S. 924

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. FINDINGS.

[Congress finds that:

(1) The continued existence of the village of Newtok, Alaska is threatened by the eroding banks of the Ninglick River.

(2) A relocation of the village will become necessary for the health and safety of the residents of Newtok within the next 8 years.

(3) Lands previously conveyed to the Newtok Native Corporation contain habitat of high value for waterfowl.

(4) An opportunity exists for an exchange of lands between the Newtok Native Corporation and the Yukon Delta National Wildlife Refuge that would address the relocation needs of the village while enhancing the quality of waterfowl habitat within the boundaries of the Refuge.

(5) An exchange of lands between Newtok and the United States on an other than equal value basis pursuant to the terms of this Act is in the public interest.

This additional entitlement shall come from subsurface lands already se-

lected by Calista, but which have not been conveyed. If Calista does not have sufficient subsurface selections to accommodate this additional entitlement, Calista Corporation is hereby authorized to make an additional in lieu selection for the deficient acreage.
