willing to invest \$5 million over 5 years in capital improvements and renovations to the existing facilities.

The legislation authorizes a new Special Use permit that would essentially continue the authorization for Clovis to use the adjacent 100 or so acres presently used but on which no structures in need of capital improvement exist.

The federal costs of this transfer are administrative-only and negligible to the value that the school district will be spending to increase the value of the property and run this important educational program for the children of California.

TRIBUTE TO FIRST NATIONAL
BANK OF LAS ANIMAS

HON. BOB SCHAFFER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 4, 2001

Mr. SCHAFFER. Mr. Speaker, I rise today to recognize the First National Bank of Las Animas, Colorado. Last month, First Bank celebrated its 100th year of business.

First National received its original charter on November 26, 1901, by the U.S. Comptroller of Currency. The history of First National can be traced to 1875 when it was then named Bent County Bank. At the time, it was the only bank between Pueblo, Colorado and Garden City, Kansas. Mr. Speaker, I congratulate the bank for its longstanding presence and exemplary service to the community of eastern Colorado.

First National Bank has long been a foundation of capitalism and commerce in Bent County. Opening with only \$50,000 in capital, the bank has grown to over \$102 million in assets. First National Bank has been a fixture in the community and is a key reason why Las Animas continues to be one of the strongest economic centers in eastern Colorado.

As a company located in Colorado's Fourth Congressional District, First National Bank is a source of pride for the community of Bent County and all people of Colorado. Throughout the course of history the bank has helped many Coloradans. It is with honor and pride I wish First National a happy 100th Birthday. I ask the House to join me in extending wholehearted congratulations to First National Bank of Las Animas, Colorado.
