#### IN HONOR OF JUDGE MARCEL NOTZON

### HON. HENRY CUELLAR

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 30, 2006*

Mr. CUELLAR. Mr. Speaker, I rise today to honor Judge Marcel Notzon II, who has admirably served Laredo for the past twenty-three years as a United States Magistrate Judge for the Southern District of Texas. After such a long and distinguished career, Judge Notzon is retiring this month to spend time with his wife of forty-four years, Nora Lee, and his thirteen grandchildren.

It is a great honor for me to enter into the record the accomplishments of Judge Notzon in recognition of his legal career which has spanned over thirty-nine years, and extraordinary service to the federal judiciary. He served his country as a part of the United States Navy from 1956 to 1960, and was honorably discharged from his service. Following his discharge, he attended Laredo Junior College, and went on to complete law school at St. Mary's University, where he graduated first in his class.

Judge Notzon is well-known in Laredo for his compassion for people, including the defendants that come in front of him in the court. He has made great contributions to the community as well through his involvement with the Boys and Girls Club of Laredo, Little League, and other charities since 1974. Early in his legal career, he joined the Laredo Legal Aid Society, an organization that offers legal representation to those who otherwise could not afford it. It is his exemplary compassion, and his deep commitment to his faith that makes him such a great public servant to the community of Laredo.

Mr. Speaker, thank you for allowing me to honor Judge Marcel Notzon II, who has left a lasting impact on the South Texas legal community, and the country at large.

#### PAYING TRIBUTE TO CHARLES "CHUCK" FULKERSON

### HON. JON C. PORTER

OF NEVADA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 30, 2006*

Mr. PORTER. Mr. Speaker, I rise today to honor Charles W. "Chuck" Fulkerson, a retired U.S. Army Colonel, who will retire from the position of Executive Director of the Nevada Office of Veterans' Services, effective March 31, 2006.

Born in Idaho, he graduated from the University of Nevada, Reno in 1958, with a degree in Agriculture Economics. As a Distinguished Military Graduate of the Reserve Officer Training Corp, he was commissioned as second lieutenant infantry in 1958. Chuck served in a wide variety of assignments in the U.S. Army until his retirement from military service in 1991. His active duty military career includes two combat tours in Vietnam as an Infantry Officer, assignments in Europe and a tour as the Assistant Professor of Military Science at the University of Nevada, Reno. After leaving active service, Chuck served with the Nevada Military Department. He was appointed by Governor Robert List as the Director of the State Selective Service from 1979 to 1985. Recalled to active duty by Governor Richard Bryan in 1985, Chuck concluded his military career as the United States Property and Fiscal Officer for the Nevada National Guard. He is a graduate of the National Defense University and his military decorations include the Legion of Merit, the Bronze Star Medal the Air Medal, the coveted Combat Infantry Badge and the Vietnamese Cross of Gallantry with the Gold Star.

Under Chuck's leadership, the Nevada Office of Veterans Services realized significant achievements benefiting Nevada's veterans and their families. The State's Veterans Service Officer staff doubled in size, making it possible for more Nevada veterans to receive their VA benefits and recognition for their service than ever before. His leadership was also instrumental in securing \$9 million for the expansion of the State's two veterans' cemeteries; the Northern Nevada Veterans Memorial Cemetery in Fernley and the Southern Nevada Veterans Memorial Cemetery in Boulder City. Chuck's efforts made possible additional burial plots, columbariums, and new maintenance and administration buildings, greatly increasing the Cemeteries' ability to properly

honor those who served. Additionally, the State's Guardianship Program was expanded under his leadership, affording care to many more indigent veterans residing in the State of Nevada than ever before.

Of his many achievements during his tenure as the Executive Director of the Nevada Office of Veterans Service, Chuck is most proud of his efforts to bring skilled nursing services to Nevada veterans in need of long term care through the construction of the Nevada State Veterans Home in Boulder City. Prior to the opening of the State's Veterans Home, Nevada was one of very few states in the U.S. that did not have a state veterans home to care for veterans in need of 24-hour skilled nursing care. Chuck's leadership not only dramatically increased the State's offerings to Nevada veterans, but created a road map for future increases in services for veterans.

Chuck has been actively involved in veterans' issues throughout his career. He is a founder and officer of the Veterans Hospital Foundation in Reno and a life member of the Veterans of Foreign Wars, the Disabled American Veterans, the Vietnam Veterans of America, and the U.S. Army Retired Officers Association. Active in the community, Chuck belongs to the Reno Sunrise Rotary Club where he has been designated a Paul Harris Fellow. He also serves on the Executive Board of the Nevada Area council of the Boy Scouts of America and is a guest lecturer at the UNR and UNLV military departments. Chuck is married to Mary Lee Metzker and has three children and five grandchildren.

Mr. Speaker, it is an honor to recognize Chuck Fulkerson on the floor of the House. He is a fine American and a true hero to those who have had the honor of knowing and serving with him. He has an unwavering spirit for the veterans of yesterday, today and tomorrow. I wish him the best in retirement.

#### NATIONAL FOOD UNIFORMITY ACT

### HON. BETTY MCCOLLUM

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 30, 2006*

Ms. MCCOLLUM of Minnesota. Mr. Speaker, I rise today in opposition to the National Food Uniformity Act (H.R. 4167) and in support of the right of every state to enforce their laws and protect the health of their citizens.

This legislation amends the Federal Food, Drug and Cosmetic Act to create a national standard for food safety labeling. It seeks to achieve a national standard by overriding most state and local food safety warnings and by prohibiting new ones unless they are identical to national requirements.

If enacted, this legislation would not only compromise consumer safety with a "lowest-common denominator protection" but also seriously undermine state authority. Over two hundred state laws regarding food safety labeling would be superseded by the National Food Uniformity Act. The specter of such a wide-reaching federal measure has prompted thirty-nine state attorney generals to organize in opposition to legislation they say would "strip state governments of their ability to protect their residents through state laws and regulations relating to the safety of food and food packaging."
