

Peter Rowan, because they have been an equal part of the success of this important bill as it moves forward.

I am proud of what we have done. I ask for all the Members' support not only on this rule but the important legislation which makes sure that we have a balanced policy effort and funding effort to make sure this country is protected.

I thank God every day that America rises to its feet, has an economy that works the way it does and the strength and power to lead this world economy, and for strength and peace.
