

project's completion. Her leadership resulted in a monumental financial turnaround for the center, and a new state-of-the-art medical, dental and diagnostic facility. She prayed that her life would be extended so she could see the conclusion of this project. After the project's completion in October 2004, she commented that "[The new center] is one of the most significant professional goals that I've ever accomplished . . . we look forward to using this project as a tool to further serve the community." Because of her tremendous resolve, the center is expected to provide health and dental care to more than 20,000 medically underserved Tennesseans each year.

I was fortunate to have been able to work with Michelle over the past few years, and I will truly miss her, as will all of Nashville. She was one of those rare individuals who had a clear and strong vision for what she could accomplish with her life, and she did it. She saw the need in Nashville for a center that could help our community's most vulnerable and she turned the Matthew Walker Comprehensive Health Center into a thriving and vital center that is now recognized nationwide for its excellence. She was a committed, compassionate community leader. And she was a great lady. Her gifts were extraordinary and we are fortunate that her contributions to this community will continue for decades to come.

Michelle Marrs' legacy will live on through her children—Christy and Ivanna—the Matthew Walker Comprehensive Health Center, and the love and compassion she shared with her family, friends and community. On behalf of the Fifth District of Tennessee, I send my deepest condolences to Michelle's family.

TRIBUTE TO MR. EDWARD
SWITZER

HON. JOE BACA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 5, 2005

Mr. BACA. Mr. Speaker, it is with great pride that I pay tribute today to the life of Mr. Edward Switzer. Mr. Switzer recently passed away, leaving a legacy of community work and commitment to those he loved. He was a magnanimous figure who was dedicated to his family and friends. It gives me no greater pleasure than honoring his memory today.

The life of Mr. Switzer took him from Regent, North Dakota, where he was born and raised, to serving in the Air Force during World War II. He attended a one-room grade school and went on to earn his Master's degree from North Dakota State University. After completing his graduate education, Mr. Switzer settled in San Bernardino, where he became my early supporter for the San Bernardino Valley College Board of Trustees.

To all those who knew Mr. Switzer, he exhibited generosity of spirit, love for his community, and dedication to his work. He constantly challenged the status quo, was never afraid to speak his mind, and undoubtedly left an immeasurable impression.

Mr. Switzer turned to teaching chemistry at San Bernardino Valley College for almost forty years and was a dedicated professor, who demonstrated genuine concern for his students. He realized that many students were having difficulty understanding basic chemistry

concepts that were being taught using advanced techniques. Mr. Switzer decided to create a more clear methodology for teaching chemistry by specializing in making the fundamentals of chemistry easier to understand. His passion for the subject that he taught and dedication for teaching led him to become Chair of the Department of Chemistry. In addition to being a remarkable professor, Mr. Switzer celebrated his retirement by serving his community board by setting up after-school programs for teenagers.

I join today with family and friends in paying my respects to Mr. Switzer. He was a generous and humble human being who touched the lives of many and will be deeply missed by all. He has touched my life as a friend and mentor. His inspiration and encouragement have led me to hold office and be who I am today.

TRIBUTE TO THE EMPLOYEES OF
THE INTEL CORPORATION AND
THE INTEL FOUNDATION

HON. DAVID WU

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 5, 2005

Mr. WU. Mr. Speaker, I rise today to commend the employees of the Intel Corporation and the Intel Foundation for their efforts to provide tsunami relief to the Indian Ocean region.

As we all know, on December 26, 2004, a 9.0 earthquake erupted off the coast of Indonesia. Following the earthquake, a major tsunami swept across the region, destroying lives, homes and businesses in Indonesia, Sri Lanka, India, the Maldives, and Thailand.

Along with governments, citizens, businesses, and other private organizations around the world, Intel's employees and the Intel Foundation mobilized and delivered critical supplies and funds that helped save lives and begin the reconstruction process.

I stand here today to applaud Intel and its employees, many of whom live and work in my district in Oregon. Without their good work, many more lives may have been lost because of the Indian Ocean Tsunami.

TRIBUTE TO SERGEANT FIRST
CLASS PAUL SMITH

HON. JIM DAVIS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 5, 2005

Mr. DAVIS of Florida. Mr. Speaker, I rise in honor of Sergeant First Class Paul Smith, of Tampa, Florida.

Yesterday, President Bush posthumously awarded Sergeant Smith with our nation's highest military honor—the first Medal of Honor awarded to a soldier since 1993. Sergeant Smith always gave his fellow soldiers, his country and his family his very best. But on April 4, 2003, Sergeant Smith showed extraordinary valor when making the ultimate sacrifice for the soldiers whose lives he saved and the values and ideals that have made this country great.

Sergeant Smith had always wanted to serve our country as a professional soldier, and when he graduated from Tampa Bay Technical High School at 18, he immediately enlisted in the Army. He went on to serve in the Persian Gulf War, Bosnia-Herzegovina and Kosovo before serving in Operation Iraqi Freedom.

Sergeant Smith was known for holding his soldiers to high standards, but on April 4, 2003, he held himself to the highest standard of all. Sergeant Smith's unit, B Company of the 11th Engineer Battalion was constructing a prisoner holding area at Baghdad Airport when their compound came under attack by nearly 100 Iraqi soldiers. Sergeant Smith immediately organized the unit's defense and risked his own life to hold back the enemy and help move injured soldiers to safety.

Despite Sergeant Smith and the unit's efforts, the enemy continued to fire on the compound. When faced with the call of having to pull his troops back, Sergeant Smith chose instead to take an exposed position behind a
