

SUBMITTED RESOLUTIONS

SENATE RESOLUTION 226—DESIGNATING APRIL 6, 2002, AS “NATIONAL MISSING PERSONS DAY”

Mr. SCHUMER submitted the following resolution; which was referred to the Committee on the Judiciary:

S. RES. 226

Whereas Saturday, April 6, 2002, marks the 24th birthday of the University of Albany student, Suzanne Lyall, who has been missing since March 2, 1998;

Whereas through her disappearance, Suzanne Lyall has come to represent thousands of other missing persons;

Whereas in 2001, there were 198,575 persons over the age of 18 reported missing to law enforcement agencies nationwide;

Whereas many of those reported missing may be victims of Alzheimer's disease or other health related issues, or victims of foul play;

Whereas regardless of age or circumstances, all missing persons have families who need support and guidance to endure the days, months, or years they may spend searching for their missing loved ones; and

Whereas it is important to applaud the committed efforts of families, law enforcement agencies, and concerned citizens who work to locate missing persons and to prevent all forms of victimization: Now, therefore, be it

Resolved, That the Senate—

(1) designates April 6, 2002, as “National Missing Persons Day”; and

(2) requests that the President issue a proclamation that—

(A) calls upon the people of the United States to observe the day with appropriate programs and activities; and

(B) urges all Americans to support worthy initiatives and increased efforts to locate missing persons.

TEXT OF AMENDMENTS

SA 3012. Mr. THOMAS (for himself, Mr. CAMPBELL, Mr. SHELBY, Mr. CRAPO,

and Mr. SMITH of Oregon) proposed an amendment to amendment SA 2917 proposed by Mr. DASCHLE (for himself and Mr. BINGAMAN) to the bill (S. 517) to authorize funding the Department of Energy to enhance its mission areas through technology transfer and partnerships for fiscal years 2002 through 2006, and for other purposes; as follows:

On page 21, strike line 16 and all that follows through page 23, line 24 and insert the following:

“Part II of the Federal Power Act (16 U.S.C. 824 et seq.) is amended by inserting the following after section 215 as added by this Act:

“SEC. 216. ELECTRIC RELIABILITY.

“(a) DEFINITIONS.—For purposes of this section—

“(1) ‘bulk-power system’ means the network of interconnected transmission facilities and generating facilities;

“(2) ‘electric reliability organization’ means a self-regulating organization certified by the Commission under subsection (c) whose purpose is to promote the reliability of the bulk power system; and

“(3) ‘reliability standard’ means a requirement to provide for reliable operation of the bulk power system approved by the Commission under this section.

“(b) JURISDICTION AND APPLICABILITY.—The Commission shall have jurisdiction, within the United States, over an electric reliability organization, any regional entities, and all users, owners and operators of the bulk power system, including but not limited to the entities described in section 201(f), for purposes of approving reliability standards and enforcing compliance with this section. All users, owners and operators of the bulk-power system shall comply with reliability standards that take effect under this section.

“(c) CERTIFICATION.—

“(1) The Commission shall issue a final rule to implement the requirements of this section not later than 180 days after the date of enactment of this section.

“(2) Following the issuance of a Commission rule under paragraph (1), any person may submit an application to the Commission for certification as an electric reliability organization. The Commission may certify an applicant if the Commission determines that the applicant—

“(A) has the ability to develop, and enforce reliability standards that provide for an adequate level of reliability of the bulk-power system;

“(B) has established rules that—

“(i) assure its independence of the users and owners and operators of the bulk power system; while assuring fair stakeholder representation in the selection of its directors and balanced decision-making in any committee or subordinate organizational structure;

“(ii) allocate equitably dues, fees, and other charges among end users for all activities under this section;

“(iii) provide fair and impartial procedures for enforcement of reliability standards through imposition of penalties (including limitations on activities, functions, or operations, or other appropriate sanctions); and

“(iv) provide for reasonable notice and opportunity for public comment, due process, openness, and balance of interests in developing reliability standards and otherwise exercising its duties.

“(3) If the Commission receives two or more timely applications that satisfy the requirements of this subsection, the Commission shall approve only the application it concludes will best implement the provisions of this section.
