GENERAL LEAVE

Mr. YOUNG of Florida. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and that I may include tabular and extraneous material on H.J. Res. 78.

The SPEAKER pro tempore (Mr. BASS). Is there objection to the request of the gentleman from Florida?

There was no objection.

FURTHER CONTINUING APPROPRIATIONS, FISCAL YEAR 2004

Mr. YOUNG of Florida. Mr. Speaker, pursuant to House Resolution 450, I call up the joint resolution (H.J. Res. 78) making further continuing appropriations for the fiscal year 2004, and for other purposes, and ask for its consideration.

The Clerk read the title of the joint resolution.

The text of House Joint Resolution 78 is as follows:

H.J. RES. 78

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That Public Law 108-84 is amended by striking the date specified in section 107(c) and inserting "November 23, 2003".

SEC. 2. Section 8144(b) of the Department of Defense Appropriations Act, 2003 (Public Law 107-248), as amended by Public Law 108-84, is further amended by striking "November 21, 2003" and inserting "November 23, 2003".

The SPEAKER pro tempore. Pursuant to House Resolution 450, the gentleman from Florida (Mr. YOUNG) and the gentleman from Wisconsin (Mr. OBEY) each will control 30 minutes.

The Chair recognizes the gentleman from Florida (Mr. YOUNG).

Mr. YOUNG of Florida. Mr. Speaker, I yield myself such time as I may consume.

And I will not consume very much time because this continuing resolution simply extends the existing CR until midnight Sunday, this weekend. All conditions, by the way, of the original CR would still exist on this CR. We are reaching the point where we can conclude the appropriations process. Most of the appropriations issues have already been solved and are prepared to be written into a final bill. There are some outstanding issues at a level higher than the Committee on Appropriations that we are trying to apply a little pressure to get settled. Other than that, Mr. Speaker, I would give the House the word that I think we can get this done by Sunday evening, but maybe not. We will do the very best that we can.

As one can imagine, there are an awful lot of issues that we have resolved and are continuing to resolve. We are working steadily. We had a good conference last night. We cleared up a lot of the issues. So, Mr. Speaker, not much more can be said about this.

Mr. Speaker, I reserve the balance of my time.

Mr. OBEY. Mr. Speaker, I simply urge a "yes" vote, and I yield back the balance of my time.

Mr. YOUNG of Florida. Mr. Speaker, I ask for a "yes" vote, and I yield back the balance of my time.

The SPEAKER pro tempore. All time for debate has expired.

The joint resolution is considered read for amendment.

Pursuant to House Resolution 450, the previous question is ordered.

The question is on engrossment and third reading of the joint resolution.

The joint resolution was ordered to be engrossed and read a third time, and was read the third time.

The SPEAKER pro tempore. The question is on the passage of the joint resolution.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mr. OBEY. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX and the Chair's prior announcement, further proceedings on this question will be postponed.

GENERAL LEAVE

Mr. GOSS. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks on the conference report on H.R. 2471.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Florida?

There was no objection.

CONFERENCE REPORT ON H.R. 2417, INTELLIGENCE AUTHORIZATION ACT FOR FISCAL YEAR 2004

Mr. GOSS. Mr. Speaker pursuant, to House Resolution 451, I call up the conference report on the bill (H.R. 2417) to authorize appropriations for fiscal year 2004 for intelligence and intelligence-related activities of the United States Government, the Community Management Account, and the Central Intelligence Agency Retirement and Disability System, and for other purposes, and ask for its immediate consideration.

The Clerk read the title of the bill.

The SPEAKER pro tempore. Pursuant to House Resolutions 451, the conference report is considered as having been read.

(For conference report and statement, see proceedings of the House of November 19, 2003, at page H 11605.)

The SPEAKER pro tempore. The gentleman from Florida (Mr. GOSS) and the gentlewoman from California (Ms. HARMAN) each will control 30 minutes.

The Chair recognizes the gentleman from Florida (Mr. GOSS).

Mr. GOSS. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I am pleased to bring before the House the conference report for H.R. 2417, the Intelligence Authorization Act for Fiscal Year 2004. And I want to personally thank members and staff of the committee for their industry, their skill, their professionalism, and their dedication in crafting what I believe is a strong nonpartisan bill which will see us well through the year.

Perhaps the job was made a bit more difficult this year given the attempts by some in the media and elsewhere to throw American intelligence capabilities into the meatgrinder of partisan Presidential politics, but I am confident that a review of this legislation will show just how successful the members of the House Permanent Select Committee on Intelligence have been in putting the Nation's security needs first, rejecting the divisiveness, the partisan trickery and treachery that has been elsewhere.

H.R. 2417 authorizes funding for all intelligence and intelligence-related activities of the United States Government, the Community Management Account, and the Central Intelligence Agency Retirement Disability System. Generally speaking, we have authorized funding for the National Foreign Intelligence Program in fiscal year 2004 at a level slightly above the President's request and substantially equal to that provided in the appropriations process.

There is much in the bill to recommend it to Members of the House. I would like to mention just a few of the important provisions and highlights.

First and foremost, this conference report supports the men and women in the intelligence community who are dedicated to protecting our Nation's citizens and their freedom, many of
