

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

#### EASTERN MUNICIPAL WATER DISTRICT RECYCLED WATER SYSTEM PRESSURIZATION AND EXPANSION PROJECT

Mrs. NAPOLITANO. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 30) to amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Eastern Municipal Water District Recycled Water System Pressurization and Expansion Project.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 30

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

##### SECTION 1. SHORT TITLE.

This Act may be cited as the "Eastern Municipal Water District Recycled Water System Pressurization and Expansion Project".

##### SEC. 2. PROJECT AUTHORIZATION.

(a) IN GENERAL.—The Reclamation Wastewater and Groundwater Study and Facilities Act (Public Law 102-575, title XVI; 43 U.S.C. 390h et seq.) is amended by adding after section 16XX the following:

##### "SEC. 16XX. EASTERN MUNICIPAL WATER DISTRICT RECYCLED WATER SYSTEM PRESSURIZATION AND EXPANSION PROJECT, CALIFORNIA.

"(a) AUTHORIZATION.—The Secretary, in cooperation with the Eastern Municipal Water District, California, may participate in the design, planning, and construction of permanent facilities needed to establish operational pressure zones that will be used to provide recycled water in the district.

"(b) COST SHARING.—The Federal share of the cost of the project described in subsection (a) shall not exceed 25 percent of the total cost of the project.

"(c) LIMITATION.—Funds provided by the Secretary shall not be used for operation or maintenance of the project described in subsection (a).

"(d) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out this section \$12,000,000.

"(e) SUNSET OF AUTHORITY.—The authority of the Secretary to carry out any provisions of this section shall terminate 10 years after the date of enactment of this section."

(b) CLERICAL AMENDMENT.—The table of sections in section 2 of Public Law 102-575 is amended by inserting after the item relating to section 16XX the following:

"Sec. 16XX. Eastern Municipal Water District Recycled Water System Pressurization and Expansion Project, California."

The SPEAKER pro tempore. Pursuant to the rule, the gentlewoman from California (Mrs. NAPOLITANO) and the gentleman from Colorado (Mr. LAMBORN) each will control 20 minutes.

The Chair recognizes the gentlewoman from California.

GENERAL LEAVE

Mrs. NAPOLITANO. Mr. Speaker, I ask unanimous consent that all Members may have 5 days to revise and ex-

tend their remarks and include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from California?

There was no objection.

Mrs. NAPOLITANO. Mr. Speaker, I yield myself such time as I may consume.

H.R. 30, as introduced by our colleague, Mr. DARRELL ISSA from California, amends the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Eastern Municipal Water District Recycled Water System Pressurization and Expansion Project.

This legislation will provide limited financial assistance to the district for the expansion of the Eastern Municipal Water District pressure zone system, a critical part of their water recycling system. The legislation will help the district maintain a stable, secure water supply to strengthen the community's ability to attract business, sustain its economy, protect its environment, and deal with the community's needs.

I thank Mr. ISSA for his hard work on this legislation, and I urge my colleagues to join me in supporting H.R. 30.

Mr. Speaker, I reserve the balance of my time.

Mr. LAMBORN. Mr. Speaker, I yield myself such time as I may consume.

H.R. 30 recognizes the need to capture and treat waste runoff to meet growing water supply needs in arid Southern California. The water recycling project envisioned in this legislation will help drought-proof the region and reduce its dependence on imported water from the Colorado River.

I commend our colleague from California (Mr. ISSA) for his continued leadership and attention on developing new water supplies. I urge my colleagues to support this important legislation.

Mr. Speaker, I yield 3 minutes to the gentleman from California (Mr. ISSA).

Mr. ISSA. Mr. Speaker, this bill is not new. In fact, this is the second go-around for it, but that doesn't make it any easier. This bill, like many in the last Congress, died in the Senate.

That's going to be different this time thanks to Chairman RAHALL and Ranking Member YOUNG. They considered this, reviewed to see if there were any significant changes, and quickly reported it out of committee. I want to thank them for working on a bipartisan basis to do that early on.

This is important to the people of Southern California. As the gentlewoman, who will speak, hopefully, next, will tell you, California has water. Unfortunately, we don't capture enough, and it isn't where we need it and when we need it.

H.R. 30 is designed to bring some of that availability by significantly increasing our use of recycled water, both helping maintain the aquifer and providing safe, clean water for a mul-

titude of uses for the people of Southern California. I urge the support of this bill, and I will not mention the other body again, except to say that I am looking forward to this early passage turning into an early signature by the President.

Mrs. NAPOLITANO. Mr. Speaker, I yield back the balance of my time.

Mr. LAMBORN. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from California (Mrs. NAPOLITANO) that the House suspend the rules and pass the bill, H.R. 30.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

#### LOWER REPUBLICAN RIVER BASIN STUDY ACT

Mrs. NAPOLITANO. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 1025) to authorize the Secretary of the Interior to conduct a study to determine the feasibility of implementing a water supply and conservation project to improve water supply reliability, increase the capacity of water storage, and improve water management efficiency in the Republican River Basin between Harlan County Lake in Nebraska and Milford Lake in Kansas.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 1025

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

##### SECTION 1. SHORT TITLE.

This Act may be cited as the "Lower Republican River Basin Study Act".

##### SEC. 2. REPUBLICAN RIVER BASIN FEASIBILITY STUDY.

(a) AUTHORIZATION OF STUDY.—Pursuant to reclamation laws, the Secretary of the Interior, acting through the Bureau of Reclamation and in consultation and cooperation with the States of Nebraska, Kansas, and Colorado, may conduct a study to—

(1) determine the feasibility of implementing a water supply and conservation project that will—

(A) improve water supply reliability in the Republican River Basin between Harlan County Lake in Nebraska and Milford Lake in Kansas, including areas in the counties of Harlan, Franklin, Webster, and Nuckolls in Nebraska and Jewel, Republic, Cloud, Washington, and Clay in Kansas (in this section referred to as the "Republican River Basin");

(B) increase the capacity of water storage through modifications of existing projects or through new projects that serve areas in the Republican River Basin; and

(C) improve water management efficiency in the Republican River Basin through conservation and other available means and, where appropriate, evaluate integrated water resource management and supply needs in the Republican River Basin; and

(2) consider appropriate cost-sharing options for implementation of the project.

(b) COST SHARING.—The Federal share of the cost of the study shall not exceed 50 percent of the total cost of the study, and shall be nonreimbursable.
