

J.P. McCarthy Foundation and the Millie Schembechler Memorial Golf Benefit. He also provides leadership and support for these charities.

In addition to founding numerous charities, "Hoot" McInerney also generously donates to many local, national and international organizations. Among the many charities he supports are several Catholic churches and schools, the Police Athletic League Tournament, Focus: HOPE, Operation Read, Special Olympics, Children's Hospital and the Old Newsboys' Goodfellow Fund of Detroit.

The Goodfellows have given to the needy children of our community by offering emergency dental care, shoes, camperships, college scholarships and a variety of other programs to provide help through tough economic times. The program the Goodfellows are best known for is the gift packages. This year their goal is to buy Christmas gift packages for 41,500 needy Detroit area school children.

On a personal note, I know of no one who has a wider range of friendships than "Hoot".

Mr. Speaker, I ask my colleagues to join me in recognizing this outstanding community leader, Martin J. "Hoot" McInerney as he receives the 2003 Goodfellow of the Year award and to congratulate the Goodfellows as they honor its 89 year-old pledge of "No Kiddie Without a Christmas."

TRIBUTE TO LAFAYETTE COUNTY
HEALTH DEPARTMENT

HON. IKE SKELTON

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 2, 2003

Mr. SKELTON. Mr. Speaker, let me take this means to pay tribute to the Lafayette County Health Department which is celebrating its 50th Anniversary on October 9, 2003.

The Lafayette County Health Department has proudly served the residents of Lafayette County since 1953. In that year, a sixteen member County Health Steering Committee was appointed to analyze various health problems in Lafayette County. In 1957, the steering committee recommended hiring the first county health nurse, Catherine Boedeker Winfrey. It was also in 1957 that the county started receiving public health funds. With the funds, the Lafayette County Health Department started massive polio immunization clinics and started to dispense tuberculosis medicines. They also provided dressings to cancer patients and provided classes in home nursing, first aid, babysitting, and civil defense. Hearing and vision screening were started in the county's schools. The Lafayette County Health Department became the lead agency in coordinating disaster plans for the county.

In 1963, immunization services were expanded to include the prevention of diphtheria, pertussis, tetanus, and the smallpox diseases. The Lafayette County Health Department implemented Maternal Child Health programs to educate the public about prenatal and infant health issues in 1967. Mass immunizations for rubella were available in 1970, the same year that family planning services were offered for the first time. In 1973, child health conferences were started. This program offered free well child check-ups as well as other programs to promote healthy children.

Through the 1980's and 1990's the Lafayette County Health Department continued its many services. In 1980, the department added Environmental Sanitarian services to offer inspections of food establishments and public sanitation outlets. In 2000, the department developed a Mentoring Moms program for mothers in the county.

Mr. Speaker, the Lafayette County Health Department has provided valuable public health services to the people of Lafayette County for the past 50 years. I hope that the other Members of the House will join me in thanking them for their wonderful years of service.

SOUTH SALEM HIGH SCHOOL IN-
DUCTS FIRST ATHLETIC HALL
OF FAME MEMBERS

HON. GREG WALDEN

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 2, 2003

Mr. WALDEN of Oregon. Mr. Speaker, later this evening South Salem High School in Salem, Oregon will kick off the school's 50th anniversary celebration by inducting the inaugural class into its Athletic Hall of Fame. In total, 14 athletes, three coaches, one team and two community boosters will be honored in what I am sure will be a ceremony filled with many memories of the past and pride for what the South Salem "Saxon" community has accomplished.

Lara Tiffin ('86), Athletic Director, Guido Caldarazzo, Interim Principal, and the entire selection committee should be recognized for their enormous contributions in putting together these ceremonies.

Although my district does not include Salem, as a member of the Oregon Legislature I spent much of my time in Salem, and my long time chief of staff and his fiancée are both South Salem graduates, so I feel a part of that community in many ways.

Those of us in Congress who travel extensively throughout our districts recognize the unique role high school athletics plays in our local communities. High school athletics is a bonding experience for the young men and women competitors and a powerful social environment for the student body at large. The athletic fields and gymnasiums of our local high schools are a gathering place for parents, families and community leaders, and the team's accomplishments are often a source of pride for local newspapers and media. Perhaps above all high school athletics is a forum where coaches pass on lessons of life—not just plays from a playbook.

Mr. Speaker, I ask my colleagues to join me in congratulating South Salem High School on its 50th anniversary and congratulating the inaugural class of the South Salem Athletic Hall of Fame. They include: Gary Allen ('63), Gary Barbour ('72), Phil Brus ('72), Phil Burkland ('55), Dana Collins Amack ('56), Gary Edmonds ('68), Scott Freeburn ('67), Bob Horn ('72), Dave Johnson ('63), Daniel Moore ('58), Bruce Patterson ('56), Neil Scheidel ('55), Jack Scott ('57), and Greg Specht ('58) as athletes. Dick Ballantyne (basketball '54-'70), Lee Gustafson (football '54-'60) and Marv Heater (football '61-'72), as coaches. Pappy Aschenbrenner (Principal '54-'72) and Phil

Webb ('54) as special "Community Members." And the entire 1954 football team who in their first year of existence were State co-champions.

