

SENATE RESOLUTION 84

Whereas the provision included in the federal Violent Crime Control and Law Enforcement Act of 1994 which banned the sale of semi-automatic assault weapons is set to expire on September 13, 2004; and

Whereas the assault weapons covered by the ban are not designed for sport use, but incorporate military features intended for combat in a war setting; and

Whereas the ban not only required domestic gun manufacturers to stop producing semi-automatic assault weapons and ammunition clips which held more than 10 rounds, except for military or police use, but also halted imports of assault weapons not already banned; and

Whereas prior to their ban, semi-automatic assault weapons had become the "weapon of choice" for drug traffickers, gangs and paramilitary extremist groups; and

Whereas many major national law enforcement organizations support the federal assault weapons ban, in light of their high firepower and ability to penetrate body armor; and

Whereas one in five police officers slain in the line of duty during the years 1998 through 2001 were killed with an assault weapon; and

Whereas assault rifles have been used in some of the nation's most shocking crimes, including the Stockton schoolyard massacre, the CIA headquarters shootings, and the Branch-Davidian standoff in Waco, Texas; and

Whereas the continuing confiscation of assault weapons from crime scenes will result in criminals having less access to these dangerous weapons; and

Whereas there are various bills pending in Congress which would have the affect of reauthorizing the assault weapons ban, including a proposal to postpone the sunset of the provision for ten years and another to repeal the sunset date entirely: Now therefore, be it

*Resolved by the Senate of the State of New Jersey:*
