

time as we pause to honor our Fathers. As a practicing physician for over 20 years and Chairman of the House Policy's Health Subcommittee, I wholeheartedly understand the importance of regular health screenings.

In May of last year, I introduced H.R. 2151, the Medicare Osteoporosis Measurement Act to address the issue of male osteoporosis. Osteoporosis is a degenerative bone condition that can make bones fragile and can gradually erode quality of life for our seniors. But contrary to popular belief, osteoporosis is a serious health problem for men, as well as women. Two million American men suffer under this debilitating illness, and 12 million more are at risk for developing the disease.

It is crucial that men everywhere seek out regular health check-ups. Routine medical examinations are key to detecting—and preventing—serious men's health concerns like high cholesterol and blood pressure, prostate cancer, cardiovascular disease, and osteoporosis. In addition, men should strive to equip themselves with the knowledge and information necessary for personal health awareness. They need to know about important illnesses facing men and at what age specific screenings are needed.

Dr. Kenneth Goldberg, of the Male Health Center, has been a leader in the field of men's health for 30 years. He is a member of the advisory committee for National Men's Health Week, Men's Health Network and Men's Health Magazine and author of the book *How Men Can Live as Long as Women*. The Male Health Center is located in Lewisville, Texas—my 26th Congressional District. Opening its doors in 1989, it is a premier facility in its field as the first center in the United States specializing in men's health issues. The Male Health Center treats hundreds of patients from all over the country and meets the crucial need of men's health specialists.

The fight for better men's health is a partnership. It's a partnership between men and their physicians. For this reason, I honor Dr. Goldberg, his staff and National Men's Health Week.

PAYING TRIBUTE TO CAY HOPKINS

HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 16, 2004

Mr. McINNIS. Mr. Speaker, I rise today with a heavy heart after learning that Colorado has lost one of its truly great citizens. Catherine "Cay" Hopkins of Pueblo, Colorado recently passed away at age seventy-nine. Cay spent her life serving those she loved, and as her community and family mourn her passing, I believe it appropriate to recognize her life before this body of Congress and this nation.

Cay was born in Denver on February 10, 1925. She graduated from East High School, and later received her bachelor's degree from the University of Denver. She moved to Pueblo when she married Dr. William Hopkins, a local ophthalmologist, on December 17, 1946.

Cay began her life of community service upon moving to Pueblo. She was the former president of the Pueblo YMCA and the former treasurer of the Sangre de Cristo Arts and Conference Center. She also served as a board member of the YWCA, and was chair-

man of the Mozart festival. Just a year ago, Cay was among the nominees for the YWCA's Woman of the Year Award.

Over the decades Cay also served on the Southern Colorado Bicentennial Commission, was treasurer of the Colorado State Hospital Auxiliary, was president of the Thatcher School Parent Teacher Association and served on the Rosemont Museum board as a volunteer coordinator. When she was not serving her community, she and her husband William were flying to Central America assisting as medical missionaries.

Mr. Speaker, Cay Hopkins will be sorely missed, and although we grieve over the loss of this incredible individual, we take comfort in the lives she touched and the legacy she leaves behind. My thoughts go out to her husband William, daughters Gayle and Sharon, son Greg, and the rest of her family during this difficult time of bereavement. I am truly honored to pay tribute to her life and memory today.

MOURNING THE LOSS OF SGT. GERARDO MORENO

HON. RALPH M. HALL

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 16, 2004

Mr. HALL. Mr. Speaker, I rise today to express my deep sorrow for the loss of a young soldier from my district, Sgt. Gerardo Moreno, 23, of Terrell, Texas. Gerardo, who was assigned to the 1st Battalion, 5th Cavalry, 1st Cavalry Division based in Fort Hood, Texas, died on April 6 in Ashula, Iraq, in support of Operation Iraqi Freedom. He had been in Iraq since early January and was killed in a grenade attack.

Gerardo graduated from Terrell High School in 1999 and enlisted in the Army after graduation. He was a dedicated soldier and an upstanding citizen of Terrell, Texas. In a show of support for the fallen soldier, the residents of Terrell lined Moore Ave. on the morning of his funeral to pay their respects. I am heartened to see the citizens of this great city, state, and nation come out in support of our dedicated soldiers.

Gerardo was also a devoted family man. He is survived by his wife, Teresa Moreno of Terrell and their two children, Dominique and Marrisol Moreno. Mourning his death are also his mother, Sandra E. Iracheta, and her husband, Noe Iracheta; father, Gerardo Moreno; brother, Jose J. Moreno; step-sisters, Yara and Yadira Perez; grandmother, Rita Iracheta of Terrell; grandfather, Israel Iracheta of San Antonio, and other family members.

Gerardo made the ultimate sacrifice for our nation, and we are all touched by his loss. By defending our freedoms and values, soldiers like Gerardo earn a special place in our hearts. Without their willingness to serve and put their lives on the line for our nation, America would not be the great country that it is today. We are all forever indebted to brave men and women like Gerardo.

Mr. Speaker, as we adjourn today in the House of Representatives, let us do so by honoring Sgt. Gerardo Moreno and extending our deepest condolences to his family and friends. Like so many other young Americans serving and fighting overseas, Gerardo is a

hero whose sacrifices ensure our continued freedom.

INTRODUCING "THE RONALD REAGAN ALZHEIMER'S BREAK- THROUGH ACT OF 2004"

HON. EDWARD J. MARKEY

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 16, 2004

Mr. MARKEY. Mr. Speaker, the race to find a cure for Alzheimer's disease is more urgent than ever. Four and a half million Americans, including one in 10 people over age 65 and nearly half of those over 85, have Alzheimer's disease. Unless science finds a way to prevent or cure this terrible illness, nearly 16 million Americans will have Alzheimer's disease by the year 2050.

Today I am introducing the Ronald Reagan Alzheimer's Breakthrough Act of 2004, to honor President Ronald Reagan and his forward thinking in establishing an awareness of this disease and his guidance in directing the National Institute on Aging to establish the Alzheimer's Disease Centers. I am joined by Representative CHRISTOPHER SMITH, Co-chair of the Congressional Alzheimer's Taskforce, Representatives ROBERT MENEZDEZ, SHEILA JACKSON-LEE, GENE GREEN, DALE KILDEE, DONALD A. MANZULLO, KAREN MCCARTHY, MARTY MEEHAN, RICHARD E. NEAL, RON KIND, PATRICK KENNEDY, and JIM McDERMOTT.

The Ronald Reagan Alzheimer's Breakthrough Act of 2004 expands the federal government's efforts to find new ways to prevent, treat, and care for patients with Alzheimer's. This bill focuses on enhancing our research efforts by authorizing NIH's Preventive Initiative, which directs NIH to identify possible preventive interventions and conduct clinical trials to test their effectiveness. This bill authorizes
