

Together, they give Time to Read participants hope and an opportunity for a better future.

Time and again, this program has demonstrated its ability to take on this important challenge of raising America's literacy rates. With quiet determination and steadfast commitment, Time to Read volunteers make a difference in the lives of thousands of kids and adults each year.

For this reason, Mr. Speaker, I ask my colleagues to join with me in honoring the purpose and spirit of the Time to Read Literacy Program, its volunteers and participants.

TRIBUTE TO E.G. "JERRY"
GLADBACH

HON. HOWARD P. "BUCK" McKEON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 17, 2005

Mr. McKEON. Mr. Speaker, the end of 2005 will mark the conclusion of E.G. "Jerry" Gladbach's term as President of the Association of California Water Agencies (ACWA). His tenure has been marked by several successes on behalf of ACWA and the California water community.

A resident of Valencia together with his wife Donna, Jerry has served as president of ACWA since January of 2004, after having served as ACWA Vice-President since January of 2002. He has served as a director of Castaic Lake Water Agency in Santa Clarita since 1985, and has served as President of Castaic Lake's Board of Directors and is currently the Chair of the Water Resources Committee of that Agency.

Mr. Gladbach has been involved in water and energy issues for the past forty-two years and active with ACWA since 1973. As President of ACWA, Jerry has led the association in fighting to maintain water quality, protect communities from disastrous floods, and ensure that California has the water needed for people, agriculture and the environment.

He appointed the task force that created No Time to Waste: A Blueprint for California Water, a policy document that serves as a common vision for the many diverse interests of California's water community, and has drawn headlines statewide.

Mr. Gladbach served as a manager with the Los Angeles Department of Water and Power and retired after 35 years of service. At LADWP he provided critical leadership on developing alternative energy supplies, environmental and governmental affairs, and design of hydroelectric power plants and transmission lines.

Jerry is first vice-chair of the Los Angeles Local Agency Formation Commission (LAFCO) and is on the Executive Board of the California Association of LAFCOs. He was recently granted lifetime membership with the American Society of Professional Engineers.

He earned an undergraduate degree from the University of Missouri at Columbia in 1961, and returned in 1963, earning his Master's degree at the same institution in 1964.

Our thanks to Jerry for a lifetime of continuing service to California.

PERSONAL EXPLANATION

HON. LOUISE McINTOSH SLAUGHTER

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 17, 2005

Ms. SLAUGHTER. Mr. Speaker, due to an error, my vote for rollcall No. 580, on H.R. 2419, on agreeing to the conference report was not recorded. I voted "yes" on this rollcall.

RECOGNIZING THE CITY OF
LAPORTE, INDIANA, AS BEING
NAMED THE INDIANA CHAMBER
OF COMMERCE 2005 COMMUNITY
OF THE YEAR

HON. CHRIS CHOCOLA

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 17, 2005

Mr. CHOCOLA. Mr. Speaker, it should come as no surprise to anyone who has recently visited LaPorte, Indiana that the Indiana Chamber of Commerce named the city its "2005 Community of the Year."

The honor was bestowed on LaPorte at the Chamber's 16th Annual Awards Dinner, held in Indianapolis, Indiana on November 10, 2005.

More than 1,400 members of the Hoosier state business community gathered for the annual awards banquet, including a delegation of over 50 LaPorte Chamber of Commerce members, which, I am told, is the largest group ever from a community receiving the award during its 16-year existence.

The state Chamber noted that LaPorte received this distinction largely because it has "enjoyed an economic revival under [LaPorte Mayor Leigh Morris] and the businesslike approach he implemented at City Hall."

Mr. Speaker, I would have to agree with the Chamber's conclusion.

In the past year, LaPorte has seen their business environment thrive. Three businesses have started new operations in the area, and 4 existing businesses continued their growth, adding over 100 new jobs between them.

Mayor Morris has had help in his efforts to bring new and grow existing businesses in LaPorte County. He formed a cooperative, bipartisan effort between himself, Michigan City Mayor Chuck Oberlie, the LaPorte County commissioners, and Purdue-North Central University. This coalition is committed to seeing continued economic growth in LaPorte County.

I would also like to acknowledge the efforts of LaPorte Chamber of Commerce President Mike Seitz and the Greater LaPorte Economic Development Corporation Executive Director Owen Rock. They have worked together with Mayor Morris to help move LaPorte forward.

Mr. Speaker, LaPorte is clearly a community on the rise, and I congratulate Mayor Morris and the entire community on being named the Indiana Chamber of Commerce's "2005 Community of the Year."

CONCERN OVER THE KASHMIR
EARTHQUAKE

HON. JOHN CONYERS, JR.

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 17, 2005

Mr. CONYERS. Mr. Speaker, today I rise to speak on behalf of the earthquake which occurred in Kashmir. On October 8th, a magnitude 7.6 earthquake hit Pakistan, India, Afghanistan. So far, Over 80,000 have perished and three million are homeless. Over half of those who lost their lives were school aged children who were attending school. It is evident a generation of Pakistani's no longer exist. I am concerned that tens of thousands will also soon perish from weather, disease, and malnutrition.

Our President, who campaigned as a compassionate conservative, has been wholly inadequate in his response to the crisis in Pakistan. The United Nations has asked for \$550 million in emergency aid. Although, we have given only \$40 million while our generous citizens have given more than \$50 million in relief aid. To date, we have only pledged \$150 million for reconstruction when the World Bank estimates Pakistan needs \$5.2 Billion. Our government can do much better.

Last week, the President instructed 5 Fortune 500 CEOs to fundraise for the disaster. This should help. However, we need to show our allies that the U.S. will help them in their time of need. If we are serious about the welfare of the Muslim world and our ally, Pakistan; then we will pledge significantly in the upcoming donor conference this weekend in Islamabad, Pakistan. We proved our great generosity after Tsunami; we need to show it again.

IN RECOGNITION OF THE 40TH AN-
NIVERSARY OF THE AMERICAN
COMMUNITY HEALTH CENTER
MOVEMENT

HON. STEPHEN F. LYNCH

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 17, 2005

Mr. LYNCH. Mr. Speaker, I rise today in honor of the 40th Anniversary of the American Community Health Center Movement which began in Dorchester, Massachusetts in my home district with the founding of the Columbia Point Community Health Center in 1965.

Development of health centers in the mid 1960s was fueled by the lack of primary care doctors practicing in urban and rural areas across the country. In 1961 more than 60 percent of Boston physicians had their offices located in hospitals. As a result, two Boston-based physician-activists, H. Jack Geiger and Count Gibson of Tufts Medical School, were determined to address both the lack and nature of primary care in Boston's neighborhoods. Working with residents in the Columbia Point neighborhood of Dorchester, these pioneering physicians helped to organize a new community-based model of primary care. Today this site is known as the Geiger-Gibson Community Health Center and still provides over 6,000 residents of Harbor Point and Dorchester with access to world-class health care.
