

Our Federal judges make many sacrifices in serving our Nation and a cut in pay is one of these sacrifices. However, the disparity between judicial salaries and salaries in the rest of the legal profession has grown so wide that the quality of our judicial system may be endangered. It is time to provide these critical public servants with a fair salary that will guarantee the future health of the judiciary.

I urge my colleagues to support this important legislation.

There being no objection, the text of the bill was ordered to be printed in the RECORD, as follows:

S. 2276

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*
