

Sur. These pigs plough up native plants which destroys habitat for native animals and opens the way for many non native plants to colonize the disturbed ground. On their own, each of these species has inflicted major adverse changes to the Big Sur landscape. Their combined assault has resulted in the displacement of entire native communities.

Mr. Speaker, the federal government has invested millions of dollars in acquiring land for conservation in the Big Sur region. A program of this type would help prevent the ecological value of that investment from being destroyed. This region needs a program to target the eradication of invasive plant and animal species in the Monterey District of the Los Padres National Forest. In addition nearly private or other non USFS property where the property owner seeks the assistance and where the invasive species are present on that property pose a threat to national forest lands and should be included as well.

Mr. Speaker, I want to see the transfer USFS land currently occupied by Pacific Valley School under special use permit to the Pacific Valley School District. The amount of land to be transferred should not exceed the school's existing footprint (approximately 5 acres). Also, the transfer should include reversionary language that would require transfer back to the Forest Service if the School District ever gave up use of the land. The Pacific Valley School serves the residents of the rural southern Big Sur Coast. It has approximately 40 students in grades K-8. The school has occupied a site on USFS property under a special use permit for approximately 35 years. The school itself consists of 6 portable buildings arranged on a series of concrete and asphalt pads. Over the years the school has had a good relationship with the Forest Service. The major problem is the inflexibility that the special use permit arrangement imposes on the school's site management. Generally, any changes the school wants to make to the site have to be cleared by the Forest Service. Even if a change, for example the addition of a student garden or replacing a set of building steps, may not need Forest Service approval, the uncertainty of whether it does have a chilling effect on any activity. This transfer is intended to resolve the potential conflict and release the USFS from acting as a school site manager.

Finally, Mr. Speaker, I feel we should authorize the construction and maintenance of a new water line and corresponding spring box improvements adjacent to an existing domestic water service in the Silver Peak Wilderness Area in the Los Padres National Forest. The water system in question serves two adjacent properties located just outside the existing Silver Peak Wilderness Area boundary established in 1992. Both parcels are 10 acres and are located in the west ¼ of the south ¼ of the southwest ¼ of the southeast ¼ of section 14 in township 24 south, range 5 east, MDB&M. Both parcels have drawn water from the same spring for over 40 years. A single pipeline runs from the spring box located in the wilderness and delivers water to the two parcels in succession. The 1992 act creating the Silver Peak Wilderness Area grandfathered this system into the wilderness. However, Monterey County ordinances now implementing state and federal law treat the system as a water distribution system which requires it to comply with the treatment and storage

needs of a larger system serving multi-households. The owners of the two parcels want to lay a new separate pipeline alongside the existing line so that they become two separate individual systems and thus free of the cost of complying with the multiple hook-up requirements.

Mr. Speaker, I once again want to thank all those that made passage of this legislation possible. Protection of these resources is of great benefit to all.

HONORING BENEDICT KUPCHO ON  
THE OCCASION OF HIS RETIREMENT

HON. ROSA L. DeLAURO

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Friday, November 22, 2002

Ms. DELAURO. Mr. Speaker, I am honored to rise today to join Coginchaug Regional High School and the community of Durham, Connecticut in paying tribute to Benedict Kupcho as he celebrates his retirement after thirty-seven years of service. An educator, colleague, and friend, Mr. Kupcho has been an invaluable resource to the students and faculty of Coginchaug Regional High School and the residents of Durham throughout his career.

I have often spoke of our nation's need for talented, creative educators ready to help our students learn and grow. Mr. Kupcho is just that kind of teacher. His commitment and dedication has touched the lives of thousands of our young people. Mr. Kupcho has enriched his students lives ensured that they have a strong foundation on which to build their futures—making a real difference in all of their lives. Coginchaug Regional High School has been fortunate to have benefitted from his many years of service.

I have had the pleasure of meeting Mr. Kupcho on several occasions throughout my career in the House of Representatives and I am always in awe of his seemingly unending enthusiasm and excitement. For twenty-two years, Mr. Kupcho has organized Coginchaug's annual trip to Washington, D.C.—bringing over two thousand students to our nation's capital throughout five separate administrations. Through wind, rain, sleet and snow, he has worked tirelessly to ensure that his students were given the opportunity to visit Washington and experience how our government works. I have always held a firm belief in the importance of engaging our young people in the democratic process and in assuring that they have a voice here in Washington. Mr. Kupcho's dedication is a reflection of this ideal and our community owes him a great debt of gratitude for all that he has done on behalf of our young people.

As a track coach and student advisor, Mr. Kupcho has also acted as a mentor to many students—truly helping to shape their lives outside of the classroom as well. In addition to his many professional contributions at Coginchaug Regional High School, Mr. Kupcho has also been active in the Durham community. One of the most popular and longest running events in Connecticut, the Durham Fair has long been the beneficiary of Mr. Kupcho's time and energy. Attracting thousands of people from across the state, the Durham Fair is a major event for the small

community of Durham. The name Benedict Kupcho is almost synonymous with the parking organization for the Fair and it has been his efforts that have enabled its many attendees to enjoy this wonderful annual event.

It is with great pleasure and my very best wishes for continued health and happiness that I stand today and extend my sincere thanks and appreciation to Benedict Kupcho for all of his good work throughout his thirty-seven years with Coginchaug Regional High School. Though he will certainly be missed, he has left an indelible mark on the Durham community and a legacy that will inspire others for many years to come.

IN HONOR OF RABBI STUART  
WEINBLATT

HON. ELIOT L. ENGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, November 22, 2002

Mr. ENGEL. Mr. Speaker, I rise today to honor Rabbi Stuart Weinblatt on his 50th birthday and in recognition of the tremendous work he has done on behalf of others. Rabbi Weinblatt and his wife Symcha are the parents of four wonderful children, Ezra, Margalit, Micha, and Noam. He is the founding Rabbi of Congregation B'nai Tzedek, a Conservative synagogue in Potomac, Maryland, to which I belong, serving more than 620 families. Prior to forming Congregation B'nai Tzedek in 1988, Rabbi Weinblatt was the Rabbi of Temple Solel in Bowie, Maryland, for seven years and Temple Beth Am in Miami, Florida, from 1979-1981.

Rabbi Weinblatt is active in a number of local and national organizations, including the National Rabbinic Cabinet of the UHC, Hillel at the University of Maryland, the Jewish National Fund, Israel Bonds, the Jewish Community Council, where he chaired a committee on Jewish Life and Culture, and the Federation of Greater Washington, where he chaired the Super Sunday effort several years ago. Rabbi Weinblatt has also served as President of the Washington Board of Rabbis. He has been an adjunct professor of Jewish History and Theology at Wesley Theological Seminary since 1992. His dynamic leadership, innovative approach to Judaism and reputation as an outstanding teacher and speaker has earned him many honors, including selection as a Bronfman Fellow by CLAL and as a fellow in the Shalom Hartman Institute Center for Rabbinic Enrichment program. In recognition of his outstanding leadership and community involvement, he was chosen in 2001 as the Washington area ORT "Man of the Year." He is a strong and vocal supporter of the State of Israel.

I met Stuart Weinblatt when I was first running for Congress, 14 years ago, when we were seated at the same table, by chance, at a dinner. I had no idea that years later I would become a member of a new synagogue that was opening with him at the helm. I have followed this man all these years, and have watched him and the synagogue grow in stature. His sermons are always remarkable and inspiring.

Mr. Speaker, Rabbi Weinblatt's years of service to his community and the nation have