Way to go, Saxons!

RECOGNIZING THE WESTMINSTER
AT LAKE RIDGE RETIREMENT
COMMUNITY 10TH ANNIVERSARY
CELEBRATION

HON. TOM DAVIS

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 2, 2003

Mr. TOM DAVIS of Virginia. Mr. Speaker, I would like to take this time to acknowledge Westminster at Lake Ridge Retirement Community as they celebrate ten years of community service on September 19, 2003.

The vision for Westminster started over 25 years ago when the late Myles Golbranson led a group of Presbyterians in creating a life-care community. Several years later, in 1989, Westminster was established and in January of 1993 it opened its doors as a continuing care community, making this vision a reality. Since then, Westminster has remained dedicated to its mission: to provide a continuum of housing, healthcare and related services to older adults that promote independence, dignity and personal fulfillment.

Westminster is a major Prince William County employer and provides a wealth of volunteer opportunities. The residents of Westminster have committed thousands of volunteer hours to local schools, hospitals, and civic and cultural events. For example, the Flying Fingers knit hundreds of caps and blankets each year for newborn babies at Potomac Hospital. Prince William County residents also give back to Westminster; Boy Scouts, Girl Scouts and church groups make regular visits.

Today Westminster has grown to house 400 residents, and opens its doors to countless others involved in the Rotary Club, business networking meetings, support groups, community groups, and local Chamber of Commerce groups. Westminster also holds numerous special events including countywide blood drives, health fairs, and political forums.

For ten years, Westminster, in cooperation with the adult community of River Ridge, has provided invaluable living, volunteer, political and charity opportunities to the Prince William County community. In doing so, Westminster most certainly has fulfilled its mission.

Mr. Speaker, in closing, I would like to thank Westminster at Lake Ridge Retirement Community as they celebrate their 10th anniversary. They have provided a quality retirement lifestyle for active senior citizens, and contributed greatly to the community at large. I ask that my colleagues join me in congratulating ten years of caring, volunteerism, and activism.

IN SUPPORT OF HOSPITALS

HON. JOHN SHIMKUS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 2, 2003

Mr. SHIMKUS. Mr. Speaker, I rise today to express my support for hospitals, both in my

district and throughout the country. Rural hospitals have been especially hard hit, and without the support of two important provisions in the Medicare bill, their livelihood will be threatened.

I support keeping a full market basket for hospitals in HR 1. Without this annual reimbursement adjustment to keep up with inflation, hospitals could stand to lose 12 billion in inpatient payments. For my home state of Illinois, this could mean a loss of \$92 million over three years. Providers, especially those in rural areas like my district, depend on this money to stay open in traditionally underserved communities.

Restoring the Indirect Medical Education payments is another one of my priorities for the Medicare bill. IME payments go to teaching hospitals, whose role is crucial to the survival of our health care system. These payments acknowledge teaching hospitals' higher costs due to the specialized treatment provided to sicker patients. Not only do they provide unique care, teaching hospitals are also producing our next generation of caregivers. Unfortunately, these hospitals will lose more than 4 billion dollars over the next four years because of a cut last year. The reinstatement of the IME to 6.5% would enable these hospitals to continue their mission.

These important provisions will enhance the quality of care and will make a major difference for Medicare beneficiaries all over the country.

I applaud my colleagues on the Conference Committee for the hard work they have done and continue to do to reach agreements for the good of our constituents.

A SPECIAL TRIBUTE TO ASHLAND UNIVERSITY ON THE 125TH ANNIVERSARY OF ITS CHARTER

HON. PAUL E. GILLMOR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 2, 2003

Mr. GILLMOR. Mr. Speaker, it is my distinct privilege to stand before my colleagues in the House to pay tribute to an outstanding institution of higher education. Ashland University is marking a "Year of Celebration" on the occasion of the 125th Anniversary of the school's chartering in Ashland, Ohio.

Ashland, Ohio's original settlers trace their roots back to a small group of "brothers" who emigrated in 1708 from Schwarzenau, Germany in search of religious and intellectual freedom.

Like Ashland's first citizens, the history of this vibrant institution reads as a truly American story. It all began in the summer of 1877 at a town meeting. The German Baptist Brethren Church proposed the establishment of an institution of higher education if the community could raise ten thousand dollars. The resulting fundraising campaign proved successful, and on February 20, 1878, Ashland College was chartered.

Classes started on September 17, 1879 with eight faculty members and between fifty-five and seventy-five students. From this modest beginning, Ashland's enrollment has grown to five thousand six hundred graduate and undergraduate students.

Ashland College became Ashland University in 1989. The University is and remains a lib-

eral arts institution in the finest tradition of higher education. As such, it is a teaching university, empowering its students not only with current knowledge but also with the power of deliberate reasoning to face the challenges and new horizons known only to the future.

