

He went to work for Southwestern Bell in 1949 and joined the Communications Workers of America, Local 6222 on the same day. During his 22 years with Southwestern Bell, Joe spent 11 years in full-time service to Local 6222.

Joe ran for job steward and was easily elected. Within a very short time, he ran for Chief Steward and was again elected. Always looking for more challenges, Joe ran for and was elected first as a vice president and then as president of Local 6222. That is when I met Joe in 1972.

In a short time, Joe was elected and served as a vice president and as the president of the Harris County AFL-CIO.

In January, 1979, Joe was elected as the secretary-treasurer of the Texas AFL-CIO. He served in this capacity until his election as president on July 29, 1989.

But Joe's life has involved more than the CWA or the AFL-CIO. Joe also served for seven years as a Commissioner on the Texas Employment Commission, the precursor to the Texas Workforce Commission. He was first appointed to this position by former Governor Dolph Briscoe.

He has also served his community by holding such positions as vice president of the Harris County United Way, the Houston Council Boy Scouts Executive Council, and youth director of his church.

Joe is married to Dorothy Ann Taylor Gunn. They have ten children, six of which were foster children. He and his wife attend the United Methodist Church in Austin.

Joe Gunn never forgot that his purpose was to improve the working conditions of all Texans. He has always represented workers and has worked tirelessly for a safe workplace, fair pay and respect for all employees, union and non-union.

He is a legend and a force in Texas politics and will not be forgotten or easily replaced.

Mr. Speaker, I ask my colleagues to join me in thanking Joe Gunn for his many years of service and to wish him well in his retirement.

#### HONORING THE DISTINGUISHED PUBLIC SERVICE OF BILL JONES

### HON. BART GORDON

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 24, 2003*

Mr. GORDON. Mr. Speaker, I rise today to recognize the outstanding service of

Murfreesboro, Tennessee, Police Commissioner Bill Jones, who will retire from his post on August 31 after 47 years of law enforcement work.

Bill Jones became the police commissioner in my hometown of Murfreesboro 16 years ago. Since then, he has initiated a number of programs that have bolstered law enforcement and enhanced the quality of life in Murfreesboro. My hometown has experienced tremendous growth during Bill's tenure as police commissioner. The police department has doubled in size, but more importantly, the expansion of the department has been an efficient one.

Bill started his career in law enforcement as a Tennessee state trooper shortly after returning home from service in the United States Navy during the Korean conflict. Bill rose through the ranks of the Tennessee Highway Patrol before finally leading the organization as its safety commissioner.

After nearly half a century in law enforcement, Bill has decided to remove the badge and enjoy his family without any distractions. The community of Murfreesboro, as well as the state of Tennessee, has been served well and with distinction by Commissioner Jones. I congratulate him for his tireless, dedicated service to law enforcement and wish him well in his retirement.

#### EXPRESSING SYMPATHY FOR VICTIMS OF ALGERIAN EARTH- QUAKE

### HON. JOSEPH R. PITTS

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 24, 2003*

Mr. PITTS. Mr. Speaker, I stand in strong support of H. Res. 264 expressing sympathy for the victims of the devastating earthquake in Algeria on May 21, 2003.

Natural disasters, such as earthquakes, can wreak havoc in a community or nation.

At times like these, it is vital to come to the support and aid of our friends.

I am pleased that our nation has assisted the Algerians in the emergency phase of their response to the earthquake and I encourage our government to support the Algerians as they seek to rebuild their homes and communities.

Algeria is an important partner and friend of the United States in many respects, not the least of which is in the war against terror—the Algerians have experienced the horrors of terrorism in their own land for many years.

I urge my colleagues to support this resolution.

