## AMENDMENT NO. 3197

The PRESIDING OFFICER. Under Senate precedent, the accompanying Dayton amendment to strike is moot.

Mr. ENSIGN. I move to reconsider the vote and I move to lay that motion on the table.

The motion to lay on the table was agreed to.

## AMENDMENT NO. 3467 TO AMENDMENT NO. 3315

Mr. ENSIGN. Mr. President, I call for regular order with respect to a Landrieu amendment numbered 3315 and offer a second-degree amendment which is at the desk.

The PRESIDING OFFICER. The clerk will report the amendment.

The legislative clerk read as follows:

The Senator from Nevada [Mr. ENSIGN] proposes an amendment numbered 3467 to amendment No. 3315.

Mr. ENSIGN. Mr. President, I ask unanimous consent that the reading of the amendment be dispensed with.

The PRESIDING OFFICER. Without objection, it is so ordered.

The amendment is as follows:

(Purpose: To provide a fiscally responsible open enrollment authority)

On page 9, strike lines 12 through 22, and insert the following:

(8)(A) The Secretary of Defense shall prescribe in regulations premiums which a person electing under this section shall be required to pay for participating in the Survivor Benefit Plan pursuant to the election. The total amount of the premiums to be paid by a person under the regulations shall be equal to the sum of—

(i) the total amount by which the retired pay of the person would have been reduced before the effective date of the election if the person had elected to participate in the Survivor Benefit Plan (for the same base amount specified in the election) at the first opportunity that was afforded the member to

participate under chapter 73 of title 10, United States Code;

(ii) interest on the amounts by which the retired pay of the person would have been so reduced, computed from the dates on which the retired pay would have been so reduced at such rate or rates and according to such methodology as the Secretary of Defense determines reasonable; and

(iii) any additional amount that the Secretary determines necessary to protect the actuarial soundness of the Department of Defense Military Retirement Fund against any increased risk for the fund that is associated with the election.

(B) Premiums paid under the regulations shall be credited to the Department of Defense Military Retirement Fund.

(C) In this paragraph, the term "Department of Defense Military Retirement Fund" means the Department of Defense Military Retirement Fund established under section 1461(a) of title 10, United States Code.

Mr. WARNER. Mr. President, if I might, on the resumption of the Senate consideration of this bill, that will be following the taking of the annual picture. At this time, the understanding is Senator DASCHLE will be recognized for the purpose of bringing up his pending amendment. I inform the Senate of that situation.

## RECESS

The PRESIDING OFFICER. Under the previous order, the Senate will now stand in recess until the hour of 2:15 p.m.

Thereupon, the Senate, at 1:23 p.m., recessed until 2:41 p.m. and reassembled when called to order by the Presiding Officer (Mr. VOINOVICH).

## NATIONAL DEFENSE AUTHORIZATION ACT FOR FISCAL YEAR 2005—Continued

The PRESIDING OFFICER. The Democratic leader is recognized.

## AMENDMENT NO. 3409

Mr. DASCHLE. Mr. President, I ask for the regular order with respect to amendment No. 3409.

The PRESIDING OFFICER. The Senator has that right. The amendment is now pending.

AMENDMENT NO. 3469 TO AMENDMENT NO. 3409  
(Purpose: To assure that funding is provided for veterans health care each fiscal year to cover increases in population and inflation)

Mr. DASCHLE. Mr. President, I send a perfecting amendment to the desk.

The PRESIDING OFFICER. The clerk will report.

The assistant legislative clerk read as follows:

The Senator from South Dakota [Mr. DASCHLE] proposes an amendment numbered 3468 to amendment No. 3409.

Mr. DASCHLE. Mr. President, I ask unanimous consent that the reading of the amendment be dispensed with.

The PRESIDING OFFICER. Without objection, it is so ordered.

(The amendment is printed in today's RECORD under "Text of Amendments.")

Mr. DASCHLE. Mr. President, in 1898, as the Spanish-American War drew to a

close, then-COL Theodore Roosevelt warned his Rough Riders about the reception they would receive once they returned home:

The world will be kind to you for 10 days. Everything you do will be all right. After that, you will be judged by a stricter code.

We have come a long way in the treatment of our veterans, and our recent commemoration of Memorial Day, our dedication of the World War II Memorial, the observance of the 60th anniversary of D-day, attest to the gratitude our Nation feels toward the men and women who have defended our freedom. Ultimately, the real test of our gratitude, however, is not found in parades or ceremonies. The real test is whether we honor our promises and provide our veterans with the help and benefits they need.

Sadly, we are not meeting that test. In recent years, large numbers of veterans have seen their health care delayed or denied outright. The reason is clear: Our system for funding the VA is broken. The VA's enrolled patient population has grown 134 percent since 1996, while appropriations have risen only one-third as quickly.

The President's task force to improve health care delivery for our Nation's veterans, created by President Bush through Executive Order 13214, reported a significant mismatch in VA between demand and available funding. That mismatch is translated into lengthy waiting lists, forcing hundreds of thousands of veterans to wait for months, even years, to see a doctor, increased out-of-pocket payments resulting in veterans paying six times more for their health care than when this President took office, from \$200 million in 2001 to an expected \$1.3 billion next year, and new enrollment restrictions.

Last year, Secretary Principi ruled that 200,000 priority 8 veterans could no longer enter the VA health care system. If nothing is done, the Congressional Budget Office now predicts the number denied access through this one policy will grow to 1.5 million by the year 2013. The Bush administration refuses to acknowledge the system is broken and preaches a policy of "demand management."

Let's be clear, demand management means taking any and all steps necessary to restrict the number of veterans treated by the VA, including rationing care, sending the bill collectors after veterans, and blocking enrollments. The principle of demand management says to the veteran: Take your health concerns somewhere else because we cannot help right now.

That is not a policy, that is a disgrace, and it is time we reject that principle that governs the care we offer our veterans today. Veterans have a fundamental right to health care, and we have an obligation to ensure that the VA has the resources to provide them. The answer to the VA health care crisis is simple: We need a new funding system that will allow us to provide health care to every American
