

RENAMING GUAM SOUTH ELEMENTARY/MIDDLE SCHOOL IN HONOR OF NAVY COMMANDER WILLIAM "WILLIE" MCCOOL

Mr. HEFLEY. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 672) to rename the Guam South Elementary/Middle School of the Department of Defense Domestic Dependents Elementary and Secondary Schools System in honor of Navy Commander William "Willie" McCool, who was the pilot of the Space Shuttle *Columbia* when it was tragically lost on February 1, 2003, as amended.

The Clerk read as follows:

H.R. 672

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. DESIGNATION OF COMMANDER WILLIAM C. MCCOOL ELEMENTARY/MIDDLE SCHOOL, APRRA HEIGHTS, GUAM.

(a) FINDINGS.—Congress finds the following:

(1) Commander William C. McCool of the United States Navy, pilot of the Space Shuttle *Columbia* when it was tragically lost on February 1, 2003, attended Dededo Middle School and John F. Kennedy High School on Guam.

(2) Commander McCool carried a flag commemorating the liberation of Guam on NASA mission STS-107 of the Space Shuttle *Columbia*.

(3) Commander McCool pursued his dream of space flight with vigor and passion and, by his life and accomplishments, is an inspiration for school children everywhere to dare to dream big things, to believe in themselves, and to reach for the stars.

(b) DESIGNATION.—The Guam South Elementary/Middle School of the Department of Defense Domestic Dependents Elementary and Secondary Schools System in Aprra Heights, Guam, shall be known and designated as the "Commander William C. McCool Elementary/Middle School", in honor of William C. McCool, who was a commander in the United States Navy and pilot of the Space Shuttle *Columbia* when it was tragically lost on February 1, 2003.

(c) REFERENCES.—Any reference in a law, map, regulation, document, paper, or other record of the United States to the Guam South Elementary/Middle School shall be deemed to be a reference to the "Commander William C. McCool Elementary/Middle School".

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Colorado (Mr. HEFLEY) and the gentleman from Guam (MS. BORDALLO) each will control 20 minutes.

The Chair recognizes the gentleman from Colorado (Mr. HEFLEY).

GENERAL LEAVE

Mr. HEFLEY. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Colorado?

There was no objection.

Mr. HEFLEY. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in strong support of H.R. 672, the act to rename the Guam South Elementary/Middle School in honor of Navy Commander

William "Willie" McCool, who was pilot of the Space Shuttle *Columbia* when it was tragically lost on February 1, 2003.

This bill recognizes the intrepid spirit, commitment to public service, and the ultimate sacrifice made by Commander McCool. The United States space program and our entire Nation lost a highly skilled and courageous member of our superb Armed Forces when Commander McCool and his fellow astronauts were lost earlier this month. It is entirely fitting that as a former student of the Guam South Elementary and Secondary Schools System, Commander McCool be remembered by naming the Guam South Elementary/Middle School in his honor.

This measure is a small step in recognizing Commander McCool's brilliant career and his selfless dedication to our Nation as well as memorializing his spirit at a place where he spent a formative period in his youth.

We can all be proud to support this bill, secure in the knowledge that future generations of students can draw inspirations from his example. Commander McCool's service represents the very best evidence of the long-term commitment to this country to space exploration and it reminds us why those who represent us all in space represent the very best in America.

□ 1445

Mr. Speaker, I ask my colleagues to support this measure.

Mr. Speaker, I reserve the balance of my time.

Ms. BORDALLO. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I introduced H.R. 672 to rename the Guam South Elementary/Middle School as the Commander William C. McCool Elementary/Middle School in memory of the pilot of Space Shuttle *Columbia* on its final mission.

I would like to thank the gentleman from Colorado (Mr. HEFLEY), the 26 bipartisan cosponsors of this legislation, as well as the leadership of the Committee on Armed Services for their assistance in bringing this legislation to the floor to coincide with the memorial service for Commander McCool being held this week at the U.S. Naval Academy.

With this act of Congress, I hope that Commander McCool's bravery and academic excellence will be permanently affixed in the hearts and minds of the children of Guam. Commander McCool lived on Guam while his father served as a Navy pilot, and he attended Dededo Middle School and John F. Kennedy High School. He was an exceptional student and a talented long distance runner.

He studied hard and earned the opportunity to attend the United States Naval Academy, where he graduated second in his class in 1983. He went on to receive his Masters of Science in computer science at the University of Maryland in 1985. After completing several deployments with Tactical Elec-

tronic Warfare Squadrons 129 and 133, Commander McCool was accepted into the Naval Postgraduate School/Test Pilot School, TPS, in 1989.

After graduating from TPS in 1992, Commander McCool managed a wide range of projects, often coordinating studies and tests of aviation vessels with the United States Navy. His distinguished record of service led to his selection in NASA's astronaut program in April of 1996.

Commander McCool pursued his dream of space flight with vigor and passion. He lived his dream, and we on Guam are amazed that someone we knew, who was part of our island community, was the pilot of a space shuttle. Teachers on Guam point to his remarkable life to inspire school children to dare to dream big things, to believe in themselves, and to reach for the stars. Today, we are reminded of his dream. We are inspired by his strength of character, and we are called to do our part to keep his dream alive.

Guam South is part of the Department of Defense Domestic Dependence Elementary and Secondary School System. Commander McCool would be proud to be associated with it. The school was established in 1997 and now has 750 students. The elementary school is 550 students strong, with blue and white as its colors and the Jaguar as its mascot. The middle school is 200 students strong, with the Guam South Stingrays as their mascot. Guam South is ably run by Principal William Hall and 75 outstanding teachers.

The clients of the school are primarily Navy families, just like Commander McCool's. Willie McCool was a dedicated husband and father. He leaves behind his lovely wife, Lani, and their three sons, Sean, 22; Christopher, 20; and Cameron, 15. He is survived by his parents, Barry and Audrey McCool, as well as Lani's parents, Atilana and Albert Vellejos, who live in Dededo, Guam. They join the families of Rick Husband, David Brown, Ilan Ramon, Kalpana Chawla, Michael Anderson, and Laurel Clark in bearing the burden and the glory of this Nation's space aspirations.

So for all of them and for the future participants of our space program studying on Guam, I commend this legislation to my colleagues and urge its swift passage.

I would like to end my remarks by calling for a moment of silence to remember the crew of Space Shuttle *Columbia* on Mission STS-107.

As we say good-bye to Willie McCool, I would like to point out that here he is standing before the shuttle just before leaving with our island flag. Pues adios, Willie; in guaiya hao. In our Chamorro language this means good-bye, Willie; we love you.

Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

Mr. HEFLEY. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.
