

School, he played basketball while there and was a guard and outside linebacker on the Thunder football team. After graduation, Cpl. James joined Company C of the 6th Engineer Support Battalion to help pay for college. He was studying to be a physical fitness trainer at Southern Illinois University at Edwardsville. James' unit was fully mobilized on January 14, 2003 and he was deployed to the Persian Gulf in February. According to Gunnery Sergeant James Howard of the Naval and Marine Corps Reserve Center in Peoria, Evan James achieved his corporal's rank faster than most Marines, and was very professional with leadership abilities beyond his age. Captain John Bruzza called James a model Marine and a good leader who performed well above his pay grade. James' aunt Diane Kornegay said this about her nephew: "They wanted a few good men and in Evan they got the best If you met him you would love him. He was that kind of person and we're just very proud of him for the person he was."

On behalf of the communities in western and central Illinois, I would like to extend my thoughts and prayers to the James family at this difficult time. Corporal Evan James' courage in serving his country will not soon be forgotten.

FLOYD SPENCE POST OFFICE
BUILDING

SPEECH OF

HON. HENRY E. BROWN, JR.

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 26, 2003

Mr. BROWN of South Carolina. Mr. Speaker, I rise today to honor the memory of the late Congressman Floyd Spence and to commend his extraordinary career as a servant to the nation and to the people of South Carolina. Floyd was a true leader dedicated to preserving the American way of life, and he did so for over forty years in both the South Carolina state delegation and the United States House of Representatives. Serving as the chairman for the House National Security Committee from 1995–1999 and for the Armed Services Committee from 1991–2001, he was an advocate for heightened national security and for increased military funding. He drew his passion for the military from his own personal experiences of serving in the navy reserves for more than forty years. It was no secret that defending the nation was his top political priority. Congressman Spence was also an ardent voice against big government, which kept his platform focused on the needs of his fellow South Carolinians and away from that of sweeping federal legislation.

It is well fitting that the facility of the United States Post Office in Lexington, SC, honors Congressman Spence's memory by bearing his name. He was deeply committed to public service, a leader of our nation, and a passionate supporter of national defense. We all mourned his loss when he passed away and can still feel his absence during this time of national crisis. I am proud to say that his diligent efforts as Chairman of the Armed Services Committee have helped prepare the nation for the present war and we all owe Congressman Spence a debt of gratitude for his work in shaping the military into what it is today. Seldom will you ever find a truer American than Floyd Spence, and I am proud to have served with him in Congress and to call myself a fellow South Carolinian.

HON. DONALD M. PAYNE

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 1, 2003

Mr. PAYNE. Mr. Speaker, it is with great pride that I rise today to recognize Dr. and Mrs. Frank Light for their many contributions to health care in my district and around the world.

As a member of Rahway Hospital's Medical/Dental staff since 1973 and long-time trustee of the Rahway Hospital Foundation, Dr. Light is a very active member within his hospital community. Dr. Light is also an active member of the American Society of Anesthesiologists as well as former board member and president of the John E. Rannels County Hospital and the Family and Children's Society, Counseling, Testing and Adoption Center.

In addition to their contributions within the hospital community, Dr. and Mrs. Light have

dedicated their time to helping provide free health care to needy children around the world through Healing the Children Midlantic, Inc. As a member of the International Relations Committee, I am very aware of the need for quality medical care for children around the world, and am extremely appreciative of Dr. Light's efforts over the past twenty-five years as part of a medical team that has traveled to many countries to provide such medical services.

Dr. and Mrs. Light have also provided a home to many children while they undergo medical treatment and surgery in this country. They are able to give love to these children while they are far away from their loved ones as well as support while they undergo medical procedures. Dr. and Mrs. Light have dedicated their lives to bettering the lives of children around the world.

Mr. Speaker, I know that my colleagues here in the U.S. House of Representative join me today as I recognize Dr. and Mrs. Light and their innumerable contributions to the medical community and to the health and future of children around the world. It is selfless acts such as these that set an example for the rest of the world.

NORTHERN IRELAND PEACE AND
RECONCILIATION SUPPORT ACT
OF 2003

HON. RAHM EMANUEL

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 1, 2003

Mr. EMANUEL. Mr. Speaker, on behalf of more than 25,000 of my constituents who are of Irish descent, I rise in strong support of H.R. 1208, which recognizes the importance of funding the peace process in Northern Ireland.

The people of Ireland, the people of Great Britain are long-standing friends and allies of the United States and the American people. In these difficult times, we are deeply grateful for their partnership in the coalition against terror and their invaluable contributions in the war in Iraq.

Our investment in the International Fund for Ireland contributes to strengthening relations and creating thousands of new jobs and businesses for Catholics and Protestants in Northern Ireland. Importantly, more than 80 percent of the Fund's contributions have targeted disadvantaged areas by offering job training programs for unemployed youth and through the economic, social, and physical regeneration of deprived areas.

We should continue to support the Fund's community-building programs promoting greater dialogue and understanding between Catholics and Protestants. We should also help advance the Fund's role in the development of a new generation of leaders in Northern Ireland in order to bring about a more peaceful and prosperous future in the region.

The Good Friday Agreement of 1998, which called for basic human rights and marked the first meaningful step toward reconciliation in Northern Ireland was suspended last year. Elections in May will determine the future prospects of the agreement, which makes this resolution especially relevant and timely.

Mr. Speaker, our shared goal with Ireland is for all Catholic and Protestant families to live
