remaining in this vote.

□ 2229

Ms. LORETTA SANCHEZ of Cali-
fornia, Messrs. RAHALL, MARKEY,
MEEHAN and NEAL of Massachusetts
changed their vote from “no” to “aye.”
So the amendment was agreed to.

The result of the vote was announced
as above recorded.

□ 2230

Mr. WOLF. Mr. Chairman, I move
that the committee do now rise.

The motion was agreed to.

Accordingly, the Committee rose;
and the Speaker pro tempore (Mr.
MCCAUL of Texas) having assumed the
chair, Mr. HASTINGS of Washington,
Chairman of the Committee of the
Whole House on the State of the Union,
reported that that Committee, having
had under consideration the bill (H.R.
5672) making appropriations for
Science, the Departments of State,
Justice, and Commerce, and related
agencies for the fiscal year ending Sep-
tember 30, 2007, and for other purposes,
had come to no resolution thereon.

COLLOQUY RE CRAB PROCESSOR
QUOTA SHARES

(Mr. LOBIONDO asked and was given
permission to address the House for 1
minute and to revise and extend his re-
marks.)

Mr. LOBIONDO. Mr. Speaker, I rise
to enter into a colloquy with the chair-
man of the Transportation and Infra-
structure Committee, Chairman
YOUNG.

Is it the intent of the conference on
H.R. 889, the Coast Guard and Maritime
Transportation Act of 2006, that when
the National Marine Fisheries Service
issues new processor quota shares
under section 417, the regional designa-
tion for the shares for both the king
and c. opilio crab fisheries shall reflect
the processing history of the Blue
Dutch during the years leading up to
the North Pacific Council’s adoption of
the crab plan?

Mr. YOUNG of Alaska. Mr. Chair-
man, will the gentleman yield?

Mr. LOBIONDO. I yield to the gen-
tleman from Alaska.

Mr. YOUNG of Alaska. Yes, it is the
intent of the conferees that both the
new king crab processor quota shares
and the new c.opilio processor quota
shares shall receive a designation based
on the location in which crab was his-
torically processed.

Mr. LOBIONDO. I thank the gen-
tleman.

REMOVAL OF NAME OF MEMBER
AS COSPONSOR OF H.R. 4157

Ms. JACKSON-LEE of Texas. Mr.
Speaker, I ask unanimous consent to
remove my name from H.R. 4157, the
Health Information Technology Act of
2005.

The SPEAKER pro tempore. Is there
objection to the request of the gentle-
woman from Texas?

There as no objection.

OVERSIGHT GAP IN IRAQ

(Mr. BROWN of Ohio asked and was
given permission to address the House
for 1 minute and to revise and extend
his remarks.)

Mr. BROWN of Ohio. Mr. Speaker,
former State Department intelligence
officials testified yesterday that they
warned the administration 3 years ago
that the occupation of Iraq would pro-
voke insurgency ethnic strife and the
targeting of U.S. forces. But their
words then, 3 years ago, went
unheeded.

The Post reported today that the
hearing “marked the first time intel-
ligence assessments on postwar Iraq
had been specifically discussed in a
congressional session.” No Republicans
participated.

Three years after the war in Iraq
began, Republicans are still refusing to
investigate what went wrong. Ohio
families are paying the price.

Many of us have repeatedly asked the
President to present a plan for success
in Iraq, a winning exit strategy to com-
plete the mission and start to redeploy
and bring our troops home. Republi-
cans responded with theatrics and
sound bites. More of the same is not a
plan. More of the same doesn’t bring us
any closer to winning the global war on
terror.

The troops and the American people
deserve better. They deserve a Con-
gress that doesn’t look the other way
when mistakes are made. They deserve
a realistic and forward-thinking plan
that brings our troops home.

SHUTTLE SAFETY

(Ms. JACKSON-LEE of Texas asked
and was given permission to address
the House for 1 minute and to revise
and extend her remarks.)

Ms. JACKSON-LEE of Texas. Mr.
Speaker, just a few days from today,
brave Americans will again enter into
space, pressing forward the intellectual
and, of course, scientific expertise that
Americans possess. I support the space
exploration program, but I stand today
as a member of the House Science
Committee who has continually asked
the question about safety, safety, safe-
ty.

After the incident of *Columbia*, we
implemented safety procedures. Unfor-
tunately, today, we find that one of the
engineers that had concerns about the
space shuttle’s launch on July 1 has
now been removed as an engineer from
this program.

Whistle-blower protection. Safety re-
quirements. It is time, before they
launch, that they tell Members of Con-
gress the facts and that we can be as-
sured that all manner of testing, all as-
sessment has been made to ensure a
safe launch, as safe as possible, so that
lives can be protected.
