

shaped the development of the entire Missouri River Valley region and transformed the landscape of America's heartland. The legislation authorized hundreds of dam and levy projects and established substantial changes in federal policy with regard to the management of the Missouri River. The Kansas City District played a key role in this national effort.

In addition to its responsibilities along the Missouri River, the Kansas City District operates eighteen lakes across Missouri, Kansas, Iowa, and Nebraska. It also provides additional services to the nation, both inside and outside its own physical boundaries. Recently, the District has supported the United States Army by overseeing the construction of facilities for the 1st Infantry Division at Fort Riley, KS, and of the new Lewis and Clark Classroom Facility for the Army's Command and General Staff College at Fort Leavenworth, KS.

Madam Speaker, I know the members of the House will join me in congratulating the people who have worked to make the United States Army Corps of Engineers Kansas City District a successful organization and will join me in sending thanks to them on their 100th anniversary.

TRIBUTE TO CAROL AND PETER  
CARROLL CELEBRATING THEIR  
50TH WEDDING ANNIVERSARY

**HON. VITO FOSSELLA**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Monday, May 21, 2007*

Mr. FOSSELLA. Madam Speaker, on May 18, 1957, Carol and Peter Carroll were married in St. Malachy's Church and went on to raise five children: Kathleen, John, Peter, Helen, and Paul.

Peter and Carol met while they were students at St. John's University. Peter was a starting center for the St. John's Redmen, and he and Carol met at a post-basketball game party.

Peter Carroll spent 40 years as a supervisor for Brooklyn Union Gas and coached basketball and baseball for St. Charles Parish and the Great Kills Little League. Carol worked for New York Telephone and then worked full time raising five children while also volunteering at the St. Charles School.

The Carrolls are proud grandparents of 17: Kathleen, Virginia, Caroline, Thomas, Amanda, Lindsey, Katie, Kevin, Billy, Andrew, McKenzie, Jennifer, Thomas, James, Victoria, Lauren, and Matthew. They currently split their time between Staten Island, Florida, and Long Beach Island.

Madam Speaker, I would like to congratulate the Carrolls on this momentous occasion and wish them 50 more years of marriage.

RECOGNIZING THE RETIREMENT  
OF RONALD G. JOHNSON, PH.D.,  
PRESIDENT OF MALONE COLLEGE,  
CANTON, OHIO

**HON. RALPH REGULA**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Monday, May 21, 2007*

Mr. REGULA. Madam Speaker, a native of Michigan, Ron Johnson attended Malone Col-

lege in 1960 and went on to earn a bachelor of arts degree in physics from Eastern Michigan University in 1963. He received a master's degree in radiation biophysics from the University of Kansas in 1967 and the doctorate in radiation biophysics, also from the University of Kansas, in 1970. Dr. Johnson returned to Malone College in 1970 to serve as assistant professor of physics, and was subsequently promoted to associate professor in 1974 and full professor in 1979. In 1981, he accepted the post of chief academic officer. His title was changed to provost in 1991 to more accurately describe his expanded duties and role at the College. He was named president in November 1994. At his inauguration in March of 1995 he announced the theme that would characterize his presidency—The Next Level of Excellence.

Throughout Dr. Johnson's 25 years of administrative leadership, Malone College has experienced unprecedented growth and development in academics, the number of students in attendance, and physical plant. Since 1981, the number of full-time faculty has increased from 33 to 111. In addition during his presidency, the percentage of faculty holding a terminal degree has increased from 48 percent to 71 percent. Enrollment has soared nearly 200 percent from 770 to 2300. Dr. Johnson has overseen the development of numerous academic programs, including the bachelor of science in nursing; two baccalaureate degree-completion programs in management and nursing; as well as graduate programs awarding master's degrees in education, counseling, Christian ministries, business administration, and nursing.

