

this Cuban woman, an economist by training and director of the Cuban Institute of Independent Economists, Marta Beatriz Roque.

She, along with imprisoned opposition activists who suffered the most brutal aspects of the totalitarian repression of the dictatorship, is admired by all freedom-loving Cubans, as well as by supporters of democracy for Cuba throughout the world.

□ 1800

Well, on the night of the day of her meeting with President Fox and Foreign Minister Castaneda, just this last Monday, Marta Beatriz Roque was visited at her house by a typical array of goons, thugs and hoodlums sent by the dictator who told her that she had to accompany them to a detention center for questioning while her house was fumigated.

She was then taken to a detention center by these thugs, physically assaulted, strip-searched and insulted repeatedly for hours on end. While this was happening, the so-called fumigation was taking place at her house. The furniture and windows were destroyed, and Marta Beatriz Roque's few belongings were ransacked.

Marta Beatriz Roque's crime? She had met that morning with President Fox and Foreign Minister Castaneda, and she had spoken bravely in support of democracy for Cuba.

So what will President Fox do about this? The act of aggression against Marta Beatriz Roque was a way for the Cuban dictator to show his disdain and contempt for President Fox and Foreign Minister Castaneda, as well as for the Cuban people, whose democratic aspirations are thoroughly represented by Marta Beatriz Roque.

What will you do, President Fox and Foreign Minister Castaneda? Will you do as Castro's Foreign Minister says and fail even to acknowledge the gross and constant violations of human rights in Cuba when the United Nations Human Rights Commission discusses this issue in Geneva in the coming weeks, or will you do what you should do and condemn this atrocity against one of your guests at the Mexican Embassy in Cuba this past Monday?

What will the world do, Mr. Speaker? What will our colleagues in this Congress do? One of them showed his feelings on the subject of the oppression of Cuba by allowing a member of the delegation that he traveled to Cuba with recently to give the Cuban dictator a cap like the one worn by the New York Fire Department. That symbol of American heroism, of supreme American dignity, was given to the dictator who for more than four decades has imprisoned, tortured, exiled and executed those who fight for the freedoms which this country represents.

The gift of that cap to the dictator and the attitude that it reflects is grotesque. It is insulting not only to the Cuban people, but to Americans as well, and it is condemnable.

It is time to stop dining and joking with the Cuban dictator. The time has come to side with the oppressed people of Cuba. They will soon be free, but they deserve solidarity in their time of darkness.

#### HONORING RICHARD STOCKTON COLLEGE MEN'S SOCCER TEAM

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from New Jersey (Mr. LOBIONDO) is recognized for 5 minutes.

Mr. LOBIONDO. Mr. Speaker, I rise today to honor the Richard Stockton College of New Jersey's men's soccer team on winning the NCAA Division III national championship, the school's first national title. Not only did the Ospreys bring home the title, they also achieved a 25-1-1 record, the best record in the history of the men's NCAA soccer.

Head coach Jeff Haines and his team established new school records for the most wins, most consecutive wins, fewest losses, best season record, most shutouts and most goals scored. Their dedication, hard work and can-do spirit have made our community so very proud and have brought the Ospreys recognition from across the Garden State and, in fact, from across the United States of America.

I would like to congratulate the team, Head Coach Haines, the coaching staff, athletic director Larry James and the entire school on such an impressive achievement. I am very pleased to welcome them to Washington and wish them the very best of luck for repeating as national champions next year. They have set an example for our entire community on what teamwork means, setting the bar high to reach a goal and then going for it and winning a national title. We are so very proud of them, Mr. Speaker.

#### STATUS REPORT ON CURRENT SPENDING LEVELS OF ON-BUDGET SPENDING AND REVENUES FOR FY 2001 AND THE 5-YEAR PERIOD FY 2002 THROUGH FY 2006

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Iowa (Mr. NUSSLE) is recognized for 5 minutes.

Mr. NUSSLE. Mr. Speaker, To facilitate the application of sections 302 and 311 of the Congressional Budget Act and section 201 of the conference report accompanying H. Con. Res. 83, I am transmitting a status report on the current levels of on-budget spending and revenues for fiscal year 2002 and for the five-year period of fiscal years 2002 through 2006. This status report is current through February 4, 2002.

The term "current level" refers to the amounts of spending and revenues estimated for each fiscal year based on laws enacted or awaiting the President's signature.

The first table in the report compares the current levels of total budget authority, outlays, and revenues with the aggregate levels set forth by H. Con. Res. 83. This comparison is needed to enforce section 311(a) of the Budget Act, which creates a point of order against measures that would breach the budget resolution's aggregate levels. The table does not show budget authority and outlays for years after fiscal year 2002 because appropriations for those years have not yet been considered.

The second table compares the current levels of budget authority and outlays for discretionary action by each authorizing committee with the "section 302(a)" allocations made under H. Con. Res. 83 for fiscal year 2002 and fiscal year 2002 through 2006. "Discretionary action" refers to legislation enacted after the adoption of the budget resolution. This comparison is needed to enforce section 302(f) of the Budget Act, which creates a point of order against measures that would breach the section 302(a) discretionary action allocation of new budget authority for the committee that reported the measure. It is also needed to implement section 311(b), which exempts committees that comply with their allocations from the point of order under section 311(a).

The third table compares the current levels of discretionary appropriations for fiscal year 2002 with the "section 302(b)" suballocations of discretionary budget authority and outlays among Appropriations subcommittees. The comparison is also needed to enforce section 302(f) of the Budget Act because the point of order under that section equally applies to measures that would breach the applicable section 302(b) suballocation.

The fourth table gives the current level for 2003 of accounts identified for advance appropriations in the statement of managers accompanying H. Con. Res. 83. This list is needed
