A TRIBUTE TO BOYS AND GIRLS CLUBS OF PASADENA

HON. ADAM B. SCHIFF

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 5, 2007

Mr. SCHIFF. Madam Speaker, I rise today to honor the Boys and Girls Clubs of Pasadena, which will be celebrating its 70th anniversary this year. For the past 70 years, the Boys and Girls Clubs of Pasadena have remained committed to their motto of "Caring for our future, one child at a time."

Incorporated in 1937, the Boys Club of Pasadena, a member of the national organization, Boys Clubs of America, began by serving a Christmas dinner for 200 underprivileged boys in a rented space in Pasadena.

By 1953, the Boys Club membership had reached 4659, a drastic increase from 560 only ten years earlier. In the early 1960s, several milestones were achieved; the Boys Club acquired its own property, joined United Way of Los Angeles and received the National Program Award for Excellence for its Science Series Program.

Continuing to expand its services, the 1970s saw the Boys Club of Pasadena acquiring the Slavic Branch in Pasadena, becoming Pasadena's sponsor of the Summer Hot Lunch Program for Children, which served over 400 meals daily to club members, and the Boys Club Scholarship Program was formally established to aid young people with vocational, educational or fine arts pursuits.

The Boys Club of Pasadena opened the first childcare facility operated for pre-school children by any Boys Club. The Mackenzie/Scott Child Development Center opened in 1989 and was licensed by State of California for 88 preschool children. In 1990, the Center was accepted into the State of California Food Program and was formerly recognized by the City of Pasadena for excellence in child care.

In 1990, after the Boys Clubs of America changed its name to Boys and Girls Clubs of America, the Boys Club of Pasadena changed its name to the Boys and Girls Clubs of Pasadena.

Hilary Crahan became Executive Director of the Boys and Girls Clubs of Pasadena in 2004 and under her leadership the club has continued to emphasize both formal and informal education. Currently, over 7200 children participate at the five sites: Slavik Branch, the Mackenzie-Scott Branch, the Scott Child Care

Center, the Performing Arts Center, and the Orange Grove Learning Center. The more than fifty academically enriching programs include music and arts education, sports, technology training, leadership classes, and tutoring in math, English, and science.

It is my pleasure to honor the Boys and Girls Clubs of Pasadena on their anniversary of 70 years of dedicated service to the youth in the 29th Congressional District. I ask all members to join me in commending their efforts.

PRAISING LT. GOVERNOR DAVID PATERSON'S COMMITMENT TO MINORITY AND WOMEN-OWNED BUSINESSES IN NEW YORK STATE

HON. CHARLES B. RANGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 5, 2007

Mr. RANGEL. Madam Speaker, I rise today to bestow praise to Lt. Governor David Paterson of the great state of New York for his commitment to empowering Minority and Women-Owned Businesses (MWBE). His initiative to start this dialogue has shown the lack of contracts that MWBEs receive from the major agencies and authorities in the state. Lt. Governor Paterson's leadership in this initiative will help to improve procurement practices in New York State by ensuring that MWBEs receive contracts that they are fully capable of performing.

Lt. Governor David Paterson's commitment to MWBEs will benefit businesses throughout the state just as the Upper Manhattan Empowerment Zone has done for business development, jobs, educational and health programs, and social services in Harlem, East Harlem, Washington Heights and Inwood. Today I enter into the RECORD an article published by the New York CaribNews highlighting the efforts of Lt. Governor Paterson for the advancement of MWBEs in New York State.

[From the New York CaribNews, May 15, 2007]

LT. GOVERNOR PUSHES AGENDA TO BENEFIT MINORITY & WOMEN-OWNED BUSINESSES

ALBANY, NY.—Taking an important step in fulfilling a campaign pledge to usher in a new era of accountability in the area of state government utilization of Minority and Women Owned Businesses, Lt. Governor David Paterson convened a meeting of executives from the state's major agencies and authorities. This historic gathering of state decision makers was part of a mandate issued in an Executive Order signed by Governor Eliot Spitzer on February 18th which, among other things, establishes an executive Leadership Council to examine state procurement practices and increase the utilization of qualified MWBE's.

Lt. Governor Paterson, who is leading the state's efforts to improve its MWBE program told Executive Leadership Council members, "Last year the state spent over \$11 billion in discretionary expenditures and MWBEs only received 3% of state contracts. This administration will reserve the negative inertia of the past 12 years and push to build the capacity of MWBE firms and increase the utilization of qualified MWBEs."

After laying out the vision for the new MWBE initiative, MWBE Development Executive Director Michael Jones-Bey explained the purpose of the Executive Leadership Council sating that, "This will be a forum to discuss best practices for implementation of procurement policies. It is also a means to hold agency executives accountable for compliance with state MWBE procurement laws."