I would note that the University's Ashbrook Center for Public Policy is a nationally recognized academic forum for the study, research and discussion of the principles and practices of American constitutional government and politics. The Ashbrook Center's programs are directed to the scholarly defense of individual liberty, limited constitutional government and civic morality, which together constitute our democratic way of life.

Mr. Speaker, truly great institutions of higher education not only educate their students, but also inspire them toward a lifetime of service as well. Indeed, Ashland University's 125 years of teaching provides our state with a rich legacy of intellectual, spiritual, social, cultural and physical development.

I ask my colleagues to join me in recognizing Ashland University's "Year of Celebration," and to extend to the entire Ashland University family our very best wishes.

HONORING RAYMOND G. BOLAND

HON. TAMMY BALDWIN

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 2, 2003

Ms. BALDWIN. Mr. Speaker, I rise today to honor Raymond G. Boland who served as Secretary of the Wisconsin Department of Veterans Affairs for eleven years.

Throughout his tenure, Secretary Boland initiated a number of programs aimed at bettering the lives of Wisconsin veterans. Although it is impossible to quantify all Secretary Boland has accomplished, I would like to highlight three programs that demonstrate his unyielding dedication to veterans.

The 1994 establishment of the Veterans Assistance Program made great strides towards ending homelessness among veterans. In working to better the lives of veterans and increase job accessibility, Secretary Boland implemented the Troops to Teachers Program in 1995. This important program has allowed veterans with baccalaureate degrees to obtain teaching certification at an accelerated pace. Finally, Secretary Boland's dedication to veterans was demonstrated by his 1998 creation of the Wisconsin Women's Veterans program, which continues to focus on the specific needs of women veterans.

Secretary Boland's outstanding work has not gone unnoticed. In 1997, Secretary Boland received the American Veterans Silver Helmet Award as the Civil Servant of the Year. The following year, he was awarded the Department of the Army Distinguished Civilian Service Medal. Most recently, in recognition of his commitment to ending veteran homelessness, Secretary Boland was presented with the second annual Jerald Washington Memorial Founders' Award by the National Coalition for Homeless Veterans.

I am proud today to stand with the Wisconsin Department of Veterans Affairs and veterans of Wisconsin in recognizing Secretary Raymond G. Boland for his outstanding work and dedication to better the lives of veterans.

IN HONOR OF THE 10TH ANNIVERSARY OF THE DALLAS STARS

HON. PETE SESSIONS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 2, 2003

Mr. SESSIONS. Mr. Speaker, I rise today to pay tribute to the 10th Anniversary of the Dallas Stars first regular season NHL hockey game in Dallas. The Dallas Stars had a successful start to their career in Big D, as the Stars defeated the Detroit Red Wings 6-4 at Reunion Arena on October 5, 1993.

In the ten years since the Stars moved to Dallas from their previous home in Minnesota, The Stars have advanced to the playoffs eight years, with playoff berths in 1994, 1995, 1997, 1998, 1999, 2000, 2001, and 2003. The Stars won Lord Stanley's Cup in 1999 in a six-game series against the Buffalo Sabres. The championship Stars team was captained by defenseman Derian Hatcher, the very first American born Captain of a Stanley Cup championship team in the history of the NHL. The Stars then repeated as Western Conference Champions the following year.

In addition to the exceptional record of the Dallas Stars over the past ten years, the moving of the Stars to Dallas has created a huge expansion of hockey throughout our schools and communities in North Texas. Before the Stars came to Dallas, it was almost unheard of for schools to have interscholastic hockey teams. The North Texas community has not only fully embraced the Stars, but has taken a heart to the sport of hockey. Without the Stars, none of this expansion of hockey throughout North Texas would have occurred in such a rapid fashion.

Under the leadership of head coach Dave Tippett, general manager Doug Armstrong, and owner Thomas O. Hicks, the Dallas Stars are poised to start another great season. I wish the Dallas Stars all the best for their season opener against the Mighty Ducks on October 8th at the American Airlines Center in Dallas, and for the rest of the upcoming season. Congratulations to the Stars franchise on their 10th year anniversary of their move to the Lone Star State of Texas.

A PRIVATE SECTOR EFFORT TO IMPROVE CIVIC EDUCATION

HON. PHILIP M. CRANE

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 2, 2003

Mr. CRANE. Mr. Speaker, I would like to acknowledge the award-winning educational videotapes given free to our nation's high schools, community colleges, and others produced by the Committee for Citizen Awareness (CCA). In particular, I would like to focus on those Americans across the country who are working with the CCA to enable these civic videotapes to be seen free by their fellow citizens in their locale.

All Americans can agree on the need for a well-informed citizenry. The involvement of our people in our republic is the guarantee of our freedom. Surveys have shown that the information contained in these videotapes help our citizens understand and exercise their civic responsibility.
