STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. GRAHAM of Florida:

S. 2685. A bill to amend titles XIX and XXI of the Social Security Act to provide States with the option to cover certain legal immigrants under the Medicaid and State children's health insurance programs; to the Committee on Finance.

Mr. GRAHAM. Mr. President, I am introducing the Immigrant Children's Health Improvement Act today.

This legislation would allow States the option to once again provide Medicaid and State Children's Health Insurance Program (SCHIP) coverage to legal immigrant children and pregnant women.

Traditionally, Medicaid and SCHIP have served as vital components of our nation's health care safety net. These programs have provided coverage to over 50 million non-elderly, low-income Americans, most of them children, and have helped to dramatically reduce infant mortality and provide health care for millions of poor children whose families cannot afford the high cost of private health insurance.

However, for many low-income families that are income eligible for Medicaid and SCHIP, these safety programs are today little more than a mirage—an illusion to those who need them most. The 1996 welfare reform law arbitrarily barred states from using Federal funds to provide health coverage to low-income legal immigrants during their first 5 years in the United States.

While the goal of welfare reform was to encourage self-sufficiency in adults, the legislation unfortunately has punished children. Today, half of all legal immigrant children from families making less than 200 percent of the Federal Poverty Level are uninsured. That's over two and a half times the uninsured rate for children who are United States citizens.

In the long term, ignoring the health care needs of legal immigrant children
