

Turkey would surely be restricted by a negative public reaction to U.S. Congressional action. We are also concerned that any potential steps toward better relations between Turkey and Armenia will be set back by any action in the U.S. Congress.

In stating our opposition to H. Res. 106, we do not suggest that anything other than the most terrible of tragedies took place as the Ottoman Empire disintegrated in the early part of the last century. As President Bush and other Presidents before him have done, we recognize the need to acknowledge and learn from the tragedy. We respect that this issue is of great concern to you, and hope that you can consider other appropriate ways to highlight, commemorate and honor the memory of the victims without doing damage to our contemporary relations with modern Turkey.

Sincerely,

FRANK CARLUCCI
WILLIAM COHEN.
WILLIAM PERRY.