#### TRIBUTE TO PUEBLO COMMUNITY

### HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 24, 2003*

Mr. McINNIS. Mr. Speaker, I rise before this body of Congress today to recognize an academic institution that has served Pueblo, Colorado for the last 70 years. Pueblo Community College (PCC) has maintained its focus on quality education over the course of a lifetime

as it has expanded to meet the state's needs. As we reflect upon this 70th anniversary, I commend Pueblo Community College for the positive impact that it has had upon individuals and families throughout the State of Colorado.

Pueblo Community College traces its origins back to the incorporation of Southern Colorado Junior College in 1933. Since the original graduating class of 17 in 1935, enrollment at PCC has increased enough to warrant expanding to three additional campuses in Cañon City, Durango, and Cortez. The total enrollment in PCC now exceeds 5,000 students, all of whom value PCC's affordability, flexible hours, and varied degree programs.

More than half of Pueblo Community College's students are employed and would not have access to higher education if not for the flexibility offered by Pueblo Community College. Students at PCC have the opportunity to work toward Certificates of Completion, Associate of Science, Associate of Arts, Associate of General Studies, and Associate of Applied Science degrees. The assortment of programs allows first-time college students and working adults alike the opportunity for a brighter future.

Mr. Speaker, I am honored to pay tribute to Pueblo Community College before this body of Congress and this nation. PCC provides many Coloradans access to higher education and the skills necessary for a successful career. I congratulate Pueblo Community College on its success and commend the institution for the positive impact that it has made upon Colorado's citizens for the past 70 years.

IN HONOR OF THE 100TH ANNIVERSARY OF THE SOUTH HAVEN LIGHTHOUSE

**HON. FRED UPTON**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 24, 2003*

Mr. UPTON. Mr. Speaker, I rise today to recognize the centennial of one of southwest Michigan's most famous landmarks: the three-story red lighthouse located in the beautiful community of South Haven. Artifacts such as this lighthouse are of tremendous historical value. These symbols of our heritage stand as a remembrance for generations to come. This 11-foot wide, 36-foot tall structure was constructed in 1903. Its red-case iron structure has always been one of its defining characteristics, making it easily identifiable to lighthouse enthusiasts and area historians. In fact, a new book has been published by the Michigan Maritime Museum depicting history of this lighthouse in honor of its 100th anniversary. As all folks who live, work, or grew up on the shores of Lake Michigan know, lighthouses provide an invaluable service to communities and commerce of the Great Lakes. I am proud that the South Haven lighthouse has reached its 100th anniversary and I am hopeful that it will survive 100 years more.

TRIBUTE TO DANNY GALLACHER

**HON. SCOTT McINNIS**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 24, 2003*

Mr. McINNIS. Mr. Speaker, I would like to take this opportunity to honor the life of Danny Gallacher who recently passed away. A long-time resident of Glenwood Springs, Colorado, Danny made significant contributions to his

community as a leader and role model for others.

Danny and Mary raised four boys, eventually enlisting their help in running a number of family business ventures, which included a service station and a diner that eventually became a full-service restaurant and bar. One of Danny's major contributions to his community was his service as a counselor at the drug and alcohol detoxification center he helped establish.

Mr. Speaker, it is with profound sadness that I recognize the life and passing of Danny Gallacher. Danny will be especially missed by his family, friends, and the many people who knew him in the Glenwood Springs community. My thoughts and prayers are with them during this difficult time.

TRIBUTE TO BOB STUMP

**HON. CHRISTOPHER H. SMITH**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 24, 2003*

Mr. SMITH of New Jersey. Mr. Speaker, I am deeply saddened by the loss of a former colleague, friend, and mentor, the Honorable Bob Stump of Arizona. My thoughts and prayers are with his wife Nancy, his children, Karen, Hoot, and Bruce, as well as his grandchildren, other family members and friends who loved him.

From his enlistment in the Navy during World War II at the age of 16, to his extraordinary leadership as chairman of the Veterans' Affairs and Armed Services Committees in the House of Representatives, Bob Stump was a true American hero.

