

Question: But Senator Warner, what about current commanders? It is reported this morning, Army—(inaudible)—Army colonel—(inaudible)—concerned about doing this war—(inaudible)—not bring enough—(inaudible)—

Sen. WARNER. Well, there's always, during any conflict, going back to George Washington, complaints among his forces. I have personally been involved in the wars in Korea, and Vietnam, and Panama, and Somalia—and I could go on for a few more, and I think Duncan, you've been in them—but that's all right, we'll take that in stride. I'm more concerned about the very senior officers who by virtue of their training and experience have a lot of credibility, and I think that if they have criticism, fine. Call up the chairman—

General RICHARD MYERS. You bet.

Sen. WARNER: You'd take the call?

Gen. MYERS: Absolutely.

#### PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and

were referred or ordered to lie on the table as indicated:

POM-72. A concurrent resolution by the House of the Legislature of the State of New Hampshire relative to a peaceful and rapid resolution of the conflict between India and Pakistan relative to the state of Jammu and Kashmir; to the Committee on Foreign Relations.

#### HOUSE CONCURRENT RESOLUTION 16

Whereas, the people of the former Princely State of Jammu and Kashmir have for the past 55 years been subjected to documented and unspeakable human rights abuses, including the execution of civilians, the rape and burning of women, the immolation and mutilation of children, the deliberate shelling of civilians by military artillery, and the torture and murder of political detainees; and

Whereas, 2 wars between India and Pakistan, in 1965 and 1971, failed to justly resolve either the issue of self-determination or the ongoing and egregious violations of human rights; and

Whereas, the threat of nuclear war between India and Pakistan has reached unprecedented levels because of the volatility of the issues attendant to the accession of Kashmir; and

Whereas, resolution of this conflict, the cessation of atrocities, and the reduction of the threat of nuclear war is unquestionably in the best interests of the people of the state of New Hampshire, the United States of America, and the world community of nations: Now, therefore, be it

*Resolved by the House of Representatives, the Senate concurring:*

That the New Hampshire general court, fully mindful of the sacred obligation embodied in our state motto, "Live Free or Die," respectfully requests that the United States Senate and the United States House of Representatives immediately initiate hearings to discern all relevant facts and circumstances attendant to the Kashmiri conflict so as to facilitate its just, peaceful, and rapid resolution; to bring a cessation of atrocities against the people of Jammu and Kashmir; and to minimize the threat of nuclear war in Southwest Asia; and

That the New Hampshire general court hereby calls upon all parties to this conflict to adhere to the principles of the United Nations Charter on Human Rights forthwith, and grant observers from Amnesty International and Human Rights Watch free and unrestricted access to the entire State of Jammu and Kashmir to monitor the status of human rights therein; and

That copies of this resolution be sent by the house clerk to the President of the United States, the Vice President of the United States, the Speaker of the United States House of Representatives, and the New Hampshire congressional delegation.

POM-73. A concurrent resolution adopted by the Legislature of the State of Michigan relative to federal transit funding for highways and transit programs; to the Committee on Environment and Public Works.

#### SENATE CONCURRENT RESOLUTION NO. 1

Whereas, Michigan faces a difficult task in maintaining a transportation network that meets the many needs of the individuals and businesses of this state. This challenge is made more difficult because of the fact that Michigan receives in return from the federal government far less in highway funding than we send to Washington; and

Whereas, under the provisions of the Transportation Equity Act for the 21st Century, Michigan currently receives approximately 90.5 cents in return for every highway dollar we send to the federal government. While this is a notable improvement

from the amounts received in prior years, it remains inadequate for our state's considerable overall transportation needs. In the area of transit, the deficiency of funding received from Washington is much more severe, with Michigan receiving only about 50 cents for each dollar we send through taxes; and

Whereas, this shortfall will present significant problems to certain aspects of our transportation infrastructure. As discussions take place on future funding mechanisms and the next federal transportation funding bill, it is imperative that a fairer approach be developed: Now, therefore, be it

*Resolved by the senate (the house of representatives concurring),* That we memorialize the Congress of the United States to establish a minimum rate of return of 95 percent of Michigan's federal transportation funding for highway and transit programs; and be it further

*Resolved,* That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

POM-74. A resolution adopted by the Senate of the State of Michigan relative to the United States Coast Guard Cutter Bramble; to the Committee on Commerce, Science, and Transportation.

#### SENATE RESOLUTION NO. 21

Whereas, Since its launch in 1943, the United States Coast Guard Cutter Bramble has served our nation in a variety of capacities. Following its six decades of service, the 180-foot buoy tender is scheduled for decommissioning in the spring of 2003; and

Whereas, The people of Port Huron, the home port of the Bramble since 1975, feel a strong sense of identity with the vessel. As a result, local citizens are working hard to make the cutter a permanent educational and historical resource of Port Huron by securing title and ownership for the Port Huron Museum of Arts and History. Members of the community have expressed a commitment to renovating the Bramble for its new role and maintaining it for the future; and

Whereas, The history of the missions undertaken by the Bramble will serve as a visible reminder of the many ways the Coast Guard serves our nation. The cutter's work during World War II, its journey through Arctic waters and the Bering Straits to the Atlantic in 1957, and its long years working to secure navigation and safety along the Great Lakes will provide invaluable lessons for visitors, especially children; and

Whereas, Legislation has been introduced in Congress to provide for the Coast Guard to convey the Bramble to the Port Huron Museum of Arts and History after decommissioning: Now, therefore, be it

*Resolved by the senate,* That we memorialize the Congress of the United States to enact legislation to provide for the United States Coast Guard to transfer ownership of the decommissioned Coast Guard Cutter Bramble to the Port Huron Museum of Arts and History; and be it further

*Resolved,* That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

POM-75. A concurrent resolution adopted by the Legislature of the State of South Dakota relative to memorializing the Congress to refrain from acquiring certain additional land for Wind Cave National Park; to the

Committee on Energy and Natural Resources.

#### HOUSE CONCURRENT RESOLUTION NO. 1019

Whereas, the United States Congress is considering legislation to add more than 5,500 acres to Wind Cave National Park; and

Whereas, Wind Cave National Park, located in the southern Black Hills, is the location of one of the longest and most complex cave systems in the United States and includes 28,000 acres of mixed-grass prairies and pine forests that provide habitat for bison, deer, elk, and many other species; and

Whereas, the proposed addition would involve the purchase of similar adjacent, private land; and

Whereas, residents of Custer and Fall River counties by a large margin do not support the proposed purchase of additional property for Wind Cave National Park; and

Whereas, the proposed purchase would reduce property tax revenues to Custer County and the Hot Springs School District, and federal payments in lieu of taxes would not be sufficient to make up for the loss; and

Whereas, the National Park Service prohibits hunting in Wind Cave National Park and would prohibit hunting in the additional areas to be purchased, and the National Park Service does not have a strong record in the area of wildlife management; and

Whereas, the purchase price for the proposed additional acres is higher than warranted and would drive the price of land in the area beyond the reach of agricultural producers: Now, therefore, be it

*Resolved, by the House of Representatives of the Seventy-eighth Legislature of the State of South Dakota, the Senate concurring therein,* That the South Dakota Legislature does not support the proposed purchase of additional land for an expansion of Wind Cave National Park currently under consideration by the United States Congress. The Legislature urges Congress to refrain from making the purchase and to allocate the resources intended for the purchase to more appropriate purposes.

POM-76. A concurrent resolution adopted by the Parish of Ascension of the State of Louisiana relative to establishing a national energy policy; to the Committee on Energy and Natural Resources.
