□ 1018

Messrs. PENCE, AKIN, RYUN of Kansas, ISAKSON, and GOODLATTE changed their vote from "yea" to "nay."

Messrs. BLUNT, ARMEY, BARR, and WAMP, and Ms. KILPATRICK changed their vote from "nay" to "yea."

So the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:

Mr. CLAY. Mr. Speaker, on rollcall No. 295, H.R. 4687, National Construction Safety Team Act, had I been present, I would have voted "yea."

Ms. MCCARTHY of Missouri. Mr. Speaker, on rollcall No. 295, I was unavoidably de-

tained. Had I been present, I would have voted "yea."

Mrs. CUBIN. Mr. Speaker, on roll call 295 I was detained by the construction on the Capitol Hill complex. Had I been present, I would have voted "yea."

Mr. McDERMOTT. Mr. Speaker, I was unable to be in Washington, DC today. As a result, I was unable to vote on the National Construction Safety Team Act (H.R. 4687). Had I been capable of voting, I would have voted "yea."

## GENERAL LEAVE

Mr. BOEHLERT. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and include extraneous material in the RECORD on H.R. 4687.

The SPEAKER pro tempore (Mr. SIMPSON). Is there objection to the request of the gentleman from New York?

There was no objection.

## LEGISLATIVE PROGRAM

Ms. PELOSI. Mr. Speaker, I rise for the purpose of inquiring about the schedule for next week.

Mr. ARMEY. Mr. Speaker, will the gentlewoman yield?

Ms. PELOSI. I yield to the gentleman from Texas.

Mr. ARMEY. Mr. Speaker, I am so pleased to announce that the House has completed its legislative business for the week.

The House will next meet for legislative business on Monday, July 15, at 12:30 p.m. for morning hour and at 2 o'clock p.m. for legislative business.

I will schedule a number of measures under suspension of the rules, a list of which will be distributed to Members' offices later today. Recorded votes on Monday will be postponed until 6:30 p.m.

On Tuesday and the balance of the week, I have scheduled the following measures for consideration in the House:

On Tuesday, H.R. 5093, the Department of Interior Appropriations Act for Fiscal Year 2003;

On Wednesday, the Treasury and Postal Operations Appropriations Act for Fiscal Year 2003;

On Thursday, the Legislative Branch Appropriations Act for Fiscal Year 2003;

And again on Thursday and on Friday, the Department of Agriculture Appropriations Act for Fiscal Year 2003.

Mr. Speaker, the conferees are meeting this morning to complete work on the President's emergency defense and homeland security supplemental appropriation request, and I intend to schedule that conference report as soon as it is available next week.

Obviously, Mr. Speaker, we have a busy and productive week ahead of us, so I would advise Members to expect long days and nights as we work to

complete our work on five appropriations bills next week.

Ms. PELOSI. Mr. Speaker, I thank the gentleman for that presentation. I would just like to know how late he expects these long days and nights to go. Are we talking 3 a.m. in the morning? Can Members make plans with their families in the evening?

Mr. ARMEY. I thank the gentlewoman for the inquiry. As the gentlewoman may have noticed, other than Monday, we have appropriations bills on each of these days. Appropriations bills come to the floor under the 5-minute rule. This provides ample opportunity for maximum participation by the Members.

One can never say for certain. We will try to work as late as is necessary to maintain the schedule for the completion of the bills, with an eye toward a reasonable time to catch our planes for our weekend work recesses at home on Friday. So while I would anticipate no extraordinarily late evenings, we must be prepared, I think, to work into the evenings each night to sustain that schedule.

Ms. PELOSI. I appreciate that.

I would like to further inquire, Mr. Speaker, if there is any other legislative business besides appropriations bills that the gentleman expects to come up next week.

Mr. ARMEY. I thank the gentlewoman for that question. We do not see anything. Obviously, we have several things out in conference, and insofar as any of those conferences, and most hopefully the emergency supplemental conference should report, we would want to bring those conference reports to the floor as quickly as possible.

Ms. PELOSI. Mr. Speaker, I would say to the leader that I had a couple of issues in that regard.

As Members know, the Senate will finish a very tough corporate accountability measure early next week that the President and the Speaker have expressed support for.

Given deep concern about the corporate scandals and impact on pensions and retirement savings of Americans, we in this House need to act as quickly as possible. Would it not make sense simply to adopt the Senate bill and send it right to the President before we leave for the August recess? Is that possible?

Mr. ARMEY. I thank the gentlewoman for her inquiry. I, too, like the gentlewoman, am so pleased that the other body has finally understood how necessary this is and has finally tried to catch up with the House, which passed a bill on April 24 with a vote of 334 to 90, and 119 Members of the gentlewoman's own party voted for that excellent product from the House.

While the other body is finally getting aware of the urgency of moving on this, and we do, indeed, hope they might complete work on a bill that relates to our work next week, we would be quite anxious to get to conference with them as quickly as possible and
