HONORING THE CONTRIBUTIONS OF VENUS AND SERENA WILLIAMS

SPEECH OF

HON. DONALD M. PAYNE

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 4, 2002

Mr. PAYNE. Mr. Speaker, it is my distinct honor to support the passage of House Resolution 94, a resolution to recognize the outstanding contributions of Venus and Serena Williams. Venus and Serena Williams are two esteemed professional African American women tennis players who have broken racial and socioeconomic barriers with pride and poise.

The Williams sisters have accomplished many firsts in the world of tennis. Twenty-year-old Venus is the first African-American woman to win the Wimbledon Championships since 1958, the first United States woman since 1924 to win an Olympic gold medal in both singles and doubles, holds the women's world record for the fastest serve at 127 miles per hour, and is one of only seven women to win the singles titles in both the Wimbledon Championships and the U.S. Open in the same year.

Nineteen-year-old Serena Williams is only the second African-American woman ever to win a Grand Slam singles title, is only the sixth American woman to win the U.S. Open singles title since 1968, is only the fifth woman to win both singles and doubles Grand Slam titles in the same year, and is the first woman to reach the finals in a U.S. Open debut since 1978.

Demonstrating through the spirit of sports, Venus and Serena Williams have truly inspired and encouraged people of all backgrounds and ages, especially those in their hometown of Compton, California, that education, teamwork, fortitude, and self-determination are the essential ingredients for success. Venus and Serena Williams are great African American leaders and role models who espouse high

moral and ethical standards, family values, and community service.

Recognizing the importance of giving back to their community, together they have conducted tennis clinics for low-income children, raised funds for community development, and joined our Nation's leaders in support of seat belt safety campaigns.

Mr. Speaker, I urge my colleagues to join me in supporting the passage of House Resolution 94, to recognize the many contributions to American society made by Venus and Serena Williams through their achievements and community involvement. We are fortunate to have noble citizens like Venus and Serena Williams who have demonstrated that tennis is a sport for all people.

A TRIBUTE TO THE HARLEM BIG "LITTLE LEAGUE" HEROES

HON. CHARLES B. RANGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 5, 2002

Mr. RANGEL. Mr. Speaker, I rise today with great pride in their achievement to pay tribute to and recognize Harlem's national famous Little League team.

In an historic achievement Harlem's Little League made the Harlem community and the United States proud when they successfully placed third in the Little League World Series. Coming from diverse ethnic backgrounds, the team pulled together and progressed to the semi-finals of the Little League Series, a notable achievement for a team which up to this year had not made the playoffs. On August 27, 2002, the team came home to a first-class victory celebration in which I was pleased and proud to participate.

I hope that these kids have once again taught us that we can come together as a community and understand that anything is possible. And, today it is my pleasure to bring the Harlem Little League's achievement to the attention of my colleagues.

HARLEM HEROES SAFE AT HOME

(By Lorena Mongelli)

Harlem's small-fry slugger heroes got a major-league welcome home yesterday by hundreds of rooting relatives and frenzied fans, who admitted they never expected the team to make it as far as it did in the Little League World Series.

"They never really said that winning was what they were all about—but this team came back as winners," U.S. Rep. Charles Rangel (D-Harlem) crowed amid the cheering crowd at Marcus Garvey Park on 122nd Street.

Moms and dads furiously shook pompoms, friends waved signs and dozens of people broke into chants of "Go Harlem!" as the bus carrying the team pulled into the park around 4 p.m. and let off the local champs, who made it to the series semifinals.

The somewhat-sheepish players said they were surprised by all the hoopla—but not exactly complaining about it. "I didn't know there were going to be all these people here—it feels good," star pitcher Alibay Barkley said.

Third baseman Andrew Diaz, 12, added: "We gave something to Harlem to make them feel proud. I feel like a champ. I didn't expect all these people to come and show their support."
