

For those who think we have no reason to fight, no reason to ever go to war, I ask you to envision a Saddam Hussein who is the new hidden financier behind the al Qaeda network, a Saddam Hussein as a secret arms broker for the al Qaeda network, and a Saddam Hussein who has become the new leader of the al Qaeda network.

This is why Americans must choose to put their future in the hands of the American administration, in our own military. Our future and your children is dependent upon us and our Nation protecting itself. This wounded beast, the Iraqis, this wounded beast, the al Qaeda network, will team up and come after us like a wounded beast, like a wounded bear.

In addition, America lives by a moral obligation to lift up the weak, defend the oppressed, and free those too enslaved to free themselves. We come as liberators not conquerors. We have proven our just and true intentions in liberating other Islamic nations like Kuwait, like Bosnia, like Afghanistan. We have shown the Muslim world that we can help you be free and respect your faith.

So rise up, people of Iraq, overthrow the Butcher of Baghdad. Begin to dream now of how you can rebuild your nation, how you can choose to institute a representative form of government of your own choosing. You need not be content with the mediocrity imposed upon you. Your Iraqi brothers and sisters will return to your homeland from exile. They will help rebuild your nation. This is your chance, a second chance to breathe free. Rise up now and help the American liberators.
