

Boys and Girls Club established with a sound financial backing. Their efforts, as well as the work of many others, have ensured the success of one of the most vital and enduring youth programs in the Napa Valley.

My good friend Monsignor Brenkle is the Pastor of the St. Helena Catholic Church, where he has been for 22 years. During this time he has taken the lead on many projects in the community, and he is widely known throughout the Napa Valley for his activism with farm workers to ensure adequate housing conditions. Monsignor Brenkle, working closely with Ms. Schmidt, provided space for the program in the St. Helena Catholic School's gymnasium during the summer of 1989, from which it subsequently expanded into the Elementary School's cafeteria. In 1992 the program returned to redeveloped facilities at the Catholic School with Monsignor Brenkle's blessing, and has continued to expand ever since.

Ms. Mariatma Schmidt worked together with Monsignor Brenkle to complete the many tasks necessary to open the Boys and Girls Club of St. Helena. She then took on the role of president for 6 years, where she oversaw the establishment of permanent facilities and took the lead in recruiting fundraisers and volunteers to help the young program grow. Her vision left the Boys and Girls Club with a devoted network of supporters and financiers, and her efforts both with this program and other youth education foundations have had a substantial impact on our St. Helena community.

Ms. Helaine Katz chaired the Fundraising Committee during the club's early years, where her creative and exciting events raised countless thousands of dollars to provide the club with the early capital it needed to develop facilities and programs for young people. Her signature event for many years has been the Rotary Club's Winter Ball, which brings together St. Helena residents to benefit children's programs in our area. Her fundraising savvy and taste for a good party makes her an invaluable member of our community, and the money raised over the last 16 years has brought a succession of new facilities to the club, culminating in the new superb facility they share with the St. Helena school district.

Madam Speaker, I rise today to recognize all three of these individuals for the incredible contributions they have made to the Boys and Girls Club of St. Helena, and to the community at large. They are being recognized for their foundational roles in the club, and I join all in our community in thanking them for the work they have done on behalf of St. Helena's youth.