During his tenure Malone also has developed innovative academic programs in zoo biology, forensic chemistry, sports/youth ministry, commercial music technology, and community health education, to name only a few of the more than 90 programs of study. Also of note—it is within Dr. Johnson's presidency that Malone has been honored with 2 more prestigious distinctions: recognition by the Templeton Foundation as a national leader in character development, and ranking among the top colleges and universities in the Midwest under the category Universities—Master's according to U.S. News & World Report's America's Best Colleges 2006 and again in 2007. Dr. Johnson's experience and leadership have been instrumental during 3 of the Higher Learning Council of the North Central Association's decadal reaccreditations, including the most recent in the spring of 2004. During Johnson's presidency the College's endowment has grown nearly 500 percent from \$3.1 million to approximately \$18 million.

Appearances of such record growth are also evident in the physical changes that continue to take place on the campus. Dr. Johnson supervised the completion of Malone's newest structures—the Brehme Centennial Center, the Ewing Varsity Center, Mitchell Hall, and Haviland Hall, the School of Nursing building addition, Wellness Center, and the purchase/renovation of the Johnson Center for Worship and the Fine Arts (formerly First Christian Church). Other campus renovations under Dr. Johnson's guidance include the attractively landscaped Herbert W. Hoover Courtyard; the Marjorie Johnson Memory Garden, named in honor of Malone's beloved, late first lady; and the newly completed dining facility and entranceway to the Brehme Centennial Center.

A leader in Christian higher education, Dr. Johnson is a member of the board of directors of the Christian College Consortium and its Fund, the Council of Christian Colleges and Universities, Council of Presidents. At the state level he is vice-chair elect and a member of the executive committee of the Ohio Foundation of Independent Colleges. His service in the Evangelical Friends Church—Eastern Region has included serving as presiding clerk of the Yearly Meeting for 11 years and currently as a member of the executive board and the board of directors of Barclay Press. Locally, Dr. Johnson is a member of the Stark Development Board and the P-16 Compact. He has served the Canton Regional Chamber of Commerce and was chairman in 2000. He has served on the boards of Leadership Stark County and the Medical Education Foundation of the Northeastern Ohio Universities College of Medicine, and been involved with United Way of Stark County.

He is father to 2 married children, Mark and Kristin, and grandfather to Cameron. He attends Jackson Friends Church, where he serves as an elder and Sunday school teacher.

PERSONAL EXPLANATION

**HON. RON LEWIS**

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

*Monday, May 21, 2007*

Mr. LEWIS of Kentucky. Madam Speaker, on May 17, 2007 I left Washington to return to Kentucky to be with my family for a medical emergency. As a result, I missed the following votes: rollcall 375, ordering the Previous Question for the rule on S. Con. Res. 21, and had I been present I would have voted "nay"; rollcall 376 on agreeing to the resolution for the debate of S. Con. Res. 21 and had I been present I would have voted "nay"; rollcall 377 on passage of S. Con. Res. 21 and had I been present I would have voted "nay."

I oppose the Democrat Budget Conference Report because of the massive spending increases and higher tax burdens it places on Kentucky families. The budget outline includes \$22 billion in new non-defense discretionary spending, three times more than the President's request. Worse still, this conference report sets the course for one of the largest tax increases in American history—at least \$217 billion over the next five years.

The budget also ignores repeated warnings about the unsustainable rate of growth in entitlement spending, failing again to address the fiscal crisis facing Social Security, Medicare and Medicaid. Our economy continues to enjoy one of the longest stretches of positive gain in recent memory. The out-of-control spending and massive tax increases outlined in this conference report threatens to bring our vibrant economy to a screeching halt.

Also on May 17 during consideration of amendments to legislation concerning certain Government Sponsored Enterprises (H.R. 1427) I missed the following votes: rollcall 378, on agreeing to the Bachus amendment had I been present I would have voted, "yea"; rollcall 379, on agreeing to the Hensarling amendment had I been present I would have voted, "yea"; rollcall 380, on agreeing to the McHenry amendment had I been present I
