

or bad; it ought to be about doing right and providing a voice for the people of America, including the 6.5 million working families that have been shut out of tax relief.

We are faced with the Nation's largest deficit in our country this year: \$455 billion and growing, a deficit that our kids and grandkids have to pay for, money that is coming from the Social Security trust fund. Yet, the Republican national leadership managed to find a way to cut taxes to the tune of \$300 billion, but they left out 6.5 million working families. They can talk about how these are folks who do not pay taxes all night long; but the reality is, we are talking about men and women in uniform, policemen, firemen, schoolteachers, folks earning up to \$26,625 a year. They have children, and they too deserve the same tax cut as those who earn much more than that.
