

I thank Senators CLINTON, ENZI, and KENNEDY for all of their tremendous work. Chairman ENZI plans to take that legislation to the HELP Committee, I believe, on Wednesday morning. Following that, I look forward to working with my colleagues for Senate passage.

Mr. President, we have a very busy week before us. Again, we will be turning to the foreign operations legislation shortly.

Mr. President, I yield the floor.

RECOGNITION OF THE MINORITY LEADER

The PRESIDENT pro tempore. The Democratic leader is recognized.

UNANIMOUS CONSENT REQUEST—H.R. 3130

Mr. REID. Mr. President, before my distinguished colleague leaves the floor, I ask unanimous consent that the Appropriations Committee be discharged from further consideration of H.R. 3130, the veterans health care supplemental bill, that the Senate proceed to its immediate consideration, and that the bill be amended to increase the funding level to \$1.5 billion; that the bill, as amended, be read a third time and passed, and the motion to reconsider be laid upon the table.

The PRESIDENT pro tempore. Is there objection?

Mr. FRIST. Mr. President, reserving the right to object.

The PRESIDENT pro tempore. The majority leader.

Mr. FRIST. Mr. President, we have been here before. Indeed, the Senate has voted twice, most recently on the Homeland Security appropriations bill we finished last week, and then a week before that on the Interior appropriations bill, to provide \$1.5 billion for veterans health programs for the current fiscal year, with the remainder of it to be used until expended.

I supported those amendments, as did the Democratic leader.

The conference on the Interior bill, I understand, is well underway and will be completed by the end of this week. I fully expect that the \$1.5 billion in additional funding for veterans health care will be on the President's desk for his signature before we leave in 2 weeks for the August recess.

In addition, I should also mention it is important that no veteran right now—no single veteran—is being denied needed health care. The other thing I want to mention to the Democratic leader, because I have not mentioned it before, is that if, for some unexpected reason, the Interior appropriations conference report is not finished, then I think he and I could join together and sponsor legislation, stand-alone legislation if need be, to accomplish the same thing that he requests. I do not believe it is necessary today because we will accomplish this goal before we leave. The conference on the Interior bill is underway and will provide that funding.

Therefore, I object to the unanimous consent request by the minority leader.

The PRESIDENT pro tempore. Objection is heard.

Mr. REID. Mr. President, if I could just briefly say, I appreciate the statement of the distinguished majority leader. I want this matter to stay before the attention of the Senate. I think it would be better to do it this way and send it to the House. I think that would be so much better. It would be done, I believe, more quickly.

But I also say at this stage the veterans programs are being cannibalized. Those programs for capital construction are being used for health care. I think it would be better if we dispose of this. I will watch the conference committee very closely. It is really not a place for veterans funding programs, but we will take it wherever we get it. Again, I am sorry we were not able to work it out more quickly, but I do look forward to completing it in this work period.

Mr. FRIST. Mr. President, I suggest the absence of a quorum.

The PRESIDENT pro tempore. The clerk will call the roll.

The assistant legislative clerk proceeded to call the roll.

Mr. REID. Mr. President, I ask unanimous consent that the order for the quorum call be rescinded.

The PRESIDENT pro tempore. Without objection, it is so ordered.

Mr. REID. Mr. President, I have a question I want to ask my friend.

The money in the Interior bill, I hope it is additional money, not money coming from other programs. Does the distinguished majority leader know about that? Do you understand my question? I hope it is new money. I hope it is not money we are taking from other programs.

Mr. FRIST. Mr. President, in response, I will check with Chairman BURNS to see where specifically the money comes from. I am not exactly aware where the money comes from.

Mr. REID. Because if it is going to come from other Interior programs, I would even go so far as to suggest maybe the Presiding Officer would not want \$1.5 billion to come out of the Interior bill for programs that are not within the Interior bill. I know I would not like that.

Mr. FRIST. Mr. President, it is all new money. It is not being taken from other programs.

Mr. REID. That is real good news.

I suggest the absence of a quorum, Mr. President.

The PRESIDING OFFICER (Mr. ALEXANDER). The clerk will call the roll.

The assistant legislative clerk proceeded to call the roll.

Mr. FRIST. Mr. President, I ask unanimous consent that the order for the quorum call be rescinded.

The PRESIDING OFFICER. Without objection, it is so ordered.

UNANIMOUS CONSENT AGREEMENT—EXECUTIVE CALENDAR

Mr. FRIST. Mr. President, as in executive session, I ask unanimous consent

that at 5:15 this evening the Senate proceed to executive session for 30 minutes of debate equally divided in relation to calendar No. 172, Lester Crawford to be Commissioner of Food and Drugs; provided further that following that time the Senate proceed to a vote on the nomination, with no intervening action or debate. I further ask that following the vote the President be immediately notified of the Senate's action and the Senate resume legislative session.

The PRESIDING OFFICER. Without objection, it is so ordered.

HONORING THE PASSENGERS AND CREW OF UNITED AIRLINES FLIGHT 93

Mr. FRIST. Mr. President, I ask unanimous consent that the Rules Committee be discharged from further consideration of S. Con. Res. 26 and the Senate proceed to its immediate consideration.

The PRESIDING OFFICER. Without objection, it is so ordered.

The clerk will state the concurrent resolution by title.

The assistant legislative clerk read as follows:

A concurrent resolution (S. Con. Res. 26) honoring and memorializing the passengers and crew of the United Airlines Flight 93.

There being no objection, the Senate proceeded to consider the concurrent resolution.

Mr. FRIST. Mr. President, I ask unanimous consent that the amendment at the desk be agreed to, the concurrent resolution, as amended, be agreed to, the preamble be agreed to, and the motion to reconsider be laid upon the table.

The PRESIDING OFFICER. Without objection, it is so ordered.

The amendment (No. 1228) was agreed to, as follows:

On page 3, line 2, strike "and the minority leader of the Senate" and insert "the minority leader of the Senate, the Chairman and the Ranking Member of the Committee on Rules and Administration of the Senate, and the Chairman and the Ranking Member of the Committee on Transportation and Infrastructure of the House of Representatives".

The concurrent resolution (S. Con. Res. 26), as amended, was agreed to.

The preamble was agreed to.

The concurrent resolution, with its preamble, reads as follows:

S. CON. RES. 26

Whereas on September 11, 2001, acts of war involving the hijacking of commercial airplanes were committed against the United States, killing and injuring thousands of innocent people;

Whereas 1 of the hijacked planes, United Airlines Flight 93, crashed in a field in Pennsylvania;

Whereas while Flight 93 was still in the air, the passengers and crew, through cellular phone conversations with loved ones on the ground, learned that other hijacked airplanes had been used to attack the United States;

Whereas during those phone conversations, several of the passengers indicated that there was an agreement among the passengers and crew to try to overpower the hijackers who had taken over Flight 93;
