

of Public Service Electric and Gas (PSE&G) and past president and CEO of Bell Atlantic-New Jersey, Al Koeppe has been a friend to working families and organized labor as a whole.

In his official capacity at PSE&G and Bell Atlantic and as a former member of the NJ Commission on Higher Education, Al Koeppe works hard to ensure good relations with his workforce, providing workers quality benefits, the opportunity to organize and collectively bargain, and a quality work environment.

In the mid-1990's, as a member of the NJ Commission on Higher Education and chairman of the commission's labor management committee, Al Koeppe's committee recommended that the state's nine colleges be required to collectively bargain with their more than 5,000 employees. This statewide bargaining would cover contract talks with classified clerical, security and maintenance workers who were members of the CWA and the International Federation of Professional and Technical Engineers. While this decision was not a popular one with the nine college presidents, it was hailed as a huge victory by the workers and their representative unions.

Al also worked very closely with organized labor, including NJ AFL-CIO President Charles Wowkanec and members for the IBEW, in crafting New Jersey's Energy De-regulation law passed in the late 1990's. Al took significant steps in ensuring that not only consumer concerns were met but also the concerns of the men and women who work for our public utilities throughout the state.

Al Koeppe has obviously demonstrated his leadership on behalf of working families in the state of New Jersey throughout his long and distinguished career. Business and industry should look to Mr. Koeppe as an example of how to conduct labor-management relations.

TRIBUTE TO CLIFFORD
STANFIELD

HON. ANNA G. ESHOO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 9, 2002

Ms. ESHOO. Mr. Speaker, I rise today to pay tribute to a distinguished American and longtime resident of San Mateo County, Clifford Stanfield, who passed away on March 3, 2002, at the age of eighty-four.

He leaves his beloved wife Ruth of thirty-one years, his son Raphael and his daughter Sue Spackman, as well as five grandchildren, two brothers and a sister.

A graduate of the Illinois Institute of Technology, Clifford Stanfield worked as an architect until his retirement in 1984. A distinguished veteran of the U.S. Navy, he worked as a ship's painter during World War 11, serving on the destroyer-tender USS *Dixie* in the South Pacific.

A native of Iowa, in 1971, Clifford Stanfield moved with his wife Ruth to California's Coastside where he gave generously of his time and talents to the community. An ardent environmentalist, Clifford Stanfield volunteered as a docent with the Fitzgerald Marine Reserve and the Coyote Point Museum. Utilizing his considerable expertise in architecture and construction, Mr. Stanfield volunteered with the occupational therapy department at Mills

Hospital, designing objects for patients to use in their therapy.

Service was a way of life for Clifford Stanfield. Even on his regular strolls through Half Moon Bay, he was known to pick up trash left in the streets and deliver newspapers to the doorsteps of his neighbors.

Mr. Speaker, I ask my colleagues to join me in paying tribute to this great and good man and offer the condolences of the entire House of Representatives to his family. We are a better community, a better country and a better people because of Clifford Stanfield.

PAYING TRIBUTE TO DON PEACH

HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 9, 2002

Mr. McINNIS. Mr. Speaker, I would like to take this opportunity to pay tribute to Don Peach and thank him for his extraordinary contributions to the town of Rangely. His dedication as Mayor to both his job and the people of Rangely is matched only by the level of integrity and honesty with which he has conducted himself each and every day while at his post. As Mayor, he will always be remembered as a man with the utmost dedication and talent, and will continue to be known as a leader in the community. As he celebrates his retirement, let it be known that I, along with each and every person with whom he has worked and the people of Rangely, are eternally grateful for all that he has accomplished in his distinguished tenure.

When Don arrived in Rangely, the town was mired in financial difficulties, and he quickly set out to turn things around. He effectively reduced property taxes, implemented numerous successful grant programs and tightened the accounting reins by emphasizing strict financial administration. Also upon his arrival, plans were already in the offing to build the Desperado Mine, which was projected to bring an additional 35,000 people to the town. At the time, Rangely was ill prepared to accommodate such a massive influx of people, but Don successfully built up the infrastructure to handle the increased population. In order to house the new workers, he acquired land from the Bureau of Land Management for the La Mesa Development, and subsequently began a number of housing programs. He also initiated a program of utility plant expansions in order to provide the necessary power and infrastructure for the town.

Don was also a strong advocate of bolstering community pride. He succeeded in changing residents' attitudes toward their town through the implementation of a town-wide beautification project. Through numerous grants and support from the town council, a Center Square was built, downtown facades were refurbished, an adopt-a-tree program was put in place, and street, curb and sidewalk improvements were initiated. He was also a strong advocate of community development, creating the Rangely Development Agency and the Rangely Development Corporation, as well as putting in place a number of development regulations in the town. He also established the Foundation for Public Giving and has worked tirelessly on the Rangely Museum Project.

Don is presently working on the Rangely School Foundation, which he helped to create and fund, and is also active in a number of other organizations. He serves on the Northwest Colorado Resource Advisory Council, which he has chaired for several years, is a board member of the Rangely Area Chamber of Commerce, the CNCC Foundation and the Rangely Museum Society, and serves on the University of Colorado Business Community Council. I have personally had the opportunity to work with Don in his capacity as Mayor and as chair of the Northwest Colorado Resource Advisory Council, and have always been astounded at his hard work and dedication. Needless to say, Don is a genuine philanthropist and an extraordinary public servant.

Mr. Speaker, it is clear that Don Peach is a man of unparalleled dedication and commitment to his professional endeavors, his philanthropic endeavors and to the people of his community. It is his unrelenting passion for each and every thing he does, as well as his spirit of honesty and integrity with which he has always conducted himself, that I wish to bring before this body of Congress. He is a remarkable man, who has achieved extraordinary things in his career and for his community. It is my privilege to extend to him my congratulations on his retirement as Mayor of the town of Rangely, and wish him all the best in his future endeavors.

FALUN GONG

HON. MARK UDALL

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 9, 2002

Mr. UDALL. Mr. Speaker, I rise today to speak out against the religious persecution of Falun Gong practitioners in mainland China. Falun Gong representatives believe that over 100,000 Falun Gong practitioners have been arrested. Tens of thousands have been thrown into labor camps without trial, and at least 1,000 healthy practitioners have been put into mental hospitals and have suffered illegal psychiatric abuse. It has also been reported that between 365 and 1,600 people have been killed in police custody.

It is thought that there are as many as 100 million Falun Gong practitioners worldwide. Falun Gong believers hold that this spiritual practice instills the three principles of truthfulness, compassion and tolerance. They would merely like the opportunity to peacefully practice their beliefs without fear of torture or imprisonment.

Mr. Speaker, I ask my colleagues to join me in supporting Falun Gong and its practitioners' quest for peace and tolerance.
