

Congratulations, Patricia Harper Garrett. Thank you for your service, and enjoy your retirement.

TRIBUTE TO GEORGE RYAN

HON. SCOTT MCINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Monday, June 9, 2003

Mr. MCINNIS. Mr. Speaker, it is with a profound sense of pride that I stand before this Congress and this Nation to pay tribute to an outstanding educator, coach and leader from my district. George Ryan of Grand Junction, Colorado spends most of his time with the student-athletes of the area, providing them with leadership, and direction. I am honored to recognize his accomplishments here today.

George grew up interested in sports, and worked hard to receive a football scholarship to Youngstown College but enlisted in the armed forces to dutifully serve our country. One of the greatest things to happen to George was being stationed at Fort Carson in Colorado, where he met a young nursing trainee who would soon become his wife, Mary Ann. The couple soon wound up in Grand Junction, where George became a teacher and coach.

George's interest in our Nation's youth led him to serve on the District 51 school board. After some time there, he shifted his volunteer time to athletics and began to officiate at track meets. He worked as an insurance claims adjuster during the day, so he could provide some financial stability for his family. His hard work on the track garnered George quite a reputation as a track official, where he worked 15 State Track Championships. George was so good at his job that he received an invitation to the NCAA Track Championships in 1982, working the hammer throw, discus, and the javelin. He enjoys officiating track meets and working with young people so much that it has become his number one hobby.

Mr. Speaker, I am honored to stand before this Congress and this Nation to praise George Ryan. George has provided the city of Grand Junction with an exemplary model of community service. He has spent countless hours helping children engage in sports, while providing them with a role model they can look up to and admire. Thank you, George, for your years of service.

RECOGNIZING AND COMMENDING ALL WHO PARTICIPATED IN AND SUPPORTED OPERATION ENDURING FREEDOM IN AFGHANISTAN AND OPERATION IRAQI FREEDOM IN IRAQ

SPEECH OF

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 4, 2003

Mr. HASTINGS of Florida. Mr. Speaker, I rise today in support of H. Con. Res. 177. This resolution acknowledges the accomplishments of the U.S. armed forces and expresses the deep gratitude of the nation to the 21 steadfast allies and coalition members in Afghani-

stan and Iraq. It also commends Defense Department civilians and contractors for their work and support.

It is a privilege to take a few minutes to pay tribute to the men and women who distinguish themselves daily in selfless service to this nation. More than 1.4 million men and women make up America's active and reserve forces, and over 300,000 of them are deployed for military action in Afghanistan and Iraq.

In addition to their duties as soldiers, members of the armed forces also serve as our nation's unofficial ambassadors. They represent the very best of what this nation stands for—honor, loyalty, and a commitment to enhancing freedom and democracy throughout the world. The men and women now serving in Iraq and Afghanistan have the unique opportunity to demonstrate to the world that the United States cannot only win wars, it can help emerging nations become self-governing as well. Maintaining the peace and nation building in these two countries promises to be a lengthy and time-consuming process. I am pleased to offer my support to this resolution and call on my colleagues on both sides of the aisle to reaffirm our commitment to our nation's goals in these two countries.

H. Con. Res. 177 also conveys the deepest sympathy and condolences to the families of service members killed or wounded during these operations, and calls on communities across the country to prepare appropriate ceremonies to commemorate with tributes and days of remembrance their service and sacrifice.

Sixty-seven United States military and civilians lost their lives in Afghanistan and 140 died in Iraq so far. By any measure, their contributions, in terms of human sacrifice, are immense. As a nation we share the sense of loss that their families are experiencing. We must never forget that the peace and prosperity that we enjoy are founded on the ultimate sacrifices made by those who have lost their lives in war throughout our nation's history.

EDUCATION, JOBS, BENEFITS, AND PRESCRIPTIONS FOR OUR NATION'S VETERANS

HON. BOB FILNER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, June 9, 2003

Mr. FILNER. Mr. Speaker and colleagues, I rise today to urge support for four bills that I have introduced to address several needs of our veterans and to ensure their well-being.

The first bill (H.R. 1924) deals with education benefits. Last year, one very important piece of the Fiscal Year 2003 National Defense Authorization Act that Congress passed was a provision that extends the time limit for members of the Selected Reserve to use their Montgomery GI Bill (MGIB) education benefits from 10 years to 14 years. Prior to the passage of this law, these MGIB participants had only 10 years from their release from military service to use these earned education benefits.

Many times, veterans with families, work commitments, and economic difficulties are unable to fulfill all their requirements to receive a degree or certification within this 10 year pe-

riod. In passing last year's Defense Authorization Act, Congress recognized this difficulty for members of the Selected Reserve. Also recognizing that 10 years may not be long enough for certain individuals, the VA Secretary has limited discretion to grant time extensions to those who are unable to use their benefits due to mental or physical handicaps.

