

Whereas, currently, only about half of eligible low-income children can attend Head Start due to state and federal funding limitations, and even fewer infants and toddlers. Less than five percent of eligible children three years old and younger are able to participate in Early Head Start. Moreover, only one in seven eligible children in working, low-income families receives help paying for quality child care through the Child Care and Development Block Grant. The combination of state and federal money for preschool has helped Michigan reach two of three at-risk four-year-olds and one of five at-risk three-year-olds; and

Whereas, Real dollar funding levels for Head Start and child care have been cut for the last several years, falling far behind the rising costs that programs face. Instead of reaching more eligible kids with comprehensive health, nutrition, and early education services, Head Start programs have been forced to shorten program hours, cut back staff, reduce parent coaching, and reduce transportation and other services that help families participate: Now, therefore, be it

*Resolved, by the House of Representatives,* That we memorialize the Congress of the United States to increase discretionary funding in the federal budget for 2008 by \$750 million in additional funding over current levels for Head Start and \$720 million in additional funding over current levels for the Child Care and Development Block Grant (CCDBG). This request does not address the unmet need in Head Start and CCDBG, but simply restores services to children to the Fiscal Year 2002 level. This is a crucial first step toward meeting the need to provide quality early childhood education and care for at-risk children. Investing in Head Start and quality child care now will improve education outcomes for our nation's at-risk children and will save lives and money down the road; and be it further

*Resolved,* That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

POM-58. A concurrent resolution adopted by the Legislature of the State of North Dakota encouraging a recommitment to the ratification of the Equal Rights Amendment in all states and final passage in Congress; to the Committee on the Judiciary.

#### HOUSE CONCURRENT RESOLUTION NO. 3032

Whereas, the proposed Equal Rights Amendment provides "equality of rights under the law shall not be denied or abridged by the United States or by any State on account of sex" and Congress sent the Equal Rights Amendment to the states for ratification on March 22, 1972; and

Whereas, on February 11, 1975, North Dakota became the 34th state to ratify the Equal Rights Amendment, due to the efforts of a broad spectrum of supporters, including the Coordinating Council for the Equal Rights Amendment, the 44th Legislative Assembly, and Senate Concurrent Resolution No. 4007 sponsors Senators Redlin and Lips and Representatives Homuth and Pyle; and

Whereas, many women worked all of their lives for a constitutional amendment affirming that women had equal rights and protections under the United States Constitution, including Alice Paul, Elizabeth Cady Stanton, and Susan B. Anthony; and

Whereas, 35 of the needed 38 states ratified the Equal Rights Amendment and without ratification the United States Constitution fails to guarantee female citizens equal rights and equal justice: Now, therefore, be it

*Resolved by the House of Representatives of North Dakota, The Senate Concurring Therein,* That the Sixtieth Legislative Assembly acknowledges the actions of the 44th Legislative Assembly of North Dakota and the sponsors of Senate Concurrent Resolution No. 4007 affirming the equal application of the United States Constitution to all citizens through the passage of the Equal Rights Amendment; and be it further

*Resolved,* That the Sixtieth Legislative Assembly declares Friday, March 9, 2007, North Dakota Equal Rights Amendment Recognition Day; and be it further

*Resolved,* That the Sixtieth Legislative Assembly encourages a recommitment to the ratification of the Equal Rights Amendment in all states and final passage in Congress; and be it further

*Resolved,* That the Secretary of State forward copies of this resolution to the Governor, the President of the Senate and the Speaker of the House of Representatives of the Congress of the United States, and to each member of the North Dakota Congressional Delegation.

POM-59. A joint resolution adopted by the Legislature of the State of New Mexico memorializing Congress to fully fund medical care and aid and attendant care services for Honey Sue Newby and the other Level Three Spina Bifida children of parents who served in Vietnam and who are totally disabled; to the Committee on Veterans' Affairs.

Whereas, the Federal Department of Veterans Affairs acknowledges that one thousand two hundred children of Vietnam War veterans have some degree of disability resulting from their birth parents' exposure to Agent Orange during military service in the Vietnam War; and

Whereas, approximately two hundred of these children of war veterans are designated as level three spina bifida children, who are considered to be totally disabled; and

Whereas, these children, designated as totally disabled as a result of their birth parents' exposure to Agent Orange during military service in Vietnam, are in a situation that is indistinguishable from that of any one hundred percent service-connected disabled veteran who is totally disabled as the result of military service; and

Whereas, these two hundred level three spina bifida children of Vietnam War veterans are not treated equally with the disabled military veterans as regards compensatory medical care and aid and attendant care; and

Whereas, the financial cost for families of these children can be crippling, and many proud American military veterans and their families must depend on welfare or charity to provide the vital medical care and attendant care their children need; and

Whereas, at least one of these children, Honey Sue Newby, whose birth father served three tours as a Marine Infantryman in Vietnam, resides in New Mexico; and

Whereas, the Legislature seeks to honor and encourage fair treatment of all persons who have made personal sacrifices in the military defense of our nation: Now, therefore, be it

*Resolved by the Legislature of the State of New Mexico,* That it urge the United States Congress to provide full medical care and attendant care to Honey Sue Newby and the other level three spina bifida children who are totally disabled as a result of their birth parents' military service in Vietnam; and be it further

*Resolved,* That the New Mexico Congressional Delegation be requested to work vigorously for adequate funding to provide full medical care and aid and attendant care to all level three spina bifida children who are

totally disabled because of the effects of Agent Orange used in Vietnam; and be it further

*Resolved,* That copies of this memorial be transmitted to each member of the Congressional Delegation, the Chief Clerks of the United States House of Representatives and the United States Senate and the United States Department of Veterans Affairs.

POM-60. A resolution adopted by the Miami-Dade County Board of County Commissioners directing the County Manager to study the creation of a voluntary "Miami-Dade Trans Fat Free Program" and a program to provide education and guidance to restaurants, bakeries and the public regarding the negative health effects of trans fats; to the Committee on Agriculture, Nutrition, and Forestry.

POM-61. A resolution adopted by the Board of Commissioners of the County of Armstrong of the State of Pennsylvania urging Congress to place a moratorium on new free trade agreements, and to investigate and review current free trade agreements and policies of the United States; to the Committee on Finance.
