

The Agreement will generate export opportunities for U.S. companies, farmers, and ranchers, help create jobs in the United States, and help American consumers save money while offering them more choices. Entering into an FTA with Oman will build on the FTAs that we already have with Israel, Jordan, and Morocco, as well as the FTA that we have concluded with Bahrain, and will be an important step on the path to fulfilling my vision of developing economic growth and democracy in the Middle East and creating a U.S.-Middle East Free Trade Area (MEFTA) by 2013.

Consistent with the Trade Act, I am sending this notification at least 90 days in advance of signing the FTA. My Administration looks forward to working with the Congress in developing appropriate legislation to approve and implement this Agreement.

GEORGE W. BUSH.