It is clear that life in 2003 can make it difficult to finish an education in the allotted time frame. I believe it is time to extend the time period for *all* the participants of the MGIB. Therefore, I have introduced H.R. 1924, "The Montgomery GI Bill Flexibility Act", which will allow all participants up to 14 years to complete their education. This bill will ensure that more of our veterans are able to avail themselves of the educational opportunity that the MGIB affords them—the educational opportunity that they earned.

A second bill, H.R. 1920, "Let U.S. Veterans Rebuild Iraq Act", does just what the title says. It would guarantee jobs to veterans with companies that are awarded government contracts to rebuild Iraq. We have all rallied to support our troops as they waged Operation: Iraqi Freedom. But often, after the troops come home, our veterans are not treated with the respect that they deserve. It is most important to ensure that there are jobs for our nation's veterans, both new veterans and older. We are still fighting homelessness among veterans, a national disgrace. One way to better the lives of many veterans is to include them in the job of rebuilding Iraq. They fought for freedom for Iraq. Let's get them involved with helping to secure the future for Iraq.

My third bill, H.R. 1347, "The Former Prisoners of War Equitable Dental Benefits Act", is legislation that I introduced in the 107th Congress and that passed the House of Representatives, but not the Senate. This bill is supported by the Department of Veterans Affairs. It would eliminate the "time of internment" requirement for former prisoners-of-war (POWs) in order to be eligible for outpatient dental care benefits at the VA.

No one can deny that former POWs have sacrificed greatly in defense of their country. Unfortunately, their sacrifices continue. Reports have shown that POWs are at higher risk for a number of disabling conditions associated with exposure to infectious disease, inclement weather, and malnutrition.

Currently, the law states that eligibility for outpatient dental care benefits only applies to former POWs with 90 days or more of internment. As you can imagine, this time requirement has been difficult for the VA to administer and to justify to the veterans seeking dental care. Former POWs are often confused about this time requirement. Who could say that our POWs in Iraq did not suffer because they were not imprisoned for 90 days? H.R. 1347 eliminates the arbitrary distinction between former POWs who have all paid dearly for their service.

Fourthly, I have learned that VA doctors are not allowed to prescribe more than a 1 month prescription for controlled drugs, such as pain killers used for chronic conditions. But many veterans who have these prescriptions have been treated with the same medications for years and show no signs of abuse. H.R. 1921, the "Continuity of Care for Veterans with Chronic Conditions Act", would allow VA doctors to write a three-months prescription for these veterans who demonstrate no sign of

abuse of their medication. This bill would make it more convenient for sick veterans to get their medication and would ensure that no gap time exists when veterans are without their medication.

Education, jobs, benefits, and prescriptions for our nation's veterans. I urge your support for this legislation!

TRIBUTE TO LEE M. ANCELL SR.

HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Monday, June 9, 2003

Mr. McINNIS. Mr. Speaker, it is with profound sadness that I take this opportunity to pay tribute to the life and memory of a veteran from my state, Lee M. Ancell, Sr. Lee passed away recently at the age of 88. As his family mourns their loss, I would like to take this moment to pay tribute to his life and accomplishments here today.

Lee was a part of what many call the "greatest generation," and when the United States entered World War II, he dutifully answered his nation's call by enlisting in the Army Air Corp. After his discharge, Lee returned to marry Margaret Galloway. Lee and Margaret lived a long life together, as their marriage spanned 53 years. After moving to Cortez, Colorado, Lee became involved in a number of groups and organizations. He enjoyed membership in groups like the National Rifle Association, the VFW, and the National Water Well Drillers Association. He was also a respected leader of the 4-H Club. Lee spent his free time engaging in a variety of activities, including welding, hunting, fishing, and playing the guitar. A family man, Lee is survived by three children, six grandchildren, and one great grandchild.

Mr. Speaker, I am honored to stand before this Congress and this nation to pay tribute to the life and legacy of Lee Ancell, Sr. Lee was a solid contributor to his community and his nation, and I am grateful for his service. My thoughts and prayers go out to Lee's family and friends.

TRIBUTE TO JERLEAN BARRON

HON. KENDRICK B. MEEK

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, June 9, 2003

Mr. MEEK of Florida. Mr. Speaker, I rise to pay tribute to Mrs. Jerlean Barron, who will be retiring from the Dade County Public Schools at the end of this school year. Mrs. Barron is the very definition of a strong person. She dedicated her life to serving her family and her community, and she did both with distinction.

Mrs. Barron was born and raised in Baxley, Georgia and is a product of the Appling County Public School System. She attended Appling Elementary and Secondary Schools.

