Mr. LEAHY. Mr. President, I am pleased to be an original cosponsor of S. 2742, which is a short but important piece of legislation that Senator HATCH and I have cosponsored at the request of the Supreme Court. This legislation would renew authority to provide security for the Justices when they leave the Supreme Court. Recent reports of the assault of Justice Souter when he was outside of the Supreme Court highlight the importance of security for Justices. If no congressional action is taken, the authority of Supreme Court police to protect Justices off court grounds will expire at the end of this year.

Another provision in this legislation allows the Supreme Court to accept gifts “pertaining to the history of the Supreme Court of the United States or its justices.” The administrative office of the Courts currently has statutory authority to accept gifts on behalf of the judiciary. This provision would grant the Supreme Court authority to accept gifts but it would narrow the types of gifts that can be received to historical items. I think this provision strikes the proper balance.

Finally, this legislation also would provide an additional venue for the prosecution of offenses that occur on the Supreme Court grounds. Currently, the DC Superior Court is the only place of proper venue despite the uniquely Federal interest at stake. This legislation would allow suit to be brought in United States District Court in the District of Columbia.

It is my hope that the Congress will act on this measure in short order, and I urge my colleagues to follow our lead and swiftly enact sensible implementing legislation. The United States cannot afford to sit on the sidelines any longer.

LANHAM ACT CLARIFICATION

Mr. CRAIG. Mr. President, I ask unanimous consent to have printed in the RECORD some additional information about the genesis and intent of a bill introduced last week, strengthening and clarifying a provision of the Lanham Act. Specifically, S. 2796 was introduced to clarify that service marks, collective marks, certification marks are entitled to the same protections, rights, privileges of trademarks.

It is my hope that the Congress will act on this measure in short order, and I urge my colleagues to assist me in evaluating the bill.

There being no objection, the material was ordered to be printed in the RECORD, as follows:

AMENDMENTS TO LANHAM ACT

Sec. 3 [15 U.S.C. 1053]. Service marks registrable
Subject to the provisions relating to the registration of trademarks, so far as they are
