

After a 2-year investigation and thousands of man-hours on the part of Investigators Hash and Killmon, 14 drug- and violence-related arrests have been made and a cop killer now sits behind bars.

It is a privilege for me to honor the accomplishments of these outstanding members of my hometown police force on the House floor today. Because of their dedicated service of these two top cops and thousands of police officers throughout our Nation, our streets are safer for our families. For that we are all eternally grateful.

**EXTENDING THE MEDICARE PART D DEADLINE**

(Mr. BISHOP of New York asked and was given permission to address the House for 1 minute.)

Mr. BISHOP of New York. Mr. Speaker, with only 5 days before the deadline to sign up for the Medicare drug benefit, only 9 percent of eligible New Yorkers have voluntarily signed up for it.

Why such low enrollment? Could it be that seniors have to choose among 47 plans that keep changing? It is a daunting task to tackle a moving target.

Could it be that a third of the calls answered by Medicare operators result in inaccurate information or none at all? Could there be a more clear-cut case for extending the sign-up deadline?

Clearly, the President disagrees. To him, the "D" in part D stands for "deadline." But he is not a senior or a disabled American who needs and deserves more time and for whom "D" stands for disaster.

After holding dozens of town hall meetings over the past 6 months, I join with my colleagues today in calling upon the Republicans to extend the deadline, penalty free, through the end of the year.

For nine of 10 eligible New Yorkers who haven't chosen a plan yet, but must pick from among 47 plans, another 6 months will go a long way toward helping them choose a plan that is right for them.

**REPUBLICANS CREATE OPPORTUNITIES**

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, since 2003, the Bush tax cuts have helped all Americans by creating over 5.2 million jobs, reducing the unemployment rate to the lowest average in three decades, and growing the economy at a record pace. Thanks to the Home Builders Association, there is record homeownership.

Although Democrats have seen American families benefit from lower taxes, they continue to obstruct opportunities. Yesterday, House Democrats stuck to their tax-and-spend strategy.

When the House considered the tax reductions yesterday, 185 Democrats voted against this critical legislation. By voting against this bill, they clearly signaled their support for raising taxes on American families, American small businesses, and American investors.

Fortunately, House Republicans voted for this legislation so that Americans, not the Federal Government, have control over their hard-earned incomes. By passing this bill, we have helped create and ensure that our economy continues to grow, creating opportunities.

In conclusion, God bless our troops, and we will never forget September 11.

**VIETNAM HUMAN RIGHTS DAY**

(Ms. LORETTA SANCHEZ of California asked and was given permission to address the House for 1 minute.)

Ms. LORETTA SANCHEZ of California. Mr. Speaker, I rise today to highlight the ongoing struggle for freedom and democracy in Vietnam. As we observe Vietnam Human Rights Day, it is clear that the struggle is far from over.

The most basic freedoms we enjoy, the freedom of speech, the freedom of the press, the freedom of assembly, the freedom of religion, these are not available in Vietnam.

Last month, 116 Vietnamese citizens signed an "Appeal For Freedom of Political Association," and 118 citizens signed a Manifesto on Democracy and Freedom For Vietnam.

But the government crackdown began almost immediately with raids, detainments, harassment, and abuse. Those who signed these documents placed themselves and their families and their friends at a great risk for a greater good.

What a compelling reminder that while the freedoms we enjoy are not universal, the thirst for freedom most certainly is.

I urge my colleagues to speak out on behalf of these brave men and women who continue to fight for the very basic human liberty through peaceful and nonviolent methods.

**MOTION TO ADJOURN**

Mr. SNYDER. Mr. Speaker, I move that the House do now adjourn.

The SPEAKER pro tempore (Mr. LATOURETTE). The question is on the motion to adjourn offered by the gentleman from Arkansas (Mr. SNYDER).

The question was taken; and the Speaker pro tempore announced that the noes appeared to have it.

Mr. SNYDER. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Evidently a quorum is not present.

The Sergeant at Arms will notify absent Members.

The vote was taken by electronic device, and there were—yeas 31, nays 366, not voting 35, as follows:

During consideration of this resolution, all time yielded is for the purpose of debate only.

## GENERAL LEAVE

Mr. COLE of Oklahoma. Mr. Speaker, I ask unanimous consent that all Members may have five legislative days to revise and extend their remarks, and to insert tabular and extraneous material.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Oklahoma?

There was no objection.

Mr. COLE of Oklahoma. Mr. Speaker, on Wednesday, the Rules Committee met and reported a second rule for consideration of the House Report for H.R. 5122, the Fiscal Year 2007 National Defense Authorization Act.

Mr. Speaker, this rule is a structured rule and provides for further consideration of the bill, H.R. 5122. It makes in order only those amendments printed in the Rules Committee report accompanying the resolution and amendments en bloc described in section 3 of the resolution.

The rule provides that amendments printed in the report shall be considered only in the order printed in the report, except as specified in section 4 of the resolution, may be offered only by a Member designated in the report, and shall be considered as read.

It provides that each amendment printed in the report shall be debatable for the time specified in the report, equally divided and controlled by a proponent and an opponent, shall not be subject to amendment, except that the chairman and ranking minority member of the Committee on Armed Services each may offer one pro forma amendment for the purpose of further debate on any pending amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole.

Mr. Speaker, the rule waives all points of order against amendments printed in the report and those amendments en bloc as described in section 3 of the resolution. Additionally, it authorizes the chairman of the Committee on Armed Services, or his designee, to offer amendments en bloc consisting of amendments printed in the Rules Committee report not earlier disposed of, which shall be considered as read, shall be debatable for 20 minutes, equally divided and controlled by the chairman and ranking minority member of the Committee on Armed Services or their designees, and shall not be subject to amendment or demand for division of the question in the House or the Committee of the Whole.
