# Congressional Record

The public proceedings of each House of Congress, as reported by the Official Reporters thereof, are printed pursuant to directions of the Joint Committee on Printing as authorized by appropriate provisions of Title 44, United States Code, and published for each day that one or both Houses are in session, excepting very infrequent instances when two or more unusually small consecutive issues are printed at one time. ¶Public access to the Congressional Record is available online through *GPO Access*, a service of the Government Printing Office, free of charge to the user. The online database is updated each day the Congressional Record is published. The database includes both text and graphics from the beginning of the 103d Congress, 2d session (January 1994) forward. It is available through GPO Access at [www.gpo.gov/gpoaccess](http://www.gpo.gov/gpoaccess). Customers can also access this information with WAIS client software, via telnet at [swais.access.gpo.gov](http://swais.access.gpo.gov), or dial-in using communications software and a modem at (202) 512-1661.