Mrs. Barron is a role model who demonstrated daily how to overcome obstacles. After raising six of her biological children, she took on the responsibility of raising four of her grandchildren. Mrs. Barron was always there to support her grandchildren morally, emotionally, spiritually, and even financially in their pursuits.

Mrs. Barron has had to deal with hard decisions in her life. Her husband and daughter became terribly ill, and she was responsible for their care. During this difficult time, and despite the tremendous effort it took, she nonetheless continued to give great help and service to the Phyllis R. Miller Elementary School.

Mrs. Barron's dedication, loyalty, compassion, and involvement will be greatly missed. She showed students and faculty alike, by her example, how to make lemonade from the lemons life gives them, and in doing so she contributed greatly to the Miami-Dade community.

Mr. Speaker, I know that my colleagues join me in recognizing Mrs. Jerlean Barron for her work, in thanking her for her service and in wishing her much happiness in her retirement.

HONORING ROBERT
KREAMELMEYER

HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Monday, June 9, 2003

Mr. McINNIS. Mr. Speaker, it is with a heavy heart that I stand before this body of Congress to pay tribute to Robert Kraemelmeyer, who recently passed away after many years of public service. Robert devoted his life to serving his community and this devotion will not be forgotten.

Robert began his life of public service when he left college to join the Air Force and serve in World War II, stationed with the 423rd squadron—306 Bomb Group in England. After the war, Robert returned to the United States and moved to Golden, Colorado. While in Golden, Robert began a career as plumber, and dedicated much of his time to his community. He spent a lot of time as the Scout Master of Troop 48. Robert knew that he could make a difference in the lives of America's youth, so he purchased some property in the Williams Fork area, which he turned into a summer ranch for boys. He ran the ranch until his move to Montrose, Colorado in 1972. While in Montrose, Robert got involved in politics, and continued to serve his community as a city councilman and town mayor. While serving as the Mayor of Montrose, Robert worked hard to serve his community to the best of his ability.

Mr. Speaker, I am honored to stand before this Congress and pay tribute to the life and accomplishments of Robert Kraemelmeyer. Robert was an outstanding role model. I am saddened by the loss of such a good man, but am happy knowing he had such a positive impact on so many young people in his community. My thoughts and prayers go out to Robert's family and friends.

ARMED FORCES NATURALIZATION
ACT OF 2003

SPEECH OF

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 4, 2003

Mr. HASTINGS of Florida. Mr. Speaker, I rise today in strong support of the Armed Forces Naturalization Act of 2003.

As of February 2003, there were 37,000 non-citizens serving on active duty in the U.S. armed forces. Moreover, almost 12,000 foreign nationals were serving in the selected reserves, and another 8,000 were serving in the inactive National Guard and ready reserves.

Their red, white, and blue patriotism has contributed extraordinarily to national security. Every single one of these heroes, courageous defenders of lady liberty—from the Philippines, Mexico, Jamaica, Haiti, among many other source countries—deserves an expedited procedure for citizenship.

Mr. Speaker, as of February 2003, there were 1,663 non-citizen members of the U.S. military whose unit was stationed in Florida. Every single one of them has made the commitment to risk his or her life to defend the United States of America.

Volunteering to serve in the U.S. armed forces exemplifies one of the important roles of a citizen. On April 14, 2003, Captain Armando Ariel Gonzalez, a Florida non-citizen resident, was killed in a non-hostile accident when a commercial refueler collapsed at a supply area in Southern Iraq.

Once more, I wish to express my deepest condolences to the Gonzalez family, and at the same time offer all my support and prayers. This tragedy only crystallizes the great risk and danger the brave members of the all-volunteer military experience in the name of the people of the United States.

We must never forget that the peace and prosperity that we enjoy are founded on the ultimate sacrifice made by all those who have lost their lives in war throughout our nation's history.

We have witnessed the commitment of non-citizen soldiers to the United States during the war in Afghanistan and Iraq. They have earned our gratitude and admiration. We must now accord them our appreciation and respect.

I support The Armed Forces Naturalization Act of 2003 because it,

(a) Ensures the ability of lawful permanent resident spouses, unmarried children, and parents of soldiers killed as a result of service in the U.S. military to apply for citizenship;

(b) Speeds up the naturalization process by allowing military members to naturalize after serving one year in the military, waive naturalization fees, and allow naturalization interviews and oath ceremonies to take place abroad, and

(c) Waives posthumous citizenship fees.

I am pleased with the bill proposed today, but urge my colleagues to further facilitate the naturalization process to these heroes and their loved ones.

HON. JERRY F. COSTELLO

IN THE HOUSE OF REPRESENTATIVES

Monday, June 9, 2003

Mr. COSTELLO. Mr. Speaker, I rise today to ask my colleagues to join me in recognizing the distinguished career and retirement of Jo Ann Pisel, Executive Director of Call for Help Incorporated from 1976 to 2003.
