

a feeling about this guy as he was referred to Mr. Melendez for secondary questioning, since he did not speak English. After questioning al-Qahtani and discovering many holes in his story—holes about why he was there, how long he was going to stay, who was going to meet him—and it is thought, very possibly, that it was the hijacker pilot of the first plane that went into the World Trade Center who was the guy upstairs to pick him up—Mohamed Atta. We don't know that for sure. But also there was the fact that he didn't have a return ticket or enough cash to purchase one.

After having that uneasy feeling about none of these answers and a very belligerent manner, by the way, by the man being questioned, Mr. Melendez put it into his own hands to make the decision that he was going to have him arrested, put into detention, and sent back the next day on a plane. By refusing al-Qahtani entry into the country, Mr. Melendez very well may have helped save many additional lives on September 11.

So this is a proud professionalism in the Immigration Service which so often gets nothing but complaints. I think it is time for us to stand up and salute Mr. Melendez and his service. He modestly protested to me last Friday that he was only doing his job. But we know because of the replicated actions of folks like him being done every day, not only in our Border Patrol and other immigration activities, but in the State Department and in decisions being made as to whether or not to grant a visa in embassies around this country, and with all of our intelligence services as they are making these decisions day by day, hour by hour, it is working to protect us.

Mr. Melendez has shown us what correct protection of our borders looks like. Now we want to rededicate and congratulate all of the hard-working colleagues at the Department of Homeland Security. We want to provide them with the resources they need to protect our borders and the ports of entry. Dedicated security personnel are not there to make travel more difficult; they are there to make us safer. Mr. Melendez in this instance apparently prevented the compounding of a national tragedy on September 11, 2 years ago.

Mr. President, I thank you for the opportunity that I could recognize a wonderful American, an American who spent 27 years in the U.S. Army.

When Mr. Melendez retired, he decided to continue his Federal service, in this case with the Immigration Service. He is a wonderful American who has a big family centered in Orlando, with nine grandchildren spread over several cities and some back in his native Puerto Rico.

I am very proud today to share his story so our colleagues in the Senate might also recognize his brand of modest heroism.

I thank the Chair.

ADDITIONAL STATEMENTS

ANGEL ARELLANO

• Mrs. BOXER. Mr. President, I am pleased to recognize Angel Arellano's efforts in raising funds for the Chaffee Zoo in Fresno, CA.

On Thanksgiving Day, after listening to a family conversation about the Chaffee Zoo's financial struggles, Angel Arellano, a 9-year-old girl from Fresno, CA, wrote a letter to the editor of the Fresno Bee. Her letter contained \$1.00 and urged all Fresno residents to match her donation to help pay for the Chaffee Zoo's much needed repairs. Miss Arellano's letter expressed her anguish at the animals' precarious future. She wrote that the animals deserved food, water, and a warm home. Her plea sparked a movement to save the zoo. Her heartfelt letter caught the attention of past and present Fresno residents, inspiring thousands of individuals to send donations, ranging from \$1.00 to \$10,000.00. Currently, total pledges and donations have reached nearly \$180,000.00 and have come from as far away as Great Britain.

Angel Arellano's concern motivated people in Fresno and around the world to help save a Fresno institution. Her letter conjured memories of past visits to the zoo and reminded people of the joy felt by children when visiting with family while spending a Sunday in the sunshine, enjoying one of Fresno's treasures.

Angel is a wonderful example of one person making a difference. To her, I say thank you. She has set a great example for all of us.●

STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. GRASSLEY:

S. 2048. A bill to amend the Internal Revenue Code of 1986 to make permanent the deduction for qualified tuition and related expenses and to repeal the sunset of the Economic Growth and Tax Relief Reconciliation Act of 2001 with respect to such deduction; to the Committee on Finance.

By Mr. GRASSLEY:

S. 2050. A bill to repeal the sunset of the Economic Growth and Tax Relief Reconciliation Act of 2001 with respect to the affordable education provisions of such Act, and for other purposes; to the Committee on Finance.

Mr. GRASSLEY. Mr. President, I am introducing two education tax bills today. These bills will help us make permanent the \$30 billion in education tax incentives that were contained in the 2001 tax bill.

The first bill will extend and make permanent the tuition deduction that was enacted in the Economic Growth and Tax Relief Reconciliation Act of 2001, Public Law 107-16, or EGTRRA. A lot of people think we don't spend enough money on education, but they also don't think we should make the 2001 tax cuts permanent. I don't know how they can justify that position. The education tax incentives in the 2001 tax bill have done a whole lot of good. The tuition tax deduction is available only through December 31, 2005. The cost of the provision for those four years was about \$10 billion. So you can see that it was very expensive.

For parents struggling to send their children to college, the tuition tax deduction has been very important. Some of them probably wish it were set at a higher level, but at between \$2,000 and \$4,000 depending on your income, it is still a beneficial tax incentive for the middle class.

The second bill that I am introducing today will make the rest of the EGTRRA education tax provisions permanent, as well as the deduction for teacher classroom materials that was passed in the stimulus package of March 2002. That provision expired at the end of last year so it is very important that we enact it on a permanent basis and do so as soon as practicable.

I hope my colleagues will join me in sponsoring these bills and will agree to consider them and pass them in the Senate in the next month or two.

Mr. President, I ask unanimous consent that the text of the bills be printed in the RECORD.

There being no objection, the bills were ordered to be printed in the RECORD, as follows:

By Mr. SPECTER:

S. 2049. A bill to amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote re-mining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes; to the Committee on Energy and Natural Resources.

Mr. SPECTER. Mr. President, today I will introduce legislation which is entitled the Abandoned Mine Land Reclamation Program Extension and Reform Act of 2004. As I have explained briefly before, I do so because this program is going to be unveiled tomorrow at a ceremony in the Pennsylvania State Capitol attended by Secretary of the Interior Norton in addition to Governor Rendell and a number of other officials. While I would like to be present in Pennsylvania for the event, the Senate will be in session and there is important business to be conducted here. So in my absence there, I thought it appropriate to introduce this bill. I had planned to do so tomorrow, but there is a joint session of Congress in the morning and I am advised there may not be
