PANAMANIAN HONOR DR. MARCO
A. MASON

HON. CHARLES B. RANGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, May 19, 2006

Mr. RANGEL. Mr. Speaker, I rise today to pay tribute to Dr. Marco A. Mason for all that he has done for the Panamanian community here and abroad. A distinguished academic, Dr. Mason has been directly involved in the community through various educational services and youth development for many years. He is very deserving of the honor being given to him.

Due to the fact that Dr. Mason has remained committed to the community for so long, The Panama Canal International Alumni Association Inc. (PCIAA) and The Panamanian American Community Center honored him for Distinguished Community Service at their fourth annual Spring Dinner Dance and Distinguished Awards Presentation, held at Crystal Manor in Brooklyn, New York.

Dr. Mason is also a medical sociologist and serves as an assistant professor of social and behavioral sciences at Medgar Evers College in New York City. He is also a member of an array of associations and councils including being a charter member of the Caribbean Women's Health Association (CWAHA), the Caribbean American Medical and the Scientific Association, the Caribbean American Social Workers Association as well as various other community action groups.

An academic at heart, Dr. Mason's primary field of study includes very pertinent topics such as the impact of United States immigration policy on ethnic communities, and the delivery of culturally competent health services to ethnic groups. He is well versed in his field and has written extensively on the subject.

He has contributed so much to not only the Panamanian people in the United States, but to those at home, too. Former New York State Senator Dr. Waldaba Stewart, who currently heads the Diaspora Research and Develop-

ment Center presented the award to Dr. Mason and he noted that, "under Dr. Mason's leadership for the past two decades, facilitate the growth of CWAHA to become a noted urban problem solver that creates innovative solutions to community issues with a focus on breaking the cycle of poverty".

Dr. Stewart makes it clear that Dr. Mason knows what it takes to keep one's community strong for future generations, and it starts with as Dr. Stewart points out, "grassroots initiatives".

I enter into the RECORD with great admiration the article published in New York's CaribNews for its recognition of such a true humanitarian. Dr. Mason without a doubt is deserving of the acknowledgment for all that he has done over the years. He should be recognized for his commitment to the fundamental belief that changes start at home in the community and he did his best to make others see just how much power they really had.

IN THE HOUSE OF REPRESENTATIVES

Friday, May 19, 2006

Mr. PENCE. Mr. Speaker, I rise today to pay tribute to the life of Ron Zimmerman of Connersville, Indiana. He died this week in Afghanistan when a suicide bomber hit his vehicle while he was working as contractor on a U.S. State Department police training project.

Ron was working in Herat, Afghanistan, near the border with Iran and Turkmenistan. Among other things, he was training local police forces in methods of combating the illicit drug trade of opium poppies. He was in a convoy going to work to continue these training efforts when the vehicle he was traveling in was attacked by a suicide car bomber. He had been in Afghanistan since early April of this year.

Ron graduated from Connersville High School. Before going overseas, Ron served in the Fayette County Sheriff's Department, volunteered as a local firefighter, and most recently worked as a police officer in Brookville, Indiana. He left the police force in December 2004 to become a contractor. Prior to going to Afghanistan, he had worked for 1 year as a contractor training police forces in Kosovo.

Ron's courage and selfless dedication to others are shown through his willingness to travel to dangerous areas of the world in an effort to help those areas become safer and more secure. His wife Marla stated, "He was the type of person that felt like he had to do what he had to do. He was a very giving person."

I offer my deepest condolences to his wife, Marla; his two daughters, Mel Walker and Cheyenne Zimmerman, his son, Matt Walker, and all other family and friends who loved and admired this fine man.