Bob Stump served with distinction in Congress for 26 years, including 6 years as chairman of the Committee on Veterans' Affairs, and 2 years as chairman of the committee on Armed Services. Chairman Stump used his influence to promote responsible legislation to assist and honor our nation's veterans.

Under Bob Stump's leadership, Congress increased funding for veterans health care; expanded access to long term care for aging veterans, including nonhospital alternative care; reformed eligibility standards for access to VA health care; extended the national cemetery system, including Arlington National Cemetery; increased assistance to disabled veterans and their survivors; and strengthened the Montgomery GI Bill that has helped millions of veterans fulfill their educational and career goals.

A modest man who preferred to shun the spotlight, Bob Stump's life and his legacy will continue to shine brightly for generations of service men and women to come.

Mr. Speaker, Bob Stump was the chairman of the Committee on Veterans' Affairs from 1995-2000, and its ranking minority member for the 2 previous years. He served as a member of the Committee for a total of 14 years. During his tenure as chairman, he compiled a distinguished record of legislation that is a major part of his legacy of public service. As his successor as chairman of the Veterans' Affairs Committee, I particularly know and appreciate all that he did for our Nation's veterans, servicemembers and their families by working on a bipartisan basis in cooperation with veterans' service organizations. I want to

take this opportunity to recall the major veterans' legislation he authored, because Bob Stump was not one to trumpet his accomplishments.

In 1996, Chairman Stump initiated and Congress passed important health care eligibility reforms for veterans that removed barriers to outpatient care and allowed greater flexibility to the Department of Veterans Affairs (VA) in paying for care closer to veterans' homes. The savings generated by shifting away from inpatient care and budget increases Bob supported were used to increase ambulatory care visits in fiscal year 2000 to more than 40 million total outpatient visits nationwide, an increase of 5.3 million outpatient visits per year over 1997. As a result of this legislation, the VA established hundreds of new community-based outpatient clinics throughout the Nation to improve veterans' access to health care.

In 1998, Bob Stump initiated and Congress passed the largest benefits expansion for veterans since the Persian Gulf war, including: allowing spouses of veterans who died from a service-connected disability to resume receiving assistance under the Dependency and Indemnity Compensation program if their subsequent remarriage ended; increasing adaptive housing and automobile allowances; increasing the monthly pension benefit for disabled veterans in need of the full time aid and attendance of another person by \$600 per year; and increasing the monthly Montgomery GI Bill payment from \$440 to \$528, a 20-percent increase.

Then in 2000, our former chairman initiated and Congress passed the landmark Veterans Millennium Health Care and Benefits Act, popularly known by many veterans as the Millennium Act, the most comprehensive benefits improvement legislation in decades. Some of its more significant provisions included: mandating nursing home and long-term care for seriously disabled veterans; allowing the VA to pay for emergency care for veterans lacking access to other health care plans; improving priority health care access for Purple Heart recipients and military retirees; improving benefits for surviving spouses of disabled veterans; and increasing programs providing employment and housing assistance to homeless veterans.

Also, Bob Stump greatly appreciated the value of education, and initiated Montgomery GI Bill benefits enhancements that increased the value of the monthly education benefit for veterans by nearly \$100 per month to \$650. The resulting 4-year total basic benefit of \$23,400 for a full-time student at a 4-year institution in the year 2000 was almost 50 percent higher than it was in 1997. This law also contained provisions that allowed servicemembers to contribute more up front to achieve an \$800 per month benefit, and it provided active duty servicemembers a new opportunity to convert their post-Vietnam Era Veterans Educational Assistance Program benefits to the Montgomery GI Bill if they had not done so before or had withdrawn all the funds from their VEAP accounts.

Bob Stump had a particular interest in the national cemetery system, and worked for its expansion. Thanks to his efforts while he was chairman, five new national veterans' cemeteries were opened, adding approximately 835,000 gravesites to our national cemetery capacity. Additionally, legislation he sponsored was enacted to require the VA to plan 6 new
