

the fourth annual TCU Texas Youth Entrepreneur of the Year Award.

The TCU Texas Youth Entrepreneur of the Year Award recognizes high-school entrepreneurs for their successes in business. To be eligible, a high school student must run a business for at least a year. These students are the best of the applicants who applied and their talent, leadership, time management and commitment are remarkable. Finalists are eligible for a series of scholarships valued up to \$20,000.

One of those finalists was Daniel Funderburk, a senior at Grace Preparatory Academy. Mr. Funderburk started X-Press Cuts Lawn Service with his brother in the summer of 2002 at the age of 15. The business grew over the years from mowing local neighborhood lawns to expanding into new neighborhoods to eventually adding a commercial customer. Mr. Funderburk's focus has always been on doing quality work and being reliable. His target market has been those who are not able to take care of their own lawn, either by old age and disabilities, lack of proper equipment, or simply not enough time. In most cases this means he serves the elderly and occasional business person. He plans to continue to grow his business through targeted advertising. So far in 2005 X-Press Cuts Lawn Service has earned \$15,000 in revenue.

I extend my sincere congratulations to Mr. Daniel Funderburk for his efforts and for his success in business at such a young age. His dedication and commitment to helping others serve as an inspiration to all.

Mr. SHUSTER. Mr. Speaker, I rise today to congratulate the Northern Cambria High School Girls Volleyball team on their PIAA Class A volleyball State championship.

The Colts have demonstrated that strong dedication and teamwork will produce unexpected results. The teamwork and the leadership skills the team developed will enrich their lives and serve them well beyond their high school years. I congratulate the Northern Cambria Colts on their State championship and I look forward to hearing of their continued success in next year's season.
