

## EXTENSIONS OF REMARKS

IN RECOGNITION OF ILLINOIS  
STATE REPRESENTATIVE MARY  
LOU COWLISHAW

**HON. J. DENNIS HASTERT**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, September 17, 2002*

Mr. HASTERT. Mr. Speaker, I rise today to recognize the invaluable contributions of State Representative Mary Lou Cowlishaw over her nearly 20 years of service to the people of Illinois as a member of the Illinois General Assembly. Moreover, I am proud to have served alongside her during her first four years of service.

As a parent and former public school teacher, I would like to commend Representative Cowlishaw for her strong commitment to improving educational opportunities for the young people of Illinois. As the Ranking Member of the Illinois House Elementary and Secondary Education Committee and as a board member of the Lisle School District 202 Foundation, Representative Cowlishaw has done an exceptional job of advancing education and thereby securing the well-being and future success of all children in Illinois.

During her tenure in the Illinois General Assembly, Representative Cowlishaw's efforts contributed to the establishment of the Illinois Mathematics and Science Academy located in my congressional district. She has also worked tirelessly to advocate innovative approaches to increase student learning, improve teacher quality, and expand access to teaching in mathematics and science.

And, Representative Cowlishaw's exemplary dedication to the young people of Illinois extends well beyond the walls of the classroom. In fact, this past March, the Illinois Coalition to End Homelessness honored Representative Cowlishaw for her work to improve the educational rights of homeless students across the Nation.

When Representative Cowlishaw retires from the Illinois State House of Representatives at the end of this year, she should carry with her the knowledge that she has made the Illinois General Assembly, and particularly the State of Illinois, a better place.

HONORING DR. RICHARD WARREN

**HON. JAMES P. MCGOVERN**

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, September 17, 2002*

Mr. MCGOVERN. Mr. Speaker, I rise today to join the community of Franklin, Massachusetts in honoring Dr. Richard Warren for his 30 years of outstanding service to the Franklin Public School System and other districts throughout New England.

After receiving his bachelors' degree from Bryant College in 1964, Dr. Warren earned his Masters of Educational Administration and Supervision at Rhode Island College in 1973; his Certificate of Advanced Study at the University of Connecticut in 1978; and his Ph.D. in Education Administration at the University of Connecticut in 1980.

During his 30-plus years of service to public education in Franklin and New England, Dr. Warren has distinguished himself as both an educator and administrator. Whether it be as an elementary school teacher for the public school districts of Tiverton, Rhode Island and Fall River, Massachusetts; Supervising Principal for Scituate Public Schools of Scituate, Rhode Island; or Superintendent of Schools for Franklin, Ayer, Mansfield and Dartmouth School Districts in Massachusetts, Dr. Warren has maintained his life-long commitment to educating the children of our community.

Furthermore, Dr. Warren's passion and dedication to learning has never been confined to the classroom. He has served as Associate Director of the Northeast Community Education Development Center and Research-Associate for the Department of Education Administration at the University of Connecticut; Director of Community Services for Fall River Public Schools in Fall River, Massachusetts; and Coordinator of the Title I Extended School Day program. It is clear that Dr. Warren's passion and enthusiasm for education has rewarded not only the children of our public schools, but also our entire community.

Although Dr. Warren is retiring to spend more time with his wife, Linda; daughters, Lisa and Barbara; and his grandchildren, he intends to be active as an educational consultant. In his personal time, Dr. Warren enjoys music and gardening.

Mr. Speaker, I ask my fellow members of U.S. House of Representatives to join me in congratulating Dr. Warren for all that he has done for the community of Franklin and other communities throughout Massachusetts and New England. He has served us well, and I wish him the best of luck in all future endeavors.

Captain Marshall has demonstrated exemplary leadership at the Air Force's 137th Space Warning Squadron in Greeley. For this, Mr. Speaker, the United States Congress commends Captain Marshall and wishes him the best of luck.

Throughout his career, Captain Marshall has accumulated such honors as being top of his class at USAF Undergraduate Space Training at Vandenburg Air Force Base in 1998 and having top qualifications as MGS Field Commander and Main Operating Base OTC. Captain Marshall is rated "Highly Qualified" in Space Operations, which is the best U.S. Space Command rating given by the military. In addition, Dan is a highly skilled pilot having earned his Bachelor of Science degree in Aviation at Metropolitan State College in Denver, Colorado.
