SEC. 4. RECOGNITION OF ISRAEL AS UNDIVIDED UNITED STATES FLAG TO HALF-STAFF ON THE DAY OF THE NATIONAL FALLEN FIREFIGHTER MEMORIAL SERVICE IN EMMITSBURG, MARYLAND.

Ms. COLLINS (for herself, Mr. BIDEN, Mr. MCCAIN, Ms. MIKULSKI, Mr. CARPER, and Mr. DODD) submitted the following resolution; which was referred to the Committee on the Judiciary:

S. Res. 171

Whereas 1,100,000 men and women comprise the fire service in the United States;

Whereas the fire service is considered one of the most dangerous professions in the United States;

Whereas fire service personnel selflessly respond to over 22,500,000 emergency calls annually, without reservation and with an unwavering commitment to the safety of their fellow citizens;

Whereas fire service personnel are the first to respond to an emergency, whether it involves a fire, medical emergency, spill of hazardous materials, natural disaster, act of terrorism, or transportation accident; and

Whereas approximately 100 firefighters die annually in the line of duty, often in circumstances too terrifying and agonizing for us to imagine.

And each year, about 100 of these brave firefighters die in the line of duty, often in circumstances too terrifying and agonizing for us to imagine. The sad toll in 2006 was 105 firefighters.

Recognizing the many dangers of our firefighters' profession and the essential public service that they selflessly provide, Congress has taken practical steps to ensure that firefighters possess the equipment and other resources needed to safely fulfill their many missions. For example, in 2001, Congress created the Assistance to Firefighters Grant Program, otherwise known as the Fire Act Grants, which fire departments—including many in Maine—have used to buy much-needed equipment and to fund training, health, and fitness programs.

Congress has also taken symbolic steps to honor the brave firefighters who have died in the line of duty. Under the leadership of our retired colleague senator Paul Sarbanes, Congress established the non-profit National Fallen Firefighters Foundation to honor America's fallen firefighters and to support their families.

The Foundation maintains the official national memorial to fallen firefighters in Emmitsburg, MD, and conducts an annual memorial weekend that draws thousands of firefighters and the families from around the country.

The memorial weekend, begun in 1982, will be held this year October 5 through 7, including a memorial service on Sunday, October 7.

The resolution I submit today would provide another form of expression of our respect and appreciation for our fallen firefighters. It would direct that flags on all Federal facilities would be lowered to half-staff each year on the day of the memorial service.

Our families bury them, lose them in their lives every day for their fellow citizens. It is fitting that we offer this simple but richly symbolic tribute to all those firefighters who have given their lives in our defense.

S. Res. 172

Whereas the founding of the colony at Jamestown, Virginia, in 1607, the first permanent English colony in America, and the capital of Virginia for 92 years, has major significance in the history of the United States;

Whereas the Jamestown Settlement was established to commemorate the 400th Anniversary of the founding of the colony Jamestown in 1607 and urges all Americans to honor this seminal event in our Nation's history.
