

When I talk to Muslim leaders in my district they tell me that the only good thing to come out of these attacks is the raised awareness of their religion and their resulting ability to educate many for the first time on the true tenants of their faith. I am proud of the many Muslims in New Jersey for the work they do everyday to promote peace and religious tolerance. I look forward to a day when all Americans will know the true values of Islam, and understand the hateful and perverted "faith" of those who would commit these deadly attacks.

Terrorism sadly has become a tragic trend in our day and age. The targeting of innocent civilians in brutal attacks throughout the world, in London, New York, Washington, Madrid, the Middle East, and the latest attacks in Sharm El-Sheikh, Egypt all make us a little less secure as human beings. These attacks cannot be allowed to continue. They rob us all of our life and liberty. We cannot let terrorism become a commonplace aspect of our lives. Consequently, I support this resolution to affirm the solidarity of all Americans with the Egyptian people, and condemn these terrorists attacks.
